

## Liberty Eric Foner Volume 1 3rd Edition

Chronicles the history of America's pursuit of liberty, tracing the struggles among freed slaves, union organizers, women rights advocates, and other groups to widen freedom's promise

From the bestselling, award-winning author of *The Buddha in the Attic*, this commanding debut novel paints a portrait of the Japanese internment camps that is both a haunting evocation of a family in wartime and a resonant lesson for our times. On a sunny day in Berkeley, California, in 1942, a woman sees a sign in a post office window, returns to her home, and matter-of-factly begins to pack her family's possessions. Like thousands of other Japanese Americans they have been reclassified, virtually overnight, as enemy aliens and are about to be uprooted from their home and sent to a dusty internment camp in the Utah desert. In this lean and devastatingly evocative first novel, Julie Otsuka tells their story from five flawlessly realized points of view and conveys the exact emotional texture of their experience: the thin-walled barracks and barbed-wire fences, the omnipresent fear and loneliness, the unheralded feats of heroism. *When the Emperor Was Divine* is a work of enormous power that makes a shameful episode of our history as immediate as today's headlines. Don't miss Julie Otsuka's new

on the relevance of Abraham Lincoln's legacy in the age of Obama and on the need for another era of Reconstruction. In addition to articles in which Foner calls out politicians and the powerful for their abuse and misuse of American history, Foner assesses some of his fellow leading historians of the late 20th century, including Richard Hofstadter, Howard Zinn and Eric Hobsbawm. Foner ends with an open letter to Bernie Sanders analysing the great tradition of radicalism that he has spent his career studying and which, he argues, Americans of progressive disposition should seek to celebrate and retrieve.

The leading text in a brief, full-color edition. Clear, concise, integrated, and up-to-date, *Give Me Liberty!* is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. its best-selling companion reader have both been updated for the Sixth Edition.

Traditions & Encounters offers an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world of contemporary times. Given the diversity of human societies, gathering and organizing the sheer mass of information in a meaningful way is a daunting challenge for any world history survey course. The seven-part chronological organization enables students to understand the development of the world through time, while also exploring broader, big-picture thematic issues in world history. Through new and revised chapter-level and part-level features, the hallmark twin themes of traditions and encounters emerge in greater clarity than ever before in this sixth edition. As a result, students have resources that enable them to move beyond the facts of history and examine the past critically, analyze causes and effects, and recognize similarities and differences across world regions and time periods. By digging deeper into the implications of world history's stories—not just the who, the what, and the where, but also the why and the how—students can make sense of the human past. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more

engaging and effective.

This first of two volumes presents an introduction to the history of America from pre-Columbian times to Reconstruction. This edition includes new coverage of inclusion and exclusion as it has played out in American law and institutions, political and social movements, family and individual aspirations, and race, gender, and ethnicity. The author emphasizes the effect of contact among peoples of three different continents, the creation of an "American" people, and the evolving definitions of freedom and equality. Edited by Eric Foner and coordinated with each chapter of the text, this companion to *Give Me Liberty!* includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

"A masterwork [by] the preeminent historian of the Civil War era."—*Boston Globe* Selected as a Notable Book of the Year by the *New York Times Book Review*, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery,

## Read Free Liberty Eric Foner Volume 1 3rd Edition

secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

The leading U.S. history textbook, with a new focus on "Who is an American?"

John Irish and Barbara Ozuna, both experienced history teachers, have teamed up to develop this workbook to focus on the historical thinking skills that high school students in the AP\* World History course must master in order to perform well on the exam.

Developed to meet the demand for a low-cost, high-quality history book, the Advantage Edition of THE AMERICAN PAST, Ninth Edition offers readers the complete narrative while limiting the number of photos, features, tables, and maps. Author Joseph R. Conlin's award-winning teaching and writing styles are reflected in this colorful look at the individuals, events, and ideas that have shaped our nation's past. Organized into short chapters and updated with new insights into recently published research, this text sets the story in a political context, weaving in social, cultural, economic, intellectual, constitutional, diplomatic, and military events along the way. Conlin's popular How They Lived vignettes--many of which are new in this edition--bring historical stories to life and emphasize the human and social dimensions of history. With its literary prose style and its unifying voice, THE AMERICAN PAST, Ninth Edition will capture and hold your students' interest as it guides them on an eye-opening walk through the past. Available in the following split options: CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAST, Ninth Edition (Chapters 1-52), ISBN: 978-1-111-34339-2; Volume I: To 1877 (Chapters 1-24), ISBN: 978-1-111-34335-4; Volume II: Since 1865 (Chapters 24-52), ISBN: 978-1-111-34340-8. content referenced within the product description or the product text may not be available in the ebook version. Named a Most Anticipated Book of 2020 by Apple Books, Literary Hub, The Millions, and The Week An indelible novel of teenage alienation and adult complacency in an unraveling world. Pulitzer Prize finalist Lydia Millet's sublime new novel—her first since the National Book Award long-listed *Sweet Lamb of Heaven*—follows a group of twelve eerily mature children on a forced vacation with their families at a sprawling lakeside mansion. Contemptuous of their parents, who pass their days in a stupor of liquor, drugs, and sex, the children feel neglected and suffocated at the same time. When a destructive storm descends on the summer estate, the group's ringleaders—including Eve, who narrates the story—decide to run away, leading the younger ones on a dangerous foray into the apocalyptic chaos outside. As the scenes of devastation begin to mimic events in the dog-eared picture Bible carried around by her beloved little brother, Eve devotes herself to keeping him safe from harm. *A Children's Bible* is a prophetic, heartbreaking story of generational divide—and a haunting vision of what awaits us on the far side of Revelation.

The leading text, in a compact, value edition.

Six months after the Declaration of Independence, the American Revolution was all but lost. A powerful British force had routed the Americans at New York, occupied three colonies, and advanced within sight of Philadelphia. Yet, as David Hackett Fischer recounts in this riveting history, George Washington--and many other Americans--refused to let the Revolution die. On Christmas night, as a howling nor'easter struck the Delaware Valley, he led his men across the river and attacked the exhausted Hessian garrison at Trenton, killing or capturing nearly a thousand men. A second battle of Trenton followed within days. The Americans held off a

## Read Free Liberty Eric Foner Volume 1 3rd Edition

counterattack by Lord Cornwallis's best troops, then were almost trapped by the British force. Under cover of night, Washington's men stole behind the enemy and struck them again, defeating a brigade at Princeton. The British were badly shaken. In twelve weeks of winter fighting, their army suffered severe damage, their hold on New Jersey was broken, and their strategy was ruined. Fischer's richly textured narrative reveals the crucial role of contingency in these events. We see how the campaign unfolded in a sequence of difficult choices by many actors, from generals to civilians, on both sides. While British and German forces remained rigid and hierarchical, Americans evolved an open and flexible system that was fundamental to their success. The startling success of Washington and his compatriots not only saved the faltering American Revolution, but helped to give it new meaning.
