A few words about Dostoevsky himself may help the English reader to understand his work. Dostoevsky was the son of a doctor. His parents were very hard-working and deeply religious people, but so poor that they lived with their five children in only two rooms. The father and mother spent their evenings in reading aloud to their children, generally from books of a serious character. Though always sickly and delicate Dostoevsky came out third in the final examination of the Petersburg school of Engineering. There he had already begun his first work, "Poor Folk." This story was published by the poet Nekrassov in his review and was received with acclamations. The shy, unknown youth found himself instantly something of a celebrity. A brilliant and successful career seemed to open before him, but those hopes were soon dashed. In 1849 he was arrested.

Ex-Danish Military Special Forces, built like a legend, and uncompromising in every way-Neil Christensen didn't walk into my life. The Viking-sized warrior crashed it like a hurricane. The moment he showed up at my strip club, my life fell apart. Now the only thing standing between me and an unmarked grave is a warrior I don't trust. I'm not afraid to die, but I am terrified of weathering the storm. Because when a Viking decides to unleash his fury, no one is going to come out unscathed. Warning: This book contains alpha heroes, offensive language, violence and sexual situations. Indecent is not your average I-stripped-my-way-through-college memoir. Sarah Katherine Lewis is a veteran of the sex industry who started small -- doing lingerie modeling and striptease shows -- but for reasons including the desire to earn more money and curiosity about other types of sex work, she moved into porn, and ultimately into illegal work. Lewis is smart, self-aware, and biting funny. Where other writers in this genre have generally shielded themselves from letting things get too bad or go too far, Lewis comes face-to-face with the unimaginable. Her experiences with customers, whose fetishes and behaviors range from obscene to bizarre to twisted, are often recounted with outrageous and caustic humor. Lewis is a brilliant observer of human nature and has a read on her employers and coworkers that lends unique insight into theseedy underground of the more hardcore sex industry. Lewis is a sex worker by choice. She neither condemns nor condones the work, though she depicts her experiences with a gallows humor that reveals the complexity of professional adult sex work. Indecent offers readers an insider's account of hard-earned lessons and acute insight gained from over a decade in the trenches of one of America's most insidious and lucrative industries.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

For use in schools and libraries only. Accused of a crime he did not commit, Crispin has been declared a "wolf's head." That means he may be killed on sight, by anyone. If he wishes to remain alive, he must flee his tiny village.

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." –Meredith Wild, #1 NYT Bestselling Author Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. \*\*\* Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. current economic challenges that affect us locally and globally.
