This work is the product of several decades of practical experience with children -- blended with prayerful reflection on the way children hear God speak to them personally and with profound simplicity. So is this work guided by the Spirit. It is the fruit of entering gently and respectfully into the child's joyful encounter with the mystery of God's silent self-revelation made tangible through ancient biblical images, liturgical signs and celebrations. "There is no evil to be faced that Christ does not face with us. There is no enemy that Christ has not already conquered. There is no cross to bear that Christ has not already borne for us, and does not now bear with us." Pope Saint John Paul II embodied these words throughout his life. Born May 18, 1920, in Wadowice, Poland, Karol Józef Wojtyła lived in times of political turmoil. As a young man during the Nazi occupation of Poland, he studied in an underground seminary. As pope, he was instrumental in the collapse of communism in Eastern Europe. Through it all, he maintained an unwavering hope in the ultimate triumph of love, truth, and beauty. He remains a hero to millions of people for his unflinching defense of the Church and her teachings. John Paul II changed the world in many ways; this book describes 100 of the most important. Each of the 100 accomplishments, teachings, or stories about John Paul II is fascinating, providing a glimpse into the astounding life and impact of this great and beloved saint. In the twenty years since its publication, *Celebration of Discipline* has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, *Celebration of Discipline* explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of

simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

The Issue With Baptism of Russia reports to the readers that there were four baptisms of Russia according to canonical Russian Orthodox Church literature and not just one of 989 A.D. ordered by Prince Vladimir as it is told by schoolbooks for the last 400 years! The Issue With Baptism of Russia consists of chapters that complement and develop the reconstruction of the Russian history from the point of view of the New Chronology as related in the previous books of the History: Fiction or Science? series. The sequence of individual topics is usually of little importance, and the sections can be read in a random order. The Catechesis of the Good Shepherd is a child-centered, Montessori-based process of Christian formation. Since 1984, catechists in the United States who have worked in the Catechesis have exchanged the fruits of their work -- children's drawings, work, and prayers; practical ideas and how-to's -- and materials for study and encouragement in an annual journal. These collected journals from 1984 to 1997, and now from 1998 to 2002, provide a valuable resource for Good Shepherd catechists and a history of their work in the United States for anyone interested in knowing more about the Catechesis. The Ology by best-selling children's author Marty Machowski is a stunningly illustrated beginner's theology book to help kids of all ages understand who God is and how we, as his children, relate to him. Arranged within a traditional systematic theological framework, each truth in The Ology is also connected to the larger redemptive story of Scripture. This storybook of systematic theology takes abstract concepts in the Bible and makes them easier to understand with the use of creative examples, illustrations, and analogies. The Ology is a starting point to learning theology and aims to create a hunger and desire in children to learn more as they grow older. Designed for six-year-olds through preteens, this flexible resource includes built-in adaptations so the entire families can enjoy it together. The story begins in the cellar of the old stone cathedral, where Carla and Timothy uncover a life-changing treasure: a carefully wrapped, ancient book known as The Ology. Young readers will discover a tale of adventure, mystery, and wonder, which will lead them to the truth about God, themselves, and the world around them. As a father to six children, Machowski knows how to intentionally create a vivid resource, full of analogies and word pictures to help kids grasp difficult

Read *The Ology* to preschoolers; read it with grade-school kids, and let older kids discover the "hidden" truths by reading the corresponding Scripture passages for each section. However you read it, *The Ology* will give your children a gift that will last a lifetime—a solid foundation of transformative biblical truth that will point them to the God who loves them and gave himself for them. There is also a companion album to *The Ology* by Sovereign Grace Music that celebrates these wonderful theological truths through worship music that the whole family can enjoy.

Keeping a faithful prayer life with your family isn't easy. From herding distracted children to managing the seemingly endless litany of prayers and devotions, our spiritual life all too often feels frantic and burdensome. This isn't the way it should be. Our prayer life, our family life, and our work life should — and can! — be in harmony. When they are, our family is a powerhouse of grace, and Our Lord transforms our home into a little Eden — a little bit of heaven on earth. With simplicity and holy wisdom, authors David Clayton and Leila Marie Lawler show you how to bring peace to your home by integrating your family into the calm, truly joyful way of Mother Church. Her feasts and seasons, prayers and devotions are gifts that draw us closer to God and unfold before us His marvelous plan of salvation. To help you live the liturgical life of the Church more fully, David and Leila reclaim here an almost lost tradition that families used for centuries to build a beautiful bridge between home and church: the little oratory. Consisting of a modest table and icons, the little oratory is a visible sign of spiritual awareness and devotion. It extends the Eucharistic worship of the Mass into the heart of your home, spiritually nourishing your family and preparing them to transform the world through prayer and charity.

