Spiritual disciplines are often viewed primarily as a means to draw us closer to God. While these practices do deepen and enrich our "vertical" relationship with God, Kyle David Bennett argues that they were originally designed to positively impact our "horizontal" relationships--with neighbors, strangers, enemies, friends, family, animals, and even the earth. Bennett explains that this "horizontal" dimension has often been overlooked or forgotten in contemporary discussions of the spiritual disciplines. This book offers an alternative way of understanding the classic spiritual disciplines that makes them relevant, doable, and meaningful for everyday Christians. Bennett shows how the disciplines are remedial practices that correct the malformed ways we do everyday things, such as think, eat, talk, own, work, and rest. Through personal anecdotes, engagement with Scripture, and vivid cultural references, he invites us to practice the spiritual disciplines wholesale and shows how changing the way we do basic human activities can bring healing, renewal, and transformation to our day-to-day lives and the world around us.

The critically acclaimed show, *Californication*, is one of Showtime's highest rated programs. Averaging about two million viewers an episode, it is the most successfully rated freshman series in Showtime history. A Golden Globe nominee for Best Television Series (Comedy or Musical), *Californication* features an electric, likeable cast, led by actor David Duchovny, who won a Golden Globe for his performance playing Hank Moody. *God Hates Us All* is the novel written by Duchovny's character, Hank Moody, which in the show is turned into a Hollywood film entitled *A Crazy Little Thing Called Love*. Timed to coincide with the premiere of the Season 3 of the hit series, this will allow fans an extra, backstage look at the concept of the show not available through episodes.

It is 1953. The Korean War is ending. The Eisenhower era is beginning. Patti Page and Frankie Laine sit at the top of the charts. And aspiring cartoonist Michael Devlin, Brooklyn born and bred, is heading south to become a man. Pete Hamill's prose has always been praised for its energy and muscularity. But rarely, if ever, has he achieved the tough-and-tender lyricism and imagistic power of his sensual new novel, *Loving Women*. When Michael arrives at the U.S. Navy supply base in Pensacola, Florida, he is immediately plunged into a world he's never before encountered or imagined. Sensitive, street-smart, but wildly naive about the sadistic terrors of the service and the bigotry of the Deep South, he thrashes through a baptism of frustration and despair - until he meets Eden Santana. Eden is everything he's ever dreamed of: older, wiser, nonplussed by his ingenuous ways - the perfect instructor for a Catholic virgin in the art of lovemaking, in sexual pleasure, confidence and courage. Though their steamy passion is destined to dissipate, there is no way Michael can prepare himself for the circumstances under which his enigmatic lover disappears. Their heartbreaking parting becomes entwined with frightening secrets about each other, the South and the friends they make along the way. As compelling in narrative drive as it is utterly convincing in mood and tone, *Loving Women's* cinematic immediacy and haunting storytelling signify Pete Hamill writing at the top of his talent.

The second book in the *Time Travelers Series* The last thing Foster Bryant remembers was fighting in the Civil War and discovering his fiancée had followed him into battle and had been abducted. He awakens to discover that has been brought to future, to a hospital with a gunshot wound. Erica Richard is accidentally taken back to Civil War. She's caught in a mind-boggling adventure and soon discovers that she has no way of returning home. The story continues in sequels, *Time's Secret*, *Time over Time*, *Timeless Love* and *Keeper of My Heart*. Editors Note: Many characters in this book have accents and or different speech patterns. The author has attempted to illustrate this phonically. These are not spelling errors.

Detour charts the struggle of a film-crazed young man to shape his identity; it is also about his resistance to doing so at every turn. Owning an identity can mean being straitjacketed, condemned to a living death; language becomes both an escape from the straitjacket and its evilest genius. Detour is also a story of first love, as it concerns the intense, transient sexual relationship between the young man, who is very reluctant about to enter medical school in the Midwest, and a rootless former heroin addict named Anne. The hero of Detour experiences movies the way Don Quixote responds to the romances of chivalry—as being infinitely more real than anything else in the world. Hence the connections relentlessly made between his own often Bresson, Welles, Fellini, Ophüls, Sternberg, Sirk, Karlson and Godard. Camera movements, cuts, dissolves, tension between sound and image—these torment, fascinate, liberate and exalt, because they seem to lie just beyond the vampire clutch of words, thoughts, analysis. It is within such contexts that one begins to understand the “detours”—social, psychological, familial, erotic, existential—that frustrate and enrich the protagonist's quest for love, for connectedness, for the satisfactions of a calling. As well as the artistic detours that are crucial to depicting his complex, lacerated, maturation. It is by means of a technique that has truly absorbed the formal lessons of the novel and

through an extraordinary command of language—and of the many different languages inside language: colloquial, technical, abstract—that Brodsky makes this account of the growth of the self so unnervingly new and unpredictable. In sentence after sentence, he manages to discharge the shock of the unknown, the unspeakable, the never before said. *Detour* is a vastly expanded version of the novel that received the Ernest Hemingway Foundation Citation of the PEN American Center in 1979

