Praise: "Devin covers in depth an elusive side of witchcraft that few have explored in great practical detail...Devin presents the material in a very grounded, no-nonsense approach paired with an inherent sense of responsibility. His understanding of mediumship, conjuring, flying, and working with the spirit world displays the truth that he not only talks the talk, but also walks the walk."—Laura Tempest Zakroff, author of *Sigil Witchery* "The Witch's Book of Spirits is the most complete book on working with the dead ever written for Witches, but it's more than a manual for communicating with souls of the departed. It's also a guide to the worlds which generally lay just outside of our grasp and a thorough look at the beings that live there. I'd also like to add that it's just a damn fine book about witchcraft, filled with advice and some much-needed common sense."—Jason Mankey, author of *The Witch's Book of Shadows* "Teaching an art requires a delicate brew of guidance, cautions, and encouragement; Devin Hunter's book hits the right recipe. The Witch's Book of Spirits is a book that captures the author's personal vision and process while providing systems and frameworks that can serve the reader in developing their own way with the spirits."—Ivo Dominguez, Jr., author of *Practical Astrology for Witches and Pagans* "In this book Devin gives not just the rituals necessary to conjure

He uses a method of teaching that alternates between supplying theory and principals that can be applied by almost anyone, with very specific rituals that he has received from the spirits himself. The result is a text that you will return to over and over again whether you are working his rites or developing your own."—Jason Miller, author of *The Sorcerer's Secrets*