Building your own little oratory is simple, and in these pages you'll discover just how easy it is. In fact, you likely have most of the pieces in your home already except, perhaps, the sacred art. That's why we've included here seven full-colored icons that are ready for framing, enabling you to get started right away! By following the wise advice in this book, you'll discover the peace and love that flows from a home that is focused on Christ. You'll also learn . . . How to use sacred art to strengthen your prayer life. How to extend Catholic beliefs and devotions into every room of the house. Why the Liturgy of the Hours is important and how it can make your family holy. How to pray the Rosary with children and keep the rowdiest of them calm and reverent. The active role children can and should play in the prayer life of the family. What to do when only one parent takes the spiritual life seriously. How to overcome the feeling that you're too busy to pray. Practical ways to extend the liturgical life into your workplace. And countless other tips to help you practice your faith in the heart of your home. Scott Hahn "This is one of the most beautiful books I've ever seen. How I wish I'd had it when I first became a Catholic, not just for myself, as a husband and father, but for my family, too. If one book has the potential to transform the Catholic family (and society), this is it." Thomas Howard "This book is a rare treasure." "Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world

For those desiring to pray this is a resource that is full of practical advice - written simply and attractively. This book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel." THOMAS G. WEINANDY, O.F.M., CAP. Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lilles takes us through the spiritual journey of prayer, citing Fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him!! This edition of the Heidelberg Catechism is produced by the Reformed Church in the United States. It is reprinted with all of the references in the New King James Version of the Bible and the updated language adopted by the Synod of the RCUS in 2011. This small book is one of the finest fruits of the Reformation and epitomizes its essential teaching. Holding forth faith in Jesus Christ as our only comfort in life and in death, it presents, very personally and eloquently, what is necessary to know that we may live and die in that comfort. While many played a role in its composition, it was especially Zacharias Ursinus and Caspar Olevianus who imparted its theological content and practical spirit. Having received hearty approval by the pastors and teachers in Heidelberg, it was published on January 19, 1563. Its influence in Germany, the Netherlands, Hungary, and beyond exceeded all expectations. It was welcomed by Reformed believers everywhere. Today, those who are yearning for a beautiful statement of biblical truth will find this work a treasure. It remains as fresh as when it was first published 450 years ago.

This book describes the Catechesis of the Good Shepherd, a Montessori-based style of catechesis that focuses on the child's independent journey to God by working with materials in a specially prepared place called an atrium. Written by Sofia Cavaletti, the Italian scripture scholar who developed the Catechesis of the Good Shepherd, this classic work demonstrates the profound spiritual capabilities of children as brought forth through their engagement in the Catechesis of the Good Shepherd. This book is important for anyone desiring to learn about the Catechesis of the Good Shepherd or the spiritual life of children ages 3-6. The Catechesis of the Good Shepherd is an approach to the religious formation of children that is grounded in an understanding and appreciation of the child's relationship with God through their engagement with Scripture and liturgy. In this companion to *The Religious Potential of the Child 6-12 years old*, author Rebekah Rojcewicz documents the decades of work and the journeys that catechists and older children, six to twelve years old, have made with Jesus the True Vine. For parents, catechists, and those who seek to take seriously Jesus' challenge "to change and become like children" (Matthew 18:3), this book serves as an invitation to the same joyful journey.

Self-Direction is an in-depth discussion of the conscience and virtues such as temperance, chastity, fortitude, and prudence; the will and self-control; and the soul and its capacities, such as prayer, thanksgiving, faith, and praise. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. source of authority for the Christian and the Church. Coined and promulgated by Martin Luther and John Calvin (1500's), this doctrine has become the ground-floor upon which all of the doctrine of Protestant-Christianity has been built. If it can be proven that Sola-Scriptura is in error and that it is an innovation to orthodox Christianity, the entire body of purely Protestant doctrine will be, subsequently, rendered void. Using Scripture itself, reason, and a spoon full of humor, David L. the Child: A Joyful Journey. With major contributions by Sofia Cavalletti, Gianna Gobbi, Silvana Montanaro, and Patricia Coulter, this book has long been a “core text” for catechists and also for parents of children in the Catechesis of the Good Shepherd. Now there is a new edition, which reflects the changes in the presentations and the materials that Sofia Cavalletti made in the years before her death in August 2011. The original contributions of the authors are retained in Part I. In Part II, long time catechist and one of the first US catechists to study with Sofia Cavalletti, Rebekah Rojcewicz, has carefully outlined the current methods and developments in the work. This includes a selection of the key parables and scripture texts that are presented to the children. She also offers a new Introduction in which she describes the process by which the original authors and founders of the Catechesis of the Good Shepherd came to recognize the child’s potential for a relationship with God and learned what nurtures that experience. The original art work by Julie Coulter-English is retained in this new edition. This volume provides all who minister to young people with an effective blueprint for building a truly meaningful ministry
