[www.macmillanenglish.com/readers](http://www.macmillanenglish.com/readers) Glossary Macmillan Readers: This series provides a wide variety of enjoyable reading material for all learners of English. Macmillan Readers are retold versions of popular classic and contemporary titles as well as specially written stories. Jonathan Swift (1667 – 1745) A famous Anglo-Irish satirist, essayist, political pamphleteer, poet and cleric. Swift is mostly remembered for Gulliver's Travels, A Modest Proposal, A Journal to Stella and other works. His deadpan, ironic writing style has led to such satire being subsequently termed "Swiftian". Travels into Several Remote Nations of the World. In Four Parts. By Lemuel Gulliver, First a Surgeon, and then a Captain of Several Ships, commonly known as Gulliver's Travels (1726, amended 1735), is a prose satire both on human nature and the "travellers' tales" literary subgenre of the day. It is Swift's best known full-length work, and a classic of English literature.

Bring The Classics To Life Series. These novels have been adapted into 10 short chapters that will excite the reluctant reader as well as the enthusiastic one. Let the Classics introduce Kipling, Stevenson, and H.G. Wells. Readers will embrace the notion of Crusoe's lonely reflections, the psychological reactions of a Civil War soldier at Chancellorsville, and the tragedy of the Jacobite Cause in 18th Century Scotland. Knowledge of Classics is a cultural necessity and these will improve fluency, vocabulary and comprehension through a high Interest / low readability format. Each eBook is divided into 10 short high quality illustrated chapters - Was written using McGraw-Hill's Core Vocabulary - Has been measured by the Fry Readability Formula - Defines and uses in context new vocabulary, prior to each chapter.

Bring The Classics To Life. These novels have been adapted into 10 short chapters that will excite the reluctant reader as well as the enthusiastic one. Key words are defined and used in context. Multiple-choice questions require the student to recall specific details, sequence the events, draw inferences from story context, develop another name for the chapter, and choose the main idea. Dorian Gray is the decadent archetype, anti-hero of Oscar Wilde's only novel, an underground classic which scandalized society upon its publication in 1890. Gray is the debauched libertine who retains a veneer of eternal youth during decades of increasingly outlandish vice, depravity and corruption, while his portrait ages and rots in an attic. Here in its rare original incarnation, the overtly homoerotic Lippincott edition, it includes an appendix sampling Wilde's later revisions, with an introduction by Jeremy Reed detailing the two editions and realigning the book's position in the history of subversive underground fiction. With its outr elements of homosexuality, drug abuse and supernatural horror, this remains Wilde's most extreme creation, a true classic of renegade literature. With a cover illustration by Aubrey Beardsley, this is the only available edition of Dorian Gray in its original, uncut form. Solar Nocturnal presents classic texts by key forerunners of modernism

For study or revision, these guides are the perfect accompaniment to the set text, providing invaluable background and exam advice. Philip Allan Literature Guides (for A-level) offer succinct and accessible coverage of all key aspects of the set text and are designed to challenge and develop your knowledge, encouraging you to reach your full potential. Each full colour guide: Gives you the confidence that you know your set text inside out, with insightful coverage for you to develop your understanding of context, characters, quotations, themes and style Ensures you are fully prepared for your exams: each guide shows you how your set text will be measured against assessment objectives of the main specification Develops the skills you need to do well in your exams, with tasks and practice questions in the guide, and lots more completely free online, including podcasts, glossaries, sample essays and revision advice at [www.philipallan.co.uk/literatureguidesonline](http://www.philipallan.co.uk/literatureguidesonline)

