Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. 0205983308 / 9780205983308 Society: The Basics PLUS NEW MySocLab with Pearson eText -- Access Card Package Package consists of: 0205206530 / 9780205206537 NEW MySocLab with Pearson eText -- Valuepack Access Card 0205982514 / 9780205982516 Society: The Basics

Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface. The images in this textbook are grayscale. Authors include: Heather Griffiths, Nathan Keirns, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Tommy Sadler, Sally Vyain, Jeff Bry, Faye Jones

Frames social problems and solutions through politics Macionis's book is the only social problems text that explains how society frames social problems and solutions through politics. The text analyzes social issues and policies, using the concepts of sociological theory and the everyday language of politics. It also helps students understand the attitudes and values that define the political spectrum in the United States. Once students know how social problems are defined by our society through politics, and how the policies to solve these problems are developed, they can become involved in solving social problems through activism and political involvement. The Census Update program incorporates 2010 Census data into a course—simply and easily. The components of the Census Update Program include an updated census edition with all charts and graphs—to reflect the results of the 2010 Census. In addition, A Short Introduction to the U.S. Census is available and an updated MySocLab. Teaching & Learning Experience Personalize Learning – MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking – Chapter organization follows a logical framework that traces a problem from its origin to solution. Engage Students – International, national, and personal examples help students understand issues better. Explore Theory – Major sociological theories and how they explain each social problem are discussed. Understand Diversity – Features help students think globally about defining a solution to social problems. Support Instructors – The only Social Problems text with an annotated instructor's edition. Also, author-written test bank provides the best support for instructors. Note: MySocLab does not come automatically packaged with this text. To purchase MySocLab, please visit: [www.mysoclab.com](http://www.mysoclab.com) or you can purchase a ValuePack of the text + MySocLab (at no additional cost). ValuePack ISBN-10: 0205172318 / ValuePack ISBN-13: 9780205172313

For courses in Social Problems Frame social problems, and identify solutions, through the lens of politics Revel(TM) Social Problems focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from liberal, radical-left, conservative, and libertarian points of view, author John Macionis encourages students to develop their own positions, and helps them attain the knowledge they need to engage in solving social problems through activism and political discussion. In addition to coverage of contemporary topics and updated data, the 8th Edition offers a new chapter focused on social media and a revised chapter on sexuality that better explores how sexuality is linked to social stratification. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: This Revel Combo Access pack includes a Revel access code plus a loose-leaf print reference (delivered by mail) to complement your Revel experience. In addition to this access code, you will need a course invite link, provided by your instructor, to register for and use Revel.

For courses in Introductory Sociology Change the way your students see the world In Revel(TM) Sociology , author John Macionis empowers your students to change the way they view the world by showing them how to see sociology in everyday life. Macionis takes an enlightening and practical approach to the traditional three-perspectives approach, guiding students step by step through the theories and research that make up the discipline. By challenging the way they think about both their own lives and society as a whole, Macionis helps students achieve a better understanding of the world we all share. The 17th Edition offers a new chapter dedicated to the history, evolution, and impact of social media plus engaging new features such as the Pearson Originals docuseries and Current Event Bulletins. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: Revel is a fully digital delivery of Pearson content. This ISBN is for the standalone Revel access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.

### Social Problems

For one-quarter/term Introductory Sociology courses. Society: The Basics, Sixth Edition, offers a complete multimedia learning program in sociology including a carefully coordinated package that includes the textbook, a free interactive CD-ROM in every copy, and an innovative Companion Website. As in the past, it features a balanced theoretical foundation: structural-functional, symbolic-interaction, and social-conflict analysis is supplemented by cultural ecology, social exchange theory, and sociobiology. In addition, the three main themes that make up the core of the book remain: Social Diversity within the United States; a Global Perspective; and an emphasis on Critical Thinking. \*NEW - A new chapter on Sexuality - Highlights the socially-constructed character of human sexuality, exploring the myths and realities surrounding sexual orientation, and then looks at sexual controversies including teen pregnancy, pornography, prostitution, and sexual violence. \*NEW - A new combined chapter - Population, Urbanization, and Environment, provides an integrated discussion of three closely related issues. \*NEW - Website listings - Each chapter concludes with a Sites to See section that l

This complete guide helps students review and reflect on the material presented in Macionis' text. Each of the 24 chapters in the study guide provides an overview of the corresponding chapter in the student text, summarizes its major topics and concepts, offers applied exercises, and features end-of-the-chapter tests with solutions.

Never HIGHLIGHT a Book Again! Includes all testable terms, concepts, persons, places, and events. Cram101 Just the FACTS101 studyguides gives all of the outlines, highlights, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Frame social problems, and identify solutions, through the lens of politics. Always controversial, and ever more polarizing in today's political climate, social problems take up a huge chunk of our cultural bandwidth. Rather than simply presenting social problems as a series of facts, the sixth edition of Social Problems focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from liberal, radical-left, conservative, and libertarian points of view, author John Macionis explains why people disagree about what the problems are, and how one person's "problem" may well be another's "solution." Once you understand how social problems are defined politically, you'll be able to develop your own positions, and you'll have the knowledge you need to engage in solving social problems through activism and political discussion

This guide includes Chapter Objectives and Chapter Overview; Practice Tests; Applications, Exercises, and Activities; and a Crossword Puzzle to help students master the core concepts presented in each chapter.