Trevor Callahan's long estranged grandfather is dead. As a kid, living with the stern old man had been pure hell. Trev returns to Stone Creek for one reason and one reason only: To sell the Rocking C Ranch. Maybe then he can put his past behind him and move on. Beth Evans once confused lust for love and vows never to let it happen again. The bookmobile driver is trying to raise funds to build a new library. The late Hank Callahan bequeathed one million dollars for the project, but he attached one stipulation: Do not let his grandson sell the ranch. EXCERPT: He leaned across the desk. "You know, we haven't discussed the kiss the other night." She scooted the chair back. "There's nothing to discuss." He stood and slowly came around the desk, reached for her hand and pulled her to her feet. "I want to kiss you again." "That's probably not a good idea." Oh, lord. She was playing with fire and if she wasn't careful, she was going to get burned. Bad. "Probably not. I know you said we'd never kiss again. But don't you want to kiss me? Can't you feel the pull between us?" "Yes . . . No!" She jerked her hand free and started backing away. He followed, closing in on her until she bumped against the library table. "Just one kiss, Beth. One kiss can't hurt." Before she could react, before she could reply, Trevor wrapped his arms around her, covered her mouth with his and God help her, she was a goner. Drawn to this man of bravery and kindness who encourages her to pursue her passions, Gwen can finally envision the life she's always wanted. And with Gwen, Hank finds the strength to let go of his guilt, as he dares to hope for a future with her. But braving the town that turns against them isn't the only challenge they face. For Hank still harbors a dark secret, a shocking truth that may force him to lose Gwen forever . . .

Nationally syndicated columnist Rheta Grimsley Johnson's *Hank Hung the Moon* is more of a musical memoir than a biography: the author's evocative and personal stories of 1950s and '60s musical staples—elementary school rhythm bands, British Invasion rock concerts and tear-jerker movie musicals. It was a simpler time when Hank roamed the Earth; the book celebrates a world of 78 rpm records and 5-cent Cokes, with Hank providing the soundtrack and wisdom. A Cajun girl learns to understand English by listening to Hank on the radio. A Hank impersonator works by day at a prison but, by night, makes good use of his college degree in country music. Hank's lost daughter, Jett, devotes her life to embracing the father she never knew. Finally, stories you haven't heard a thousand times before about people who love Hank, some famous, most not. This lively little book uses Hank as metaphor for life. You'll tap your toe and

demand an encore.

"A compassionate yet clear-eyed" (Washington Post) portrait of country music's founding father and "Hillbilly King." Mark Ribowsky's Hank has been hailed as the "greatest biography yet" (Library Journal, starred review) of the beloved icon. Hank Williams, a frail, flawed man who had become country music's first real star, instantly morphed into its first tragic martyr when he died in the backseat of a Cadillac at the age of twenty-nine. Six decades later, Ribowsky traces the miraculous rise of this music legend?from the dirt roads of rural Alabama to the now-immortal stage of the Grand Ole Opry, and, finally, to a lonely end on New Year's Day in 1953. Examining Williams's chart-topping hits while also re-creating days and nights choked in booze and desperation, Hank uncovers the real man beneath the myths, reintroducing us to an American original whose legacy, like a good night at the honkytonk, promises to carry on and on.

Early one morning, during one of the most difficult times of her life, Crystal Lowery felt moved by the Holy Spirit to write a love letter to the Lord. As she penned that first letter, she felt her personal attention shift from sadness to complete focus on Jesus. Soon after, writing love letters to Jesus became a daily ritual that ultimately changed her life forever. Through this process Crystal's thoughts and actions were transformed. Throughout each day she sought ways to love Jesus more deeply and give herself to Him more fully. This 90-day guide is an opportunity to rekindle love for the One who satisfies your every need. Discover fresh new ways to express your devotion to the love of your life--Jesus! A fresh, updated, and expanded edition of the book that changed the way we think about romance and intimacy. Many of us confuse longing and obsession with true love. Through two previous editions, *Is It Love or Is It Addiction?* has helped countless people find their way from the trials and confusion of addictive love to the fulfillment of whole and healthy relationships. As the author reveals, we can begin to work through relationship difficulties with compassion and lasting effect by increasing our awareness of the ways that we express love. In this expanded third edition, Brenda Schaeffer draws on years of feedback and new developments to foster an understanding of love addiction: what it is and what it is not, how to identify it, and, even more important, how to break free of it. Stories of real people struggling to develop sound relationships illustrate the characteristics of healthy love and help readers to free themselves to find real intimacy. Included is the most up-to-date information about the biological basis of addictive behaviors and the impact of technology on intimate relationships. The author also explores the influence of past abuse and trauma on the predisposition to love addiction.

eA moving story, told in Ken Blanchard's appealing parable style, of how a local church can be either a blessing or a curse to their community. In this newly revised version, *Lead like Jesus for Churches* (formerly *The Most Loving Place in Town*) is the story of two men; a disillusioned church elder and a gifted young pastor, who recognize that their church has lost sight of its number one priority:
