The prize-winning author of *The Dark Flood Rises* offers an "absorbing" portrait of three generations of women—inspired by her own family (*The New York Times Book Review*). In the early 1900s, young Bessie Bawtry grows up in a mining town in South Yorkshire, England. Unusually gifted, she longs to escape a life burdened by unquestioned tradition. She studies patiently, dreaming of the day when she will take the entrance exam for Cambridge and leave her narrow world. A generation later, Bessie's daughter Chrissie feels a similar impulse to expand her horizons, which she in turn passes on to her own daughter. Nearly a century after that, Bessie's granddaughter finds herself listening to a lecture on genetics and biological determinism. She has returned to Breaseborough and wonders at the families who remained in the humble little town where Bessie grew up. Confronted with what would have been her life had her grandmother stayed, she finds herself faced with difficult questions. Is she really so different from the plain South Yorkshire locals? As she soon learns, the past has a way of reasserting itself—not unlike the peppered moth that was once thought to be nearing extinction but is now enjoying a sudden and unexplained resurgence. With *The Peppered Moth*, the acclaimed author of *The Seven Sisters* conjures a captivating work of semi-fiction, grappling with her memory of her own mother and the indelible mark of family and heredity.

Pook Press celebrates the great Golden Age of Illustration in children's literature. Many of the earliest children's books, particularly those dating back to the 1850s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in affordable, high quality, colour editions, using the original text and artwork so these works can delight another generation of children.

Sixty years after Dorothy L. Sayers began her unfinished Lord Peter Wimsey novel, *Thrones Dominations*, Booker Prize finalist Jill Paton Walsh took on the challenge of completing the manuscript---with extraordinary success. "The transition is seamless," said the *San Francisco Chronicle*; "you cannot tell where Sayers leaves off and Walsh begins." "Will Paton Walsh do it again?" wondered Ruth Rendell in *London's Sunday Times*. "We must hope so." Jill Paton Walsh fulfills those hopes in *A Presumption of Death*. Although Sayers never began another Wimsey novel, she did leave clues. Drawing on "The Wimsey Papers," in which Sayers showed various members of the family coping with wartime conditions, Walsh has devised an irresistible story set in 1940, at the start of the Blitz in London. Lord Peter is abroad on secret business for the Foreign Office, while Harriet Vane, now Lady Peter Wimsey, has taken their children to safety in the country. But war has followed them there---glamorous RAF pilots and even more glamorous land-girls scandalize the villagers, and the blackout makes the nighttime lanes as sinister as the back alleys of London. Daily life reminds them of the war so constantly that, when the village's first air-raid practice ends with a real body on the ground, it's almost a shock to hear the doctor declare that it was not enemy action, but plain, old-fashioned murder. Or was it? At the request of the overstretched local police, Harriet reluctantly agrees to investigate. The mystery that unfolds is every bit as literate, ingenious, and compelling as the best of original Lord Peter Wimsey novels.

Lewis Carroll's Alice has been enchanting children for 150 years. Curious Alice, the bossy White Rabbit, the formidable Queen of Hearts and the Mad Hatter are among the best-loved, most iconic literary creations of all time. Mabel Lucie Attwell's gentle illustrations and distinctive style have been the nursery staple of generations of children. Her illustrated edition of *Alice's Adventures in Wonderland* was first published in 1911. As the original Alice publishers, Macmillan are proud to return Mabel Lucie Attwell's *Alice in Wonderland* to print in a beautiful hardback gift edition, featuring original full colour plates and line artwork.

A daily almanac that presents a selection of art historical events for every day of the year, from momentous and headline-grabbing to intimate, amusing, and illuminating. Taking a novel approach to the history of art, *Art Day by Day* aims to change the pace at which the story is told. Presenting snapshots of the most exciting, unusual, and noteworthy art events from around the world and throughout history through direct testimonies, eyewitness accounts, and contemporary chroniclers, this volume is a unique look at the past. Drawing on articles, diaries, interviews, letters, speeches, transcripts, and more, *Art Day by Day* offers an important event that happened on that day in the history of art. Here are the stories of famous paintings, ancient sculptures, comic strips, photographs, murals, manifestos, and marriages, from terracotta soldiers to a self-shredding Banksy. Each day has its own section, starting with an extended quote giving artists, critics, and commentators their voice to speak directly to us, followed by a brief explanatory text, and ending with other important events in art on that day such as births, deaths, and exhibition openings. Not every entry is momentous, but each one is significant. Yes, there are thefts, murders, artistic mishaps, and eureka moments, but there are also episodes such as President Theodore Roosevelt's doodles, Michelangelo writing to his nephew about his kidney stones, and Monet getting the green light for his water garden. Every day has a story to tell. An informative overview of culture throughout the ages, *Art Day by Day* is as enlightening as it is entertaining: the perfect

armchair companion and reference for art lovers everywhere.

'During the Second World War, I worked in an empty building by the Thames. It had been used by the Thames Conservancy Board. When war came, they moved out and I was moved in. I stayed there for most of the war. I never went down to an air raid shelter. I was too busy trying to make people laugh about wartime bread and sausages, instead of crying about them.' Mabel Lucie Attwell Mabel Lucie Attwell was one of Britain's best-loved artists with her work touching generations, from those who grew up with her classic characters, Bunty and the Boo-Boos, to those who have read Charles Kingsley's *The Water Babies*, which she famously illustrated. Her art has found its way into homes across the world through figurines, bathroom plaques and gift cards featuring her charming designs. Yet, many of her most poignant and humorous illustrations were created to cheer a world at war. She painted prolifically throughout the First and Second World Wars, with postcards featuring her child-like characters and tongue-in-cheek captions that were typical of her saucy sense of humour. Despite suffering loss and hardship herself during the wars she continued to encourage people to 'smile through the tears'. This book which brings a collection of her wartime postcards together exclusively for the first time, pays tribute to the indomitable spirit of this incredible woman and to her art that cannot fail to raise a smile today for young and old alike.