A wickedly clever satire uses comic inversions to offer telling insights into the nature of man and society. Nominated as one of America's best-loved novels by PBS's The Great American Read Gulliver's Travels describes the four voyages of Lemuel Gulliver, a ship's surgeon. In Lilliput he discovers a world in miniature; towering over the people and their city, he is able to view their society from the viewpoint of a god. However, in Brobdingnag, a land of giants, tiny Gulliver himself comes under observation, exhibited as a curiosity at markets and fairs. In Laputa, a flying island, he encounters a society of speculators and projectors who have lost all grip on everyday reality; while they plan and calculate, their country lies in ruins. Gulliver's final voyage takes him to the land of the Houyhnhnms, gentle horses whom he quickly comes to admire - in contrast to the Yahoos, filthy bestial creatures who bear a disturbing resemblance to humans. This text, based on the first edition of 1726, reproduces all the original illustrations and includes an introduction by Robert Demaria, Jr, which discusses the ways Gulliver's Travels has been interpreted since its first publication. Jonathan Swift (1667-1745) was born in Dublin. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

An abridged version of the story complete with vocabulary and comprehension checks for beginning readers. Divided into ten short chapters written using McGraw-Hill's Core Vocabulary and measured by the Fry Readability Formula, the workbook includes questions that test for comprehension, critical thinking, inference, recall of detail, and sequencing. This work includes the complete authoritative text with biographical & historical contexts, critical history and essays from five contemporary critical perspectives.

An abridged version of the story complete with vocabulary and, comprehension checks for beginning readers. Divided into ten short chapters written using McGraw-Hill's Core Vocabulary and measured by the Fry Readability Formula, the workbook includes questions that test for comprehension, critical thinking, inference, recall of detail, and sequencing. The intrepid Professor Lindenbrock embarks upon the strangest expedition of the nineteenth century: a journey down an extinct Icelandic volcano to the Earth's very core. In his quest to penetrate the planet's primordial secrets, the geologist - together with his quaking nephew Axel and their devoted guide, Hans - discovers an astonishing subterranean menagerie of prehistoric proportions. Verne's imaginative tale is at once the ultimate science fiction adventure and a reflection on the perfectibility of human understanding and the psychology of the questor.

Each volume in a collection of affordable, readable editions of some of the world's greatest works of literature features a chronology of the author's life and career, a concise introduction containing valuable background information, a timeline of significant events, an outline of key plot points and themes, detailed explanatory notes, critical analyses, discussion questions, and a list of recommended books and films.

Gulliver's Travels explores the human need to create order out of chaos through an internal system of knowledge that affirms the subjective self. In this study, I examine how Gulliver integrates elements of knowledge from the native and the host-societies into an operative system of self-knowledge. Gulliver's self-knowledge threatens the status quo within these societies by placing him at the solipsistic center of the narrative, orchestrating his observations to maintain the subjective self. If Gulliver was successfully indoctrinated in England, then why does he exhibit such an imperfect understanding of the complexities that define the principles which shaped Western society? Furthermore, if Gulliver is brainwashed by his hosts, then by what authority does he continually transgress the rules of law that govern their societies? Specifically, why does he knowingly commit acts of disobedience and heresy if he has been successfully indoctrinated into their social systems? My study concludes Gulliver's empirical search for an answer to the question Who am I? fails because he is unable to harmonize subjective truths within the objective world.