Updated with recent issues such as the national debate on health care reform, this Second Edition of How Can We Solve Our Social Problems? gives students a sense of hope by demonstrating specific, realistic steps we can take to solve some of the most pervasive social problems in America today. Author James Crone maintains a sense of sociological objectivity throughout and helps students realize that we can take steps to solve such key social problems as poverty, racial and ethnic inequality, unequal education, and environmental issues. The book's first two chapters define "social problem," provide a theoretical background, discuss the daunting barriers we face in attempting to solve social problems, and demonstrate how sociology can help.

The classic work that redefined the sociology of knowledge and has inspired a generation of philosophers and thinkers In this seminal book, Peter L. Berger and Thomas

Luckmann examine how knowledge forms and how it is preserved and altered within a society. Unlike earlier theorists and philosophers, Berger and Luckmann go beyond intellectual history and focus on commonsense, everyday knowledge—the proverbs, morals, values, and beliefs shared among ordinary people. When first published in 1966, this systematic, theoretical treatise introduced the term social construction, effectively creating a new thought and transforming Western philosophy.

For courses in Introductory Sociology Change the way your students see the world In Revel(TM) Society: The Basics , author John Macionis empowers your students to change the way they view the world by showing them how to see sociology in everyday life. Throughout this brief text, Macionis takes an enlightening and practical approach to the traditional three-perspectives approach, guiding students step by step through the theories and research that make up the discipline. By challenging the way they think about both their own lives and society as a whole, Macionis helps students achieve a better understanding of the world we all share. Available for Fall 2020 classes, the Digital Update offers fresh interactives and Current Event Bulletins and updated data throughout. Macionis's Social Problems is the only social problems text that explains how society frames social problems and solutions through politics. The text analyzes social issues and policies, using the concepts of sociological theory and the everyday language of politics. & This text helps students understand the attitudes and values that define the political spectrum in the United States. Once students know how social problems are defined by our society through politics, and how the policies to solve these problems are developed, students are able to & become involved in solving social problems through activism and political involvement.

Social Problems in a Diverse Society provides students and instructors with a text that covers all the major social concerns we must deal with today. It focuses on the significance of racialization and ethnicity, age, sexual orientation, class, ability, and gender in understanding social problems in Canada and around the globe. Throughout the text, people--especially those from marginalized groups--are shown not merely as "victims" of social problems, but also as individual actors with agency who resist discrimination and inequality and seek to bring about change in families, schools, workplaces, and the larger society.

A. Javier Treviño, working with a panel of experts, thoroughly examines all aspects of social problems, providing a contemporary and authoritative introduction to the field. Each chapter is written by a specialist on that particular topic and the unique, contributed format ensures that the research and examples provided are the most current and relevant available. The text is framed around three major themes: intersectionality (the interplay of race, ethnicity, class, and gender), the global scope of many problems, and how researchers take an evidence-based approach to studying problems.

For courses in Social Problems. Macionis's Social Problems is the only social problems text that explains how society frames social problems and solutions through politics. The text analyzes social issues and policies, using the concepts of sociological theory and the everyday language of politics. This text helps students understand the attitudes and values that define the political spectrum in the United States. Once students know how social problems are defined by our society through politics, and how the policies to solve these problems are developed, students are able to become involved in solving social problems through activism and political involvement.

Rather than simply presenting social problems as a series of facts, REVEL for Social Problems, Sixth Edition focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from various points of view, author John Macionis explains why people disagree about what the problems are, and how one person's "problem" may well be another's "solution." Once students understand how social problems are defined politically, they will have the knowledge they need to engage in solving social problems through activism and political discussion. REVEL(tm) is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL offers an immersive learning experience designed for the way today's students read, think, and learn. Enlivening course content with media interactives and assessments, REVEL empowers educators to increase engagement with the course, and to better connect with students. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. This Unique Text Mainstreams Global Contents Helping Students See How Sociological Forces Are At The Same Time Both Very Similar And Very Different Throughout The World, Offering Students The Opportunity To Learn About Themselves And Gain A Greater Understanding Of The World In Which We Live. The Text Blends Classic Sociological Statements With The Latest Research From Leading Publications In The Field And The Most Recent Statistical Data Available And Is Also Updated To Include Coverage Of Significant Sociological Events, Such As The

War On Terrorism And The Iraq War.

Placing an emphasis on global perspectives and current research, this wide praised and adopted sociology textbook introduces the reader to the field of sociology. John Macionis, like many people, took a college course that shaped his life. His first sociology course helped him make sense of the world. John shares his enthusiasm, excitement, and teaching experience through a clear and engaging writing style and emphasis on sociology's relevance to everyday life.

"A comprehensive introduction to urban sociology" ""Cities and Urban Life," written by two of the best-known authors in the field, provides a comprehensive introduction to urban sociology, urban anthropology and urban studies. The focus of the text is sociological, but it also incorporates research and theory from other disciplines.
