Intended for the students who are prepared for the Level 2 SVQ/NVQ and Technical Certificate in Plastering. It features accessible, jargon-free style that is written with the needs of the Level 2 learner in mind, with learning broken down into manageable, bite-sized chunks to ensure accessibility of content every step of the way.

The knowledge of note reading, intervals, rhythm, music symbols and terms, and the ability to listen are essential to the development of a strong foundation for the piano student. This "Theory" book was written to help provide this foundation by giving students reinforcement of the concepts presented in the "Lessons" book of the David Carr Glover Method for Piano. As the students advance in their ability to play the piano, the "Theory" book will help give them a better understanding of the music they are performing. The pages are designed to be interesting and fun for the students in order to spark their enthusiasm and increase their motivation.

Endorsed by City and Guilds, this book provides coverage of the 2005 Standards for NVQ Level 2 Professional Cookery. It combines aspects of a step-by-step recipe book with those of a qualification-based textbook.

Suitable for students setting out for a career in plumbing, this book helps them study for their Technical Certificate and Level 2 NVQ. It guides you through the key areas and processes in plumbing, from the basics through cold and hot water systems to health and safety and best practice on site.

This textbook will be the perfect companion to you if you are taking a qualification in Supporting Teaching and Learning in Schools at level 2, whether that is the Award in Support Work in Schools, Certificate in Supporting Teaching and Learning in Schools, or Certificate in Supporting the Wider Curriculum. Teaching Assistant's Handbook for Level 2, offers you a comprehensive and practical guide to supporting the development of children and young people in a variety of educational settings, including primary, secondary and special schools as well as extended schools. The tasks included will develop your personal and professional skill as well as key tasks which will contribute to your assessment. This new edition is updated in line with the revisions made to the specification following the implementation of the Qualifications and Curriculum Framework in 2010, and now mirrors the structure of the units that make up the various Level 2 qualifications.

An essential text for the AAT Level 2 Certificate in Accounting (Basic Accounting 2). This text contains practice examinations with answers, helping the student to prepare for the exam. This revised edition has been updated to include a brand new practice assessment.

"Indispensable." —The New York Times Book Review Piet Oudolf's gardens—unique combinations of long-lived perennials and woody plants that are rich in texture and sophisticated in color—are breathtaking and have deep emotional resonance. With *Planting*, designers and home gardeners can recreate these plant-rich, beautiful gardens that support biodiversity and nourish the human spirit. An intimate knowledge of plants is essential to the success of modern landscape design, and *Planting* shares Oudolf's considerable understanding of plant ecology, explaining how plants behave in different situations, what goes on underground, and which species make good neighbors. Extensive plant charts and planting plans will help you choose plants for their structure, color, and texture. A detailed directory shares details like each plant's life expectancy, the persistence of its seedheads, and its propensity to self-seed.

Is the learning in your classroom static or dynamic? *Shake Up Learning* guides you through the process of creating dynamic learning opportunities—from purposeful planning and maximizing technology to fearless implementation.

This book provides exactly what students need to complete their chosen route in the new e-Equals IT practitioner qualifications from City & Guilds at level 2.
