

Los Diez Mandamientos Del Matrimonio Ed Young

“CUIDADO, MATRIMONIO EN ZONA DE PELIGRO” Confronta y advierte en cuanto a los muchos peligros que están expuestas las parejas que se unen en santo matrimonio. El libro ofrece directriz, orientación, y exhorta, a la pareja, como a consejeros cristianos, a seguir el modelo bíblico al lidiar con las diferentes facetas matrimoniales. A su vez afirma que las parejas que más gozan de su unión conyugal, son aquellas que a través de una progresiva relación trilateral, entre ellos y Dios, llegan a desarrollar una fusión matrimonial, al aplicar los 5 factores del buen matrimonio: Asimilación, Comprensión, Comunión, Satisfacción y Contentamiento.

In words that are profound, often humorous, but always biblical, Ed Young draws from decades of counseling couples to provide ten commandments for a lifelong marriage that sizzles. God wants your marriage to be nothing short of incredible. And it could all begin with this amazing book.

A beloved relationship expert and marriage counselor offers his trademark practical wisdom on the many issues young married couples face, looking at such areas as communication, expectations, and the challenges of money management.

Aunque puede haber conocimiento de la Ley sin práctica, sin embargo, no puede haber práctica de la voluntad de Dios sin conocimiento. Y para que podamos estar informados de lo que debemos hacer o evitar, le ha placido al Soberano y Juez de toda la tierra prescribir para nosotros leyes para la regulación de nuestras acciones. Cuando de forma miserable desfiguramos la Ley de la naturaleza escrita originalmente en nuestros corazones, de tal manera que muchos de sus mandamientos ya no eran legibles, le pareció bien al Señor transcribir la Ley en las Escrituras, y en los Diez Mandamientos tenemos un resumen de la misma.

Being is greater than doing. We all come into the world with a certain emptiness in our lives—an emptiness that leads to a search for meaning. And the world tells us that search for meaning can be solved by doing. Unfortunately, an overemphasis on doing has led many people away from cultivating an interior life that allows them to sustain their exterior life. This explains the many failures we continuously see in day-to-day life. When a person's inner life—who he or she is—is not prepared, that person's character does not have the maturity or the strength to sustain them in the long run. In this book, Miguel Núñez points us to Scripture and experience to show us how being is more important than doing. He teaches us how to cultivate the foundations of our lives, so that we can be what we need to be, in order to do what we need to do.

Consecutive polygamy (as many husbands or wives as you like but only one at a time) is now an accepted norm in contemporary society. Hardly surprising, since the social, legal, moral and financial restraints holding marriages together for a lifetime have been steadily eroded in a relativist age where anything goes. What is surprising is that divorce and remarriage are becoming as common inside the church as outside, even among Christian leaders and especially in the Evangelical stream. Believers have been outspoken about such issues as abortion and homosexuality though their Lord Jesus said nothing about either. He did say quite a lot about the subject of this book but there is either a reluctance to take his teaching at face value or an eagerness to enlarge his ‘exception’ until it becomes the rule. This volume primarily appeals to those for whom the Bible is the final authority in all matters of belief and behaviour, especially those who preach to, teach and counsel others. The author believes that the church should be leading the world uphill rather than following the world downhill. David Pawson has a worldwide teaching ministry, particularly for church leaders. He is known to many through Christian broadcasting and is the author of numerous books.

Los Diez Mandamientos son la primera comunicación directa entre las personas y Dios. Están diseñados para elevar nuestras vidas por encima de una frenética y salvaje existencia hacia los niveles sublimes que la humanidad es capaz de experimentar, y constituyen el esquema de las expectativas que Dios tiene de nosotros y de Su plan para que vivamos una vida significativa, justa, cariñosa y santa. Cada uno de los Mandamientos afirma un principio, y cada principio es un punto moral central para asuntos de la vida real que se relacionan con Dios, la familia, el sexo, el trabajo, la caridad, la propiedad, la comunicación verbal y el pensamiento. En Los Diez Mandamientos, la Dra. Laura Schlessinger nos recuerda que le damos o quitamos el significado a nuestras vidas por medio de nuestras decisiones cotidianas, y nos explica cómo el mantenerse fiel a los ideales superiores y la moralidad consistente con los Mandamientos puede crear una vida de gran propósito, integridad, valor y felicidad duradera. Escrito en colaboración con el Rabino Stewart Vogel, Los Diez Mandamientos incorpora animadas discusiones de la Biblia y los valores judeocristianos que se derivan de esta. Lleno de pasión, emoción y profundos esclarecimientos, este libro lo conmoverá, iluminará, inspirará, entretendrá y lo educará sobre el significado que tiene cada uno de los Mandamientos en nuestro diario vivir.

