New and experienced weavers alike are always on the lookout for new weave-structure patterns. The Weaver's Idea Book presents a wide variety of patterns for the simple rigid-heddle loom, accompanied by harness drafts for multishaft looms. The techniques include leno, Brooks bouquet, soumak, and embroidery on fabric. Each chapter contains weaving patterns along with swatches illustrating the techniques, accompanied by step-by-step photography. The book is arranged by structure or type of weave, from variations on plain weave to doubleweave. With traditional patterns from around the world, bands, and fabrics woven on two double heddles, The Weaver's Idea Book brings together a variety of ways to create exquisite cloth. Weaving tips and tricks help weavers at all levels achieve their textile dreams. In addition to pattern drafts, Jane offers project ideas that guide the reader through creating functional woven projects, from wearables to home decor. Weaving, especially on rigid-heddle looms, is enjoying a resurgence, and contemporary weavers are in need of a book to bridge the divide between basic books and complex text designed for advanced weavers with sophisticated tools. Celebrating the immense potential for creativity possible with the simplest of tools, The Weaver's Idea Book eBook opens new avenues for exploration on both the rigid-heddle and multishaft looms.

Rebecca is an alternative high school teacher who never planned to have children. Although she believes she has entered menopause, she becomes pregnant with her partner, Reuben. Besides the age-related dangers to herself and her baby, she fears being a bad parent because she grew up with an abusive father and neglectful mother. Her sister, Martha, a clean-freak housewife, has always judged Rebecca harshly for her footloose life, and considers Reuben as irresponsible as Rebecca. Much to Martha's further aggravation, Rebecca and her niece, Kate-Martha's adult daughter, have a close relationship, and now, a fateful turn of events causes the two families to become irreversibly entangled. In a supernatural twist, Rebecca discovers a realm that offers surprising insights and lighthearted healing. She learns how to transcend perceived boundaries and heal what previously felt hopeless. Rebecca's journey gives readers a fresh perspective on contemporary human struggles from a different vantage point. Cvareh returns home to his sky world of Nova with the genius crafter Arianna as his temperamental guest. The mercurial inventor possesses all the Xin family needs to turn the tides of a centuries-old power struggle, but the secrets she harbors must be earned with trust -- hard to come by for Ari, especially when it comes to Dragons. On Nova, Ari finds herself closer to exacting vengeance against the traitor who killed everything -- and everyone she once loved. But before Ari can complete her campaign of revenge, the Crimson Court exposes her shadowed past and reveals something even more dangerous sparking between her and Cvareh. While Nova is embroiled in blood sport and political games, the rebels on Loom prepare for an all-out assault on their Dragon oppressors. Florence unexpectedly finds herself at the forefront of change, as her unique blend of skills -- and quick-shooting accuracy -- makes her a force to be reckoned with. For the future of her world, she vows vengeance against the Dragons. Before the rebellion can rise, though, the Guilds must fall.

Here is an informative introduction to language: its origins in the past, its growth through history, and its present use for communication between peoples. It is at the same time a history of language, a guide to foreign tongues, and a method for learning them. It shows, through basic vocabularies, family resemblances of languages -- Teutonic, Romance, Greek -- helpful tricks of translation, key combinations of roots and phonetic patterns. It presents by common-sense methods the most helpful approach to the mastery of many languages; it condenses vocabulary to a minimum of essential words; it simplifies grammar in an entirely new way; and it teaches a language as it is actually used in everyday life.

Meet Lucy—twelve years old, missing her best friend, and just waiting for an adventure to come her way. When Lucy discovers a mysterious package at her front door, she's certain it's meant for her. Never mind to whom it's addressed. She unties the green string and tears open the simple brown paper to reveal a loom—a golden magic loom. The magic loom leads her to a dusty bookcase and through a secret passageway, into an enchanted world. This new world is filled with fantastic creatures, castles, and vast, colorful landscapes. Lucy quickly encounters several challenges that she can only overcome with the help of her loom. She'll need to build a bridge, distract a giant beast, fly above an entire forest, and rescue a girl trapped in a castle. Lucy will have to use her imagination and a lot of creativity to come up with solutions that will work. She must focus on her mission and never give up, even when things seem impossible. This story rewards kindness and generosity, and emphasizes the importance of friendship and helping others. And for any young reader who loves the Rainbow Loom, this is a story to get them excited about reading, too!

Discover a new adventure series with Rainbow Looms! Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

A "brilliant and terrifically fun"\* debut novel brings an enchanting new voice to fantasy. Onna can write the parameters of a spell faster than any of the young men in her village school. But despite her incredible abilities, she's denied a place at the nation's premier arcane academy. Undaunted, she sails to the bustling city-state of Hexos, hoping to find a place at a university where they don't think there's anything untoward about providing a woman with a magical education. But as soon as Onna arrives, she's drawn into the mysterious murder of four trolls. Tsira is a troll who never quite fit into her clan, despite being the leader's daughter. She decides to strike out on her own and look for work in a human city, but on her way she stumbles upon the body of a half-dead human soldier in the snow. As she slowly nurses him back to health, an unlikely bond forms between them, one that is tested when an unknown mage makes an attempt on Tsira's life. Soon, unbeknownst to each other, Onna and Tsira both begin devoting their considerable talents to finding out who is targeting trolls, before their homeland is torn apart. . . \*Kat Howard, Alex Award-winning author of *An Unkindness of Magicians*