According to legend, when the author and Historical Long Rider Jonathan Swift made an equestrian journey across Ireland, he arrived at a remarkable conclusion. The beloved mare who carried him faithfully was a paragon of reason, understanding and sympathy, unlike his fellow human beings. At the conclusion of the ride, Swift penned his famous book, Gulliver's Travels. It told the tale of Lemuel Gulliver, a ship's captain who sailed to four remarkable kingdoms. While the simple children's version focuses on the little people of Lilliput, it was the talking horses found in the fourth adventure which outraged civilised English society. A Voyage to the Country of the Houyhnhnms recounts how Captain Gulliver's crew mutinied and set him ashore on an unknown island. There he encountered a race of savage humanoids who threatened to kill him. The bewildered traveller was rescued by horses, who it turns out could speak and in fact ruled the island. What follows is an astonishing tale that turns man's definition of himself on its head. The naked, warlike and murderous humans are known as Yahoos, a term still used today as a synonym for "ruffian." In order to draw attention to the evils of materialism and elitism, Swift described the Yahoos as savage creatures with selfish habits, who are obsessed with digging pretty stones from the mud. In stark contrast the Houyhnhnms, which in their language means "the perfection of nature," are a race of intelligent horses that enjoy a peaceful society based upon reason. Though he is biologically akin to the Yahoos, Gulliver prefers the company of his benevolent equine hosts. When he learns to converse with the horses, Gulliver attempts to explain human society. His equine hosts are perplexed with the alien concepts of greed, war and injustice. Nor do they have a word for 'lie, ' and must substitute the phrase "to say a thing which is not." When Gulliver reluctantly returns to England, he finds the company of his countrymen, whom he now views as Yahoos, so intolerable that he spends most of his time in the stable near his home. Thus, this equine episode is the keystone of Gulliver's Travels and reflects Swift's disenchantment with popular society. Originally it was believed that A Voyage to the Country of the Houyhnhnms was a metaphor used by Swift to highlight England's treatment of slaves as lesser human beings. More recently, it has been described as an early example of animal rights, in that Gulliver's role reversal highlighted how cruelly English horses were treated. First released anonymously in 1726, it sold out in less than a week. Since then, the challenging tale has never been out of print. Nor has there arrived a human who has answered the challenge Swift wrote for his own epitaph. "Go forth, Voyager, and copy, if you can, this vigorous champion of Liberty." Gulliver is a clever man who loves adventures. When his ship hits a rock, Gulliver swims to an island called Lilliput. There, he meets a group of tiny people - the Lilliputians. Will Gulliver help the Lilliputians win their war with the Blefuscans? Will the Lilliputians help Gulliver get home again?

Highlighting aspects of his scholarship seldom given sufficient emphasis, this new volume of the Collected Works of Northrop Frye documents Frye's writings on the literature of the eighteenth and nineteenth centuries (apart from those on William Blake, which are featured in other volumes). The volume includes Frye's seminal 1956 essay "Towards Defining an Age of Sensibility" and the highly influential 1968 book A Study of English Romanticism. With these pieces and the other published and unpublished works contained in the volume, Frye changed the way the transition from the major Augustan figures to the Romantics was viewed. These works are a central part of Frye's long and radical rethinking of the relation of romance and Romanticism and, through them, he emerges as a meticulous textual critic, teasing out the fine brushstroke effects in writers as varied as Boswell and Beddoes, Dickens and Dickinson. Imre Salusinszky's introduction and annotation illuminates Frye's writing and guides the reader along the path of Frye's five-decade development of thought on Romanticism. This volume is an invaluable contribution to studies on Frye, as well as to Romantic and Victorian literature.

An abridged version of the story complete with vocabulary and comprehension checks for beginning readers.

The voyages of an Englishman carry him to such strange places as Lilliput, where people are six inches tall; Brobdingnag, a land of giants; and a country ruled by horses.

This simple retelling of Jonathan Swift's Gulliver's Travels focuses on the first voyage—Gulliver's time on the island of Lilliput. It is a great way to introduce newly independent readers to this classic adventure. Gulliver loves the life he's leading. As a doctor on a ship he travels to some very interesting places. But life at sea can be dangerous, too. Gulliver's ship is destroyed in a storm, and it takes every bit of his strength to swim to shore, where he falls asleep all alone. But he is not alone for long! Gulliver awakens to find himself being held captive on an island called Lilliput by people who are only six inches tall! Although they don't trust him at first, soon enough the Lilliputians see how handy it can be to have Gulliver around—at least some of the time. And Gulliver adds another exotic, exciting, and very funny adventure to his life experiences!

Suitable for younger learners Word count 15,325 Bestseller

This Graphic Novel Series features classic tales retold with attractive color illustrations. Educators using the Dale-Chall vocabulary system adapted each title. Each 70 page, softcover book retains key phrases and quotations from the original classics. Introduce literature to reluctant readers and motivate struggling readers. Students build confidence through reading practice. Motivation makes all the difference. What's more motivation than the expectation of success?
