

Living With A Willy

Who would want to read: The Nine Lives of Arnold? Serious people who have wondered how it was possible for an intelligent and cultured people like the Germans to vote for a maniac like Hitler, history buffs and students who are interested in an entertaining and often humorous report on the time between the two World Wars, World War II and its aftermath. Born in 1917, Arnold von der Porten is raised in a family whose religion was democracy, he describes how the ominous threat of Nazism was fed by the fear of a Communist Revolution and by the foreign politics of the victorious Allies of the first World War. As he left home, Arnold, a boy of 15, brought up in the genteel German middle class, was suddenly tossed into extreme poverty in the British Crown Colony of Jamaica. He describes all aspects of Jamaican life before World War II as he works himself up and eventually starts his own neon shop. This narration and Arnold's 26 drawings are sure to be of great interest to people of all backgrounds and nationalities who wish to understand the time between the two World Wars with the rise of Hitler. Certainly it will be of great interest to British and Jamaican people as well as others who ever lived in, or read about a colony. War comes. He interned with Nazis, Fascists, and Jews alike. Life in a British internment camp. Released, he describes his experience in the Kingston business world. Arnold becomes prominent. He marries Amy Barry of a prominent family. Arnold illuminates a lot of historical events causing Hitler's rise, leading to World War II, the changing fortunes of that War, the Cold War. He was there when the British Empire was breaking up. The independence movement became hostile to foreigners. Amy and Arnold decided to migrate to America in 1953.

Creepy Archives Volume 27 opens one crypt too many to expose a writhing mass of frightful fun, reanimating classic tales of terror from the most harrowing horror series in comics history! Featuring stories by the finest writers and artists of the day, including William DuBay, Alfredo Alcalá, Nicola Cuti, and Budd Lewis, Creepy Archives brings the fear to new generations of readers . . . and victims!

Chuck's a cat with a great life—until Katie goes away to college and his best friend moves. Left all alone, Chuck starts to venture farther and farther into the neighborhood and one fateful night finds himself face-to-face with a beast as big and black as death. His name is Rotten Willy—and he's a dog with a heart of gold.

Willy is the story of a baby rabbit who had the misfortune to end up in the jaws of a predator named Stoney. Stoney happened to be the pet of one Susie Kivlehen, a person who loved her cats but also respects other living creatures. Lucky for Willy that Stoney likes to bring in his conquests for Susie to admire. Susie's discovery that the little rabbit was still alive began a journey of survival for the baby rabbit. This is the story of Willy's struggle and Susie's uncompromising will to see that one of God's little creatures had an opportunity live out his life.

Although the themes of women's complicity in and resistance to war have been part of literature from early times, they have not been fully integrated into conventional conceptions of the war narrative.

Combining feminist literary criticism with the emerging field of feminist war theory, this collection explores the role of gender as an organizing principle in the war system and reveals how literature perpetuates the ancient myth of "arms and the man." The volume shows how the gendered conception of war has both shaped literary texts and formed the literary canon. It identifies and interrogates the conventional war text, with its culturally determined split between warlike men and peaceful women, and it confirms that women's role in relation to war is much more complex and complicitous than such essentializing suggests. The contributors examine a wide range of familiar texts from fresh perspectives and bring new texts to light. Collectively, these essays range in time from the Trojan War to the nuclear age. The contributors are June Jordan, Lorraine Helms, Patricia Francis Cholakian, Jane E. Schultz, Margaret R. Higonnet, James Longenbach, Laura Stempel Mumford, Sharon O'Brien, Jane Marcus, Sara Friedrichsmeyer, Susan Schweik, Carol J. Adams, Esther Fuchs, Barbara Freeman, Gillian Brown, Helen M. Cooper, Adrienne Auslander Munich, and Susan Merrill Squier.

