LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

A masterpiece of reporting on the Supreme Court's most divisive case, *Roe v. Wade*, and the unknown lives at its heart. Despite her famous pseudonym, no one knows the truth about "Jane Roe," Norma McCorvey (1947–2017), whose unwanted pregnancy in 1970 opened a great fracture in American life. Journalist Joshua Prager spent years with Norma, discovered her personal papers, a previously unseen trove, and witnessed her final moments. With an explosive revelation at the core of the case, he tells her full story for the first time. Prager also traces Roe's fifty-year trajectory through three compelling figures: feminist lawyer Linda Coffee, who filed the original Texas lawsuit yet now lives in obscurity; Curtis Boyd, a former fundamentalist Christian, today a leading provider of third-trimester abortions; and Mildred Jefferson, the first Black female Harvard Medical School graduate, who became a pro-life leader with great secrets. Essential to our understanding of this key debate, the right to choose or the right to life, *The Family Roe* will change the way you think about our enduring American divide.

Models of Democracy provides a critical reassessment of major theories of democracy from

ancient Greece to the present, along with the author's own prescription for revitalizing contemporary democratic politics.

The parks that surround England's Windsor Castle were established in the Middle Ages for the protection of the royal deer. With the assistance of documents in the Public Record Office and the Royal Archives, and works of art in the Royal Collection, Jane Roberts has created an extensive and beautifully illustrated history of this royal acreage. 200 color & 300 b&w illustrations.

Heartbreaking, hilarious, and brutally honest, *Going There* is the deeply personal life story of a girl next door turned household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, "Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is." Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about

adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest “get”—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric’s position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her “welcome” was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding

her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn't happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

As a creative force, student of the human heart and soul, and champion of living the life you want, Oprah Winfrey stands alone. Over the years, she has made history with a legendary talk show - the highest-rated program of its kind, launched her own television network, become the nation's only African-American billionaire, and been awarded both an honorary degree by Harvard University and the Presidential Medal of Freedom. From all her experiences, she has gleaned life lessons—which, for fourteen years, she's shared in *O, The Oprah Magazine's* widely popular "What I Know For Sure" column, a monthly source of inspiration and revelation. Now, for the first time, these thoughtful gems have been revised, updated, and collected in *What I Know For Sure*, a beautiful cloth bound book with a ribbon marker, packed with insight and revelation from Oprah Winfrey. Organized by theme—joy, resilience, connection, gratitude, possibility, awe, clarity, and power—these essays offer a rare, powerful and intimate glimpse into the heart and mind of one of the world's most extraordinary women—while providing readers a guide to becoming their best selves. Candid, moving, exhilarating, uplifting, and

frequently humorous, the words Oprah shares in What I Know For Sure shimmer with the sort of truth that readers will turn to again and again.

The application of causal inference methods is growing exponentially in fields that deal with observational data. Written by pioneers in the field, this practical book presents an authoritative yet accessible overview of the methods and applications of causal inference. With a wide range of detailed, worked examples using real epidemiologic data as well as software for replicating the analyses, the text provides a thorough introduction to the basics of the theory for non-time-varying treatments and the generalization to complex longitudinal data.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc.).

From the end of the slave era to the culmination of the Civil Rights movement, advertising portrayed blacks as Aunt Jemimas, Uncle Bens, and Rastuses, and the author explores the psychological impact of these portrayals. With the advent of the

Civil Rights movement, organizations such as CORE and the NAACP voiced their opposition and became active in the elimination of such advertising. In the final chapters, the volume examines the reactions of consumers to integrated advertising and the current role of blacks in advertising.

Provides an assessment of the American artist's work

"An impressive combination of diligence and verve, deploying Ackerman's deep stores of knowledge as a national security journalist to full effect. The result is a narrative of the last 20 years that is upsetting, discerning and brilliantly argued." —The New York Times "One of the most illuminating books to come out of the Trump era." —New York Magazine An examination of the profound impact that the War on Terror had in pushing American politics and society in an authoritarian direction For an entire generation, at home and abroad, the United States has waged an endless conflict known as the War on Terror. In addition to multiple ground wars, it has pioneered drone strikes and industrial-scale digital surveillance, as well as detaining people indefinitely and torturing them. These conflicts have yielded neither peace nor victory, but they have transformed America. What began as the persecution of Muslims and immigrants has become a normalized, paranoid feature of American politics and security, expanding the possibilities for applying similar or worse measures against other targets at home. A politically divided country turned the War on Terror into a cultural and then tribal struggle, first on the ideological fringes and ultimately expanding to conquer the

Republican Party, often with the timid acquiescence of the Democratic Party. Today's nativist resurgence walked through a door opened by the 9/11 era. Reign of Terror will show how these policies created a foundation for American authoritarianism and, though it is not a book about Donald Trump, it will provide a critical explanation of his rise to power and the sources of his political strength. It will show that Barack Obama squandered an opportunity to dismantle the War on Terror after killing Osama bin Laden. That mistake turns out to have been portentous. By the end of his tenure, the war metastasized into a broader and bitter culture struggle in search of a demagogue like Trump to lead it. A union of journalism and intellectual history, Reign of Terror will be a pathbreaking and definitive book with the power to transform how America understands its national security policies and their catastrophic impact on its civic life.
