The first comprehensive biography of the legendary figure who defined excellence in American sports: Jim Thorpe, arguably the greatest all-around athlete the United States has ever seen. With clarity and a fine eye for detail, Kate Buford traces the pivotal moments of Thorpe's incomparable career: growing up in the tumultuous Indian Territory of Oklahoma; leading the Carlisle Indian Industrial School football team, coached by the renowned "Pop" Warner, to victories against the country's finest college teams; winning gold medals in the 1912 Olympics pentathlon and decathlon; defining the burgeoning sport of professional football and helping to create what would become the National Football League; and playing long, often successful—and previously unexamined—years in professional baseball. But, at the same time, Buford vividly depicts the difficulties Thorpe faced as a Native American—and a Native American celebrity at that—early in the twentieth century. We also see the infamous loss of his Olympic medals, stripped from him because he had previously played professional baseball, an event that would haunt Thorpe for the rest of his life. We see his struggles with alcoholism and personal misfortune, losing his first child and moving from one failed marriage to the next, coming to distrust many of the hands extended to him. Finally, we learn the details of his vigorous advocacy for Native American rights while he chased a Hollywood career, and the truth behind the supposed reinstatement of his Olympic record in 1982. Here is the story—long overdue and brilliantly told—of a complex, iconoclastic, profoundly talented man whose life encompassed both tragic limitations and truly extraordinary achievements.

In this 2nd Edition, John Blundell gives a lively portrait of more than 25 American women who spoke out for liberty, helping to shape the political and social fabric of the United States. His subjects range from frontier novelists to suffragists to the inventor of life insurance for women and a tax collector who challenged the IRS. Arranged chronologically, the stories add up to a history of America. Responses to the first edition were so positive that the author has added five more of the best stories in US Women's History, namely Anne Hutchinson, Clara Barton, Alice Paul, Rosa Parks, and Mildred Loving. 'Ladies for Liberty' combats the myth that women want, and benefit from, big government. In this new, expanded edition of biographies of American women, John Blundell shares further evidence that the spirit of independence has always been a strong impetus for America's leading ladies. He shows that the underlying motivation of the women portrayed in these pages was self-determination as a virtue, and the conviction that individuals should be allowed to pursue their own ends, free from the coercion of others. His selection focuses on women of Conservative/Libertarian views, whether they were active in politics, business owners, writers or other cultural figures. Black as well as white, these women were revolutionary, some directly influencing the colonial breakaway from great Britain, some fighting for Abolition, others breaking new ground professionally. Each one not only made women's voices heard but made it clear that women have something to say that is both valid and valuable. This book is intended for American and British readers alike, high school and above, and all who are interested in American history, Conservative/ Libertarian politics, or Women's Studies.

Locked church doors and tossed rotten eggs greeted the faithful and patient Charles Simeon in his early years as a pastor. But in humility and simple power he was allowed by God to triumph. He became, as John R.W. Stott notes, "one of the greatest and most persuasive preachers the Church of England has ever known." Why did he have such an impact? You'll discover the reasons yourself as you read these clearflowing sermons, rich in content and clean in style. Shining through his words are Simeon's simple devotion to pure biblical truth, his concise and orderly presentation, and his pastor's mind and heart. James Houston's editorial preface is an instructive guide to Simeon's sound homiletical principles, while Stott's introduction is an engaging portrait of Simeon as a servant of God. Surveying his long life (1758-1836) and fruitful ministry, Stott is especially impressed by Simeon's refreshing, unaffected humility, and writes, "Our proud, self-confident, self-congratulatory generation urgently needs to recover this biblical perspective." Dr. James M. Houston, editor of the CLASSICS OF FAITH AND DEVOTION SERIES, is a highly acclaimed scholar and pioneer in the field of evangelical spirituality. He came to North America from England in 1968 to lead Regent College in Vancouver, Canada, an international graduate school of Christian studies.

Her story reflects the experiences common to many Indian communities in Latin America today. Rigoberta suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechist work as an expression of political revolt as well as religious commitment. The anthropologist Elisabeth Burgos-Debray, herself a Latin American woman, conducted a series of interviews with Rigoberta Menchu. The result is a book unique in contemporary literature which