'The night it happened I was drunk, almost passed out, and I swear to God a bird came flying through my motel room window . . .' Narrated by Frank Flannigan, *The Motel Life* tells the story of how he and his brother Jerry Lee take to the road in a bid to escape the hit-and-run accident which kick-starts the narrative. Written with huge compassion, and an eye for the small details of life, it has become one of the most talked about debuts of recent years. 'That rare beast: a book with the cadence of an old, well-loved song. Sad, haunting, and strangely beautiful.' John Connolly, author of *The Black Angel* 'A serene and assured piece of minor-key Americana . . . Not many people do anything similar over here, with the same sense of small town big-sky melancholy. So British readers looking for a shot of post-Beat generation blues should reach with confidence for Vlautin's book.' Jonathan Gibbs, *Independent*

Fifty timeless novels in one collection, plus additional bonus classics: *The Oresteia* by Aeschylus *Rashomon* and *Seventeen Other Stories* by Ryunosuke Akutagawa *Little Women* by Louisa May Alcott *The Divine Comedy* by Dante Alighieri *Between Past and Future* by Hannah Arendt and *Jerome Kohn Eichmann in Jerusalem* by Hannah Arendt *Pride and Prejudice* by Jane Austen *The Poetics of Space* by Gaston Bachelard *Peter Pan* by J. M. Barrie *The Wizard of Oz* by L. Frank Baum *Around the World in Seventy-Two Days and Other Writings* by Nellie Bly *The Brontë Sisters* by Charlotte Brontë, Emily Brontë, and Anne Brontë *Alice's Adventures in Wonderland and Through the Looking-Glass* by Lewis Carroll *In Patagonia* by Bruce Chatwin *The Spy* by James Fenimore Cooper *Great Expectations* by Charles Dickens *Crime and Punishment* by Fyodor Dostoyevsky *The Three Musketeers* by Alexandre Dumas *The Psychopathology of Everyday Life* by Sigmund Freud *The Iliad* by Homer *The Odyssey* by Homer *The Haunting of Hill House* by Shirley Jackson *We Have Always Lived in the Castle* by Shirley Jackson *Niels Lyhne* by Jens Peter Jacobsen *On the Road: The Original Scroll* by Jack Kerouac *Tristes Tropiques* by Claude Lévi-Strauss *The Call of the Wild, White Fang, and Other Stories* by Jack London *The Call of Cthulhu and Other Weird Stories* by H. P. Lovecraft *The Moon and Sixpence* by W. Somerset Maugham *Of Human Bondage* by W. Somerset Maugham *All My Sons* by Arthur Miller *The Crucible* by Arthur Miller *Death of a Salesman* by Arthur Miller *A View from the Bridge* by Arthur Miller *Anne of Green Gables* by L. M. Montgomery *A Little Larger Than the Entire Universe* by Fernando Pessoa *Twelve Angry Men* by Reginald Rose *The Theory of Moral Sentiments* by Adam Smith *Angle of Repose* by Wallace Stegner *The Acts of King Arthur and His Noble Knights* by John Steinbeck *East of Eden* by John Steinbeck *The Grapes of Wrath* by John Steinbeck *The Short Novels of John Steinbeck* by John Steinbeck *Of Mice and Men and The Moon Is Down* by John Steinbeck *Dracula* by Bram Stoker *Black Lamb and Grey Falcon* by Rebecca West *The Age of Innocence* by Edith Wharton *Three Novels of New York* by Edith Wharton *Gray When You Are Old* by William Butler Yeats *We* by Yevgeny Zamyatin

John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a *New York Times* Outstanding Children's Book.

The Author Roma Waldron was born in 1941 Newcastle NSW. The daughter of John Cameron and Pavline nee Clark I am a genealogist and have written 3 volumes of *The Pioneers of NSW* containing details of 3500 families I am a very keen writer of poetry about broken hearts but my greatest love is writing about a cockroach named Willy and his adventures and short stories for

children.

Never before have the facts of life been presented in such an accessible—or novel—way. Our hero is Willy, a little sperm who lives inside Mr. Browne with 300 million friends. Every day Willy practices for the Great Swimming Race. And when the day arrives, he swims faster than his 300 million friends to win the prize—a marvelous egg. Then something wonderful happens, and eventually Mr. and Mrs. Browne have a baby girl who has the same winning smile as Willy and who grows up to be a great swimmer. Hilariously funny, warm, and endearing, this is a picture book that appeals on different levels to both children and grown-ups. “Fresh, original, and imaginative. . . . Allan’s achievement is in couching fascinating facts within the construct of a gentle, direct narrative. A little knowledge is a wonderful thing, and as the rest of the facts of life fall into place, Allan’s readers will look back on this book with a mixture of fondness and wry amusement.” —The Guardian (UK)

Are you looking for a fun kids' read-along book that teaches new words and rhymes in a silly and entertaining way? Grab this book and meet Silly Willy, the Off-key Donkey! Stinky Winky Silly Willy Off-key Donkey is a delightful and easy-to-read rhyming picture book that follows the antics of an adorable and mischievous donkey. Grab your copy of Stinky Winky Silly Willy Off-key Donkey today and set off on a whimsical adventure with your children!