El matrimonio sí importa examina la naturaleza del pacto, o acuerdo, al que accedemos el día de nuestra boda. Chaos arises when we seek to do things our way--the need to align ourselves according to biblical standards of marriage is evident. Let the practical and engaging Tony Evans lead you in knowing just how much...Marriage Matters.

The predominant message in our culture is that it's okay to have sex whenever, wherever, and however we want. Sex has become just sex. But while society has taken sex too far, the church hasn't taken it far enough. God wants couples to make love in marriage-with passion, with purpose, and with pleasure. Marriages aren't experiencing all the benefits that come from a healthy sex life. Couples are facing a barrage of influences that keep them from connecting with each other regularly-the kids, the career, the house, the errands, etc. SEXPERIMENT shows people that sex in marriage is more than just sex, and it's more than a chore. The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship. Couples ought to experience the benefits of having sex regularly, intentionally, and creatively. SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks!

"No penséis que he venido a anular la ley o los profetas; no he venido a anularlos, sino a darles cumplimiento". Estas palabras de Jesús resultan extrañas, incluso incompatibles con el evangelio de la gracia, a muchos cristianos que se sienten condicionados a recalcar nuestra libertad de la ley. Si Jesús no anuló la ley, entonces ¿qué opinión deberíamos tener hoy en día acerca de los Diez Mandamientos? Clowney explica cómo Jesús refuerza la ley y expande su alcance a cualquier situación de la vida. Sin embargo, va más allá y encuentra a Cristo en la ley y muestra cómo la cumple para su pueblo. De este modo, los creyentes aprenderán no solo del carácter de Dios revelado en la ley, sino también del evangelio centrado en Cristo. Este libro, dividido en once capítulos, con preguntas para la reflexión y aplicación, es un recurso perfecto para el estudio en grupo y el crecimiento individual.

The essays in Practicing Gnosis demonstrate that the Gnostics were not necessarily trendy intellectuals seeking epistemological certainties. Instead, this book explores how Gnostics were seeking religious experiences that relied on practices including ritual, magic, liturgy, and theurgy. This book celebrates the career of Birger A. Pearson.

En el evangelio de Mateo Jesucristo mismo subrayó el enorme valor de los Diez Mandamientos. De forma amena y diáfana el autor analiza cada mandamiento. En el proceso hace patente que solo amando a Dios y a nuestro prójimo -como lo pide el Señor- es que encontraremos la felicidad que todos anhelamos. A la vez, es por ese mismo proceso que aprendemos cómo vivir para agradar a nuestro maravilloso Creador. [In the gospel of Matthew, Jesus underlines the supreme importance of the Ten Commandments. In a clear and concise style, the author analyzes each of the commandments. In the process he makes it obvious that it is only by truly loving God and our neighbor, as God himself asks of us, that we will find the joy we all desire. At the same time, it is through this process that we will learn how to live to please our wonderful Creator.]

God tells us to love our enemies. But what about loving and honoring a husband who chooses to walk away from his family, setting up residence in a prison of addiction? Seldom is there a faith with the tenacity that the author displayed during her twenty-two years of praying, enduring tremendous trials and sorrow. "I will honor my vow, no matter what," were words spoken by this young bride, believing in the promise of new life and vows spoken. The "no matter what" took this family on such a seemingly discouraging journey that even Christian family and friends believed restoration was impossible. Joy learned to place her complete hope in Christ alone, believing that God's mercy and grace is sufficient to reach even the darkest and most hardened heart – including her own. A beautiful, transparent portrait of redemption as marriage is viewed as a living, breathing example of Christ and His bride. Readers will be encouraged and equipped to persevere through deep marital waters.
