A bear shifter with the heart of a hero Dimitri Medved used to live in the shadows of New York high society. But his ruthless, unscrupulous parents poisoned everything they ever touched before they were caught and sent to prison. Trying to escape his past, Dimitri left New York City and started a new life in a small close-knit shifter community far from the glitter and corruption of the big city. When Dimitri headed west to the wilds of Bearpaw Ridge, he traded his Armani business suit for the helmet and ax of a volunteer firefighter. After his first rescue, this protective, alpha bear shifter knew he'd found his true calling, and his true home. All he lacks now is his mate. When he stops to help a woman stranded with her young daughter on the outskirts of town, he's struck hard by Cupid's arrow. It's not just the woman's fragile beauty, her lush curves or her delicate scent. His bear recognizes that Damaris is their fated mate. Add in her sweet, lively daughter, and Dimitri thinks he may have finally found the family he's craved ever since he can remember. Dimitri's restless bear hungers to claim his mate. But his instincts tell him that Damaris has secrets...secrets that now threaten her and her daughter. He needs to protect them both, but can he convince her to trust him before it's too late? Damaris Markidis hides desperate secrets Damaris works for New York City crime boss Tony "the Fixer" Rizzo. She lives in a world of shadows, vengeance and danger. The work she was forced to take is the job she can never leave. No one suspects that the poised and perfectly polished Damaris is a lethal assassin. Tony's hired gun. She possesses a special skill set. Her hits look like accidents even to the jaded, cynical cops of The Big Apple. Tony ruthlessly exploits the fact that single mom Damaris can't refuse his orders. Not if she wants to survive and keep her young daughter safe. So far, Damaris's hits have all been vicious predators. She's never taken down an innocent person. All that's about to change when she's tasked with a hit on Dimitri Medved, son of the notorious Medved banking family. She's shocked to find herself falling for him at their first meeting. Hunky, kind, and protective, he's the man she's dreamed of. The man who could be the perfect husband and a tender father to her daughter. But with her past, she's sure she doesn't deserve a man like Dimitri. And Tony's not about to let go of his best, secret weapon...

In a world ruled by fickle Goddesses, these Bear Shifter Bikers pursue their Fated Mates. The MC Bear Mates Vol 1 Box Set is here! Contains the following novels: MARS: Mars Donner is tall, dangerous and brutally loyal. His golden eyes melt panties and make men get out of his way. He'd done his fair share of dirt, and even put a few people in the dirt, but he had lines he wouldn't cross. As long as he had his MC, his cut and his hog, he thought he could get through anything. Then he met his Fated Mate, and he knew there was no line he wouldn't cross for her. Annette Vogel is an investigative journalist and no stranger to chasing a story. Freshly back from Afghanistan, her therapist tells her that she needs to take it easy, that working through PTSD is a process. But Adrenaline junkies don't take it easy, and when she gets wind of a human trafficking circle she has to go after the story. But crossing those kinds of people can have deadly consequences, especially when the story starts chasing her. MUNDO: Jimmy "Mundo" Aston always found himself deep in the sh*t. Whether it was going at it with rival bikers or cops, he never let his opponent get the better of him. This attitude was why he found himself in jail, eager to get out and back with his Club. Three hots and a cot weren't bad, and at over six feet tall he knew no one would try any funny business. So really it was just getting through the boredom, until he met her. Christie Lockheart didn't believe in love. She didn't believe in chances. She'd lost loves to chance and thought they could go to hell for all she cared. Just as they try to put together a normal life, the evil stalking the Nomads MC strikes again! KIKO: Kiko had thought he'd seen everything, but when the parade of young ladies came streaming out of the shipping container, their hair stuck to their scalps and reeking of God-knows-what, he felt sick to his stomach. He knew it was stupid to draw the line here after years of using violence and force like most people use language. But the line was drawn, and he knew he wouldn't cross this one. Now these women were under the protection of The Nomads, and the Ukrainian Mob would be in for a very bloody fight if they thought they could force these women to do anything. And there was one who was something special... USA Today Bestselling Author Becca Fanning brings you a Shifter Romance novel box set packed full of action, intrigue and steam! Carrie Dalton needed this job. She needed this job bad. But even she couldn't kid herself: she stuck out like a sore thumb in this biker bar, full of men who had more warrants than kind words. Right as she thought she was getting the hang of things, she went tail over teakettle with a full tray of beers. Thankfully she was caught by the best looking six and a half foot mistake she'd ever seen. Nothing wrong with a little fun, right? Not like it could last. And those golden eyes... Brian Cross didn't come to the bar tonight for distractions. He just wanted to handle some Iron Fur Clan business and maybe drink away a little sorrow. Then the new waitress almost killed herself on her first night on the job. Brian always had a soft spot for the underdog, and for her to come into this den of bears showed some backbone. It didn't hurt that his eyes were constantly drawn to her thick hips and ample curves. Before they can get to really know each other, a rival motorcycle club threatens their relationship and their very lives.