“Willy Vlautin is not known for happy endings, but there’s something here that defies the downward pull. In the end, Lynette is pure life force: fierce and canny and blazing through a city that no longer has space for her, and it’s all Portland’s loss.”—Portland Monthly Magazine Award-winning author Willy Vlautin explores the impact of trickle-down greed and opportunism of gentrification on ordinary lives in this scorching novel that captures the plight of a young woman pushed to the edge as she fights to secure a stable future for herself and her family. Barely thirty, Lynette is exhausted. Saddled with bad credit and juggling multiple jobs, some illegally, she’s been diligently working to buy the house she lives in with her mother and developmentally disabled brother Kenny. Portland’s housing prices have nearly quadrupled in fifteen years, and the owner is giving them a good deal. Lynette knows it’s their last best chance to own their own home—and obtain the security they’ve never had. While she has enough for the down payment, she needs her mother to cover the rest of the asking price. But a week before they’re set to sign the loan papers, her mother gets cold feet and reneges on her promise, pushing Lynette to her limits to find the money they need. Set over two days and two nights, *The Night Always Comes* follows Lynette’s frantic search—an odyssey of hope and anguish that will bring her face to face with greedy rich men and ambitious hustlers, those benefiting and those left behind by a city in the throes of a transformative boom. As her desperation builds and her pleas for help go unanswered, Lynette makes a dangerous choice that sets her on a precarious, frenzied spiral. In trying to save her family’s future, she is plunged into the darkness of her past, and forced to confront the reality of her life. A heart wrenching portrait of a woman hungry for security and a home in a rapidly changing city, *The Night Always Comes* raises the difficult questions we are often too afraid to ask ourselves: What is the price of gentrification, and how far are we really prepared to go to achieve the American Dream? Is the American dream even attainable for those living at the edges? Or for too many of us, is it only a hollow promise?

Dear Willy, *The True Story of a Life Well Lived* is a social history about a German family living through the tumultuous years of 1914 to 1947. The story is told through journals, letters, and photos that were saved by Willy Geheb who was the only family member that immigrated to the United States. Historical comments, added for depth and clarity, enrich the reader's experience. A masked psychopath arrives at a house one night looking for another kill, unaware that this house is haunted and vacant. The house hosts a wicked, dark, spiritual presence. The doors of North Road House lock shut and entrap the masked killer. This causes the masked, imperishable psychopath to clash with North Road House. You must do the best you can to maintain your composure with this one. *Encounter at North Road House* is a book that will take the horror fan on one of the most chilling and bloodcurdling journeys for these times, a terrifying thrill?ride. On a snowy Thursday night in Chicago, there is a knock on Detective Hank Purcell’s door. Sister Mary Philomena has seen something terrible at Saint Fidelis Church?—?a violation of all she holds sacred. The next Monday, she is found murdered in the convent basement, next to a furnace stuffed with old papers and photographs. And Margaret, Hank’s teenage daughter, has disappeared. Hank and his unconventional partner Marvin Bondarowicz try to force their way through a wall of ecclesiastical silence to find the killer, while their search for Margaret takes them from swank lakeside flats to drug dens to south-side basement blues clubs...and the snow keeps falling.

Almost everyone who has lost a loved one has had the inexplicable feeling that the deceased was somehow present. This is normal for grieving individuals - and a sign that our loved ones never truly leave us. In this important book, Dr. Louis E. LaGrand, a leader in the field of grief counseling, shares insights and true stories of this phenomenon, offering comfort, reassurance, and hope in the face of sorrow. Dr. LaGrand explores the methods that mourners and their support systems can rely on: Understanding the continuing presence of their loved one Reestablishing hope for the future Developing a strong inner emotional love Strengthening the belief that they are never alone Maintaining an open, giving attitude, even in times of great sadness Learning to reinvest in life and find joy once again In this unique book, mourners will find meaning and wisdom in grieving - and renewed joy and completeness in their lives.

Using analytic skills honed to a sharp edge with years of psychotherapy experience, John Berezcz explores such contemporary issues as "Was Nixon a wife beater?" "Was Dubya smart enough to be president?" "Is Gore too uptight to lead the free world?" "Did the 2000 election boil down to a choice between personality and competence?" Skillfully, Berezcz explores the relationship between character and personality, helping the reader understand how a man with the moral integrity of Jimmy Carter could bungle the presidency and a man like Clinton, with so little character, could manage it so successfully. Drawing on three decades of teaching and therapy, Berezcz burrows beneath the surface of personality and character to reveal the real person working in the Oval Office. With penetrating insight and concise writing, the author acquaints the reader with the real people behind the pageantry of the presidency. This book clearly disentangles the contradictions of Bill Clinton's presidency by examining his split personality. Berezcz explains and clinically documents Clinton's dual personalities: a sociopathic personality (Slick Willy) and a codependent personality (Baptist Billy). Resulting from Clinton's two-world childhood, these

personalities are only loosely connected and operate serially to control his behavior. Like many adult children of alcoholics (ACA), Clinton seeks-by-turn-to please or to manipulate. Baptist Billy told voters "I feel your pain," and he did, but Slick Willy said he "didn't inhale," and didn't have sex with "that woman." Character in Chief is must reading for anyone interested in politics in general and the presidency in particular. With fairness and compassion Berezcz will lead you to a deeper understanding of our great democracy and the people who lead it.

Lonesome is a stray dog who has never known a family. He travels from place to place seeking food, shelter, and hoping one day to find a home. The story will lead him to a young boy seeking a friend. He is living with his mother and a great aunt. His father has died, and the boy, Willy, is lonely for a friend to play with. The story will take you on the adventures of Lonesome the dog and Willy the boy, who find each other just in time. This story teaches children the value of a friend, the happiness of a family, and the faithfulness of God. Lonesome is a story of how God can repair hearts, provide love, and teach all of us valuable lessons of life.

Sedona is well-known as a very spiritual place. It is also known as a congregation ground for crystal crunchers, self-proclaimed visionaries, and mystics. There are a few true healers here, but they shun the media and the publicity that others come here to seek. Two of them feel a shift in balance one evening and know something bad has come to this healing spot again. A father-and-son serial killer team was stopped in Sedona on the way north to Canada a few years ago. The two healers, with help from Sam the coydog, were instrumental in putting Willy and George behind bars. One of the killers has escaped and is planning revenge on those who put him away. This story is about what happens when this evil person, with the help of a fellow escapee, comes to Sedona with revenge on his mind.

Gives advice on adolescence, hormones, sex and sexuality for boys.

The Pulitzer Prize-winning tragedy of a salesman's deferred American dream A Penguin Classic Since it was first performed in 1949, Arthur Miller's Pulitzer Prize-winning drama about the tragic shortcomings of an American dreamer has been recognized as a milestone of the theater. Willy Loman, the protagonist of *Death of a Salesman*, has spent his life following the American way, living out his belief in salesmanship as a way to reinvent himself. But somehow the riches and respect he covets have eluded him. At age 63, he searches for the moment his life took a wrong turn, the moment of betrayal that undermined his relationship with his wife and destroyed his relationship with Biff, the son in whom he invested his faith. Willy lives in a fragile world of elaborate excuses and daydreams, conflating past and present in a desperate attempt to make sense of himself and of a world that once promised so much. This Penguin Classics edition features an introduction by Christopher W. E. Bigsby. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Strange & Prophetic Dreams of the Indian People. This is a touching story of a great grandmother instilling the Indian spirit in her great grandson. It gives guidelines for a glorious future: 'We have had enough now of talk. Let there be deeds.' In the words that follow we have written simply and wholly what we believe, believing that only God is the Knower. That men should love one another and understand one another is the great message of the visions of the Indian peoples told about in this book, nothing of selfishness nor vanity, nothing of narrowness nor pride. We write what we feel deep in our hearts, and the bulk of the book is the expression of this feeling. On the other hand, we wish to write about only what is reasonable and intelligent, so, in the appendix at the back of this book, we give what we consider reasonable and intelligent answers to why the study of prophetic dreams has value, how they fit patterns, and how it may be possible to understand them.

Award-winning author of *Don't Skip Out on Me* and *The Motel Life*, and *Lean on Pete*, Willy Vlautin demonstrates his extraordinary talent for confronting issues facing modern America, illuminated through the lives of three memorable characters who are looking for a way out of their financial, familial, and existential crises in *The Free*. While serving in Iraq, veteran Leroy Kervin suffered a traumatic brain injury. Frustrated by the simplest daily routines, and unable to form new memories, he eventually attempts suicide. Lying in a coma, he retreats deep inside the memories locked in his mind. Freddie McCall works two jobs and still can't make ends meet. He's lost his wife and kids, and the house is next. Medical bills have buried him in debt, a situation that propels him to consider a lucrative--and dangerous--proposition. Pauline Hawkins is a nurse at the local hospital. Though she attends to others' needs with practical yet firm kindness, including her mentally ill elderly father, she remains emotionally removed. But a new patient, a young runaway, touches something deep and unexpected inside her. The lives of these characters intersect as they look for meaning in desperate times. Heartbreaking and hopeful, *The Free* is a testament to the resiliency of the human heart. *The Free* also includes a P.S. Section (additional material in the back of the book) with interviews, insights, and more about the author. Vlautin is the founder of the alternative country band Richmond Fontaine and his debut novel, *The Motel Life*, has been made into a film starring Emile Hirsch, Stephen Dorff, Dakota Fanning, and Kris Kristofferson.

TRAPPED IN HER HOME ... Comms and IT expert, Kat Foster, has been afraid to go outside since her fiancé robbed her and bailed. Why can't she love a guy who cares enough to stick around? Heat (Book 4) Willy's Special (Book 5) Down and Dirty (short story) Spinoff: The Guardian

In *The Theoretics of Love*, Joe Taylor turns his fierce wit and storytelling talents to love, death and murder in the Bluegrass state. Fresh out of school, anthropologist Dr. Clarissa Circle finds herself thrust into a mysterious forensics investigation after exposing what was thought to be a Native American burial ground as a mass grave of not-so-recently murdered bodies. Is a cult behind the killings? Were these ritual murders? Hired as a consultant to the local police department, Circle spends half of her time dusting bones and the other half knocking boots with homicide detective Willy Cox and an aging hippie who goes by the name of Methuselah. A double suicide is discovered. And the plot thickens from there as other disturbing events unfold and people of questionable character surface and collide in this kaleidoscopic murder mystery/love story that is also madcap fun. Part Hunter S. Thompson, part Woody Allen, Joe Taylor's tilted realism and quirky humor combine in this fast-paced novel that gleefully exposes our human foibles and heart. In *The Theoretics of Love* the motives behind the ritual murders rocking Kentucky are obscure and difficult to identify. Intimacy and love, as it turns out, prove to be every bit as theoretical. Joe Taylor gives love and passion a workout in the Bluegrass state in this new novel, which may be his best. Charles McNair, award-winning author of *Pickett's Charge* and other novels, asks "Why isn't Joe Taylor famous? I laughed out loud three times in the first chapter of *Theoretics of Love*. A few chapters later, I felt my heart would break. There's nothing theoretical about Taylor's talent. You'll love this love story."

A collection of anecdotes that will stimulate the good memories of readers who lived in the 'Fifties' and for those readers who came along later will stimulate their curiosity.

Resets Hans Christian Andersen's tale, "The Ugly Duckling," in the Northern Piney Woods of Alaska, where a baby moose is raised by a family of ducks who try to teach him to waddle, quack, and fly but cannot see his true beauty.

A beautiful, stylish, young wife is admitted to hospital as clinically dead. Brilliant doctors, teams of nurses, social workers and religious workers work with skill and compassion to determine the cause and begin the awesome work of healing. Medical information is compiled, lists of doctors, units, programs, research teams, material on her career, achievements, pet projects, attitudes, goals. In this hospital is an extremely rich clan of generous people. She is first to admit that her most remarkable accomplishment is her team. The art of tyranny in the black knight, Grant Bates, is at its finest with hidden agendas, secret societies, deception that culminates in the murder of faith, hope and love. Strong support by the church community helps in understanding the spiritual dimension that is sometimes in conflict with the medical world. This is the story of one woman who survives death, overcomes all obstacles and finds pure love as a dynamic duo.

There is a powerful love between them and they are able to find a new balance. Grant Bates releases his tyrannical hold and the story draws to an intoxicating finish with "I did it. It is over."

Medical, educational and religious circles have been mesmerized by this story. Sensitivity to the plight of women is a universal issue whose time has come.

BEHAVIOR MODIFICATION: PRINCIPLES AND PROCEDURES, Sixth Edition, uses a precise, step-by-step, scientific approach to explain human behavior. Case studies and examples illustrate key principles. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Talk about unlucky sevens. An hour ago, seventeen-year-old, seven months pregnant Novalee Nation was heading for California with her boyfriend. Now she finds herself stranded at a Wal-Mart in Sequoyah, Oklahoma, with just \$7.77 in change. But Novalee is about to discover hidden treasures in this small Southwest town--a group of down-to-earth, deeply caring people willing to help a homeless, jobless girl living secretly in a Wal-Mart. From Bible-thumping blue-haired Sister Thelma Husband to eccentric librarian Forney Hull who loves Novalee more than she loves herself, they are about to take her--and you, too--on a moving, funny, and unforgettable journey to . . . Where the Heart Is.

The Ice Crystal Palace By Willy Paul The Ice Crystal Palace is a story about the most beautiful kingdom IN THE WHOLE WIDE WORLD! And this is why... You see, up around the North Pole, it is very, very cold outside all year long! So the people living there had to think of new ways to build things and have fun, too! The Ice Crystal Palace and all of the walls surrounding the kingdom were built out of sculpted ice. Some of the blocks were as big as a small house and some were as small as a grain of sand. But they all had a specific purpose - to reflect the sun's rays all around the kingdom. The citizens living there knew they only had a few hours of precious sunlight each day, so they wanted to make the very most of it. The sun's rays would stream into the kingdom and bounce off the sculpted ice back and forth, creating the most beautiful colors in the rainbow! This would last until the sun went down each day. And every night, the people would build a big fire in the middle of the town and, once again, watch the colors shoot through the air, reflecting off all of the ice crystals from building to building and wall to wall. It was a most beautiful sight to behold, and all of the children loved to chase the rainbows as they bounced around all over the square. The rainbow games were so much fun, and all of the children loved to play every night until it was time for everyone to go home, go to bed, say their prayers, and then fall fast asleep in their warm, soft beds. Everyone agreed the Ice Crystal Palace was by far the most beautiful kingdom anywhere IN THE WHOLE WIDE WORLD.

Alcoholism, major depression, debilitating shyness or extreme anxiety may all lead to personal failings and even moral wrongdoing that we can neither explain nor ignore. How are we to deal with these failings in our own pasts? How should we think about 'agency' or responsibility in other people who suffer from such difficulties? What does morality require of us in living with these people? In this original and eloquent work, Norman S. Care addresses these questions from both theoretical and personal perspectives, just as John Rawls's *A Theory of Justice* offered a set of principles by which the members of a society might reconcile themselves to their own and others' failings. Along the way, Care challenges the idea that individuals are masters of their own fate, discusses the 'persona moralism' that enables us to blame ourselves and others, and considers in a positive way the famous twelve-step Alcoholics Anonymous program, interesting because it acknowledges that 'recovery' may not occur for some alcoholics who attempt to follow it. *Living with One's Past* will be of interest not only to philosophers, psychologists, health-care and social service providers, but also to anyone whose life has been affected by his or her own or others' moral failings.

"I call this book *The Intent to Live* because great actors don't seem to be acting, they seem to be actually living." –Larry Moss, from the Introduction When Oscar-winning actors Helen Hunt and Hilary Swank accepted their Academy Awards, each credited Larry Moss's guidance as key to their career-making performances. There is a two-year waiting list for his advanced acting classes. But now everyone—professionals and amateurs alike—can discover Moss's passionate, in-depth teaching. Inviting you to join him in the classroom and onstage, Moss shares the techniques he has developed over thirty years to help actors set their emotions, imagination, and behavior on fire, showing how the hard work of preparation pays off in performances that are spontaneous, fresh, and authentic. From the foundations of script analysis to the nuances of physicalization and sensory work, here are the case studies, exercises, and insights that enable you to connect personally with a script, develop your character from the inside out, overcome fear and inhibition, and master the technical skills required for success in the theater, television, and movies. Far more than a handbook, *The Intent to Live* is the personal credo of a master teacher. Moss's respect for actors and love of the actor's craft enliven every page, together with examples from a wealth of plays and films, both current and classic, and vivid appreciations of

great performances. Whether you act for a living or simply want a deeper understanding of acting greatness, The Intent to Live will move, instruct, and inspire you.

"A straightforward fictional view of an urban soup kitchen, as observed by a boy visiting it with his `Uncle Willie,' who works there every day....The difficult lives of those fed (including children)--as well as the friendly, nonintrusive attitude of the kitchen workers toward them--are presented sensitively but without sentimentality.
