Words can work wonders – and disasters. Words will work wonders if we are speaking with both heart and mind. With heart I mean a deep feeling of connection with everything and everyone and with mind a clear view of our strengths and weaknesses and of the differences between us and – the ability to recognize its own limits. Then our rational mind wisely surrenders the upper hand in our life to our heart, which, somehow, "knows" that it is connected. Key words: talking with heart and mind, communication, connection, truth and lies, honesty, promises, forgiving, conflicts, poems, words of truth, courtesy etc

Her Royal Highness, the Princess of Wales, was just an ordinary young woman when she was selected to be the prince's bride and future queen. Her wedding was a world-wide sensation. But she was deceived and betrayed before the honeymoon was over. Five months after a fairy-tale wedding, pregnant with the heir to the throne, she threw herself down a flight of stairs. Suicide attempts, illicit affairs, and paranoid beliefs that there were plots by the royals to kill her became the norm as the fairy tale turned into a horror story. After suffering degradation and humiliation at the hands of her husband, the princess take the ultimate revenge. Afraid that her own attorney's may be lying to her, the princess reaches across the Atlantic and hires Marlowe James, a woman who doesn't put a price on loyalty. Marlowe has been dubbed the "burningbed lawyer" by the news media because of her successful defence of women who kill their abusive husbands. In defending the princess, Marlowe not only has to do battle in the Old Bailey with barristers loyal to the Crown, she has to come to grips with her own feelings about a woman who was handed everything any women would desire. The explosive tale that will be exposed in the courtroom is one of jealous rage and unfulfilled desires of sexual deceit by one of the most powerful men on earth, and of bloody revenge enacted by a woman scorned.

Sally Bennett has been a composer, musician, playwright, model, actress, poet, radio & TV personality. In this book the author has put together a spectacular account of the highlights of her life & career.

During the late 1950s and early 1960s, after the shock of Elvis Presley and before the Beatles spearheaded the British Invasion, fourteen gifted young songwriters huddled in midtown Manhattan's legendary Brill Building and a warren of offices a bit farther uptown and composed some of the most beguiling and enduring entries in the Great American Songbook. Always Magic in the Air is the first thorough history of these renowned songwriters-tunesmiths who melded black, white, and Latino sounds,

integrated audiences before America desegregated its schools, and brought a new social consciousness to pop music.

John Osborne, the original Angry Young Man, shocked and transformed British theater in the 1950s with his play *Look Back in Anger*. This startling biography—the first to draw on the secret notebooks in which he recorded his anguish and depression—reveals the notorious rebel in all his heartrending complexity. Through a working-class childhood and five marriages, Osborne led a tumultuous life. An impossible father, he threw his teenage daughter out of the house and never spoke to her again. His last written words were "I have sinned." Theater critic John Heilpern's detailed portrait, including interviews with Osborne's daughter, scores of friends and enemies, and his alleged male lover, shows us a contradictory genius—an ogre with charm, a radical who hated change, and above all, a defiant individualist.

The Willowbrook Ballroom was originally built as an outdoor dance pavilion named Oh Henry Park by Austrian immigrant John Verderbar. Wildly successful, it was enlarged and fully enclosed in 1923, and a 10¢-a-dance policy was implemented. Destroyed by fire in 1930, a determined Verderbar hired a crew of 200 carpenters, and a new facility was built to the tune of a then-staggering \$100,000. In 1959, it was renamed the

Willowbrook Ballroom, and dancers have since enjoyed the big band sounds of Count Basie, Teddy Lee, Harry James, and Big Bad Voodoo Daddy. As record crowds flocked to the 6,000-square-foot dance floor, the Willowbrook also became a favorite setting for weddings, proms, and other once-in-a-lifetime events. Today, at the height of its popularity, the Willowbrook is one of only five ballrooms of its magnitude in the United States and the only one remaining in the greater Chicagoland area.

On a very usual day, on a very usual school trip to Hampton Court Maze, there is a very unusually named girl called Victoriana Elizabeth Alice Royal. At least she can concentrate on history today and learn new facts as she wanders the maze. But little does Victoriana know that history will come alive for her in a way it never has before...

Actor. Director. Visionary. The fascinating life of Sam Wanamaker is explored for the first time in this biography by Diana Devlin, who worked closely with Wanamaker during the last twenty years of his life. Sam Wanamaker (1909 - 1993) is best known as the man who spent the last twenty-five years of his life campaigning to reconstruct Shakespeare's Globe near its original site in London. Born in the USA, he trained as an actor in Chicago and began his career during the golden age of radio drama, before moving on to Broadway. A vocal left wing activist, Wanamaker moved to the UK during the turbulent era of the anti-Communist witch hunts. Having crossed the Atlantic, he carved a successful international career as actor, producer and director. He directed the opening production at the Sydney Opera House. With his staunch sense of purpose, he made as many enemies as friends: charismatic and persuasive, he was also stubborn and domineering. But above all, he was a man of great vision, and it was that vision that inspired many to help make his dream of Shakespeare's Globe come into being, which opened to much fanfare in 1997

Frank Boyd found the hazy but bright Atlantic morning most invigorating as he stepped upon the deck. Unbeknownst to him, not far away on this same immigrant ship travelled his future English bride. Frank and Estelle Tompkins decided to marry and undertake this new challenge of life in America together. They travelled the expanse of a great new land, taking their first-born with them. Their new perspective could not have been better, nor more promising, in sunny California. With the arrival of their angelic and blue-eyed, golden-haired Mary, it seemed that life was nearly at optimum for the Boyds - but then the crash of '29 altered their lives forever. It was onward to Oregon where an unkindly fate awaited the young Scotsman.

Devastated and shattered, Estelle and her children came to know and love the mysterious Sam Jennings and his Indian friends, as well as the young cowboy Bob Clemm. In addition, an all-new arena opened to Mary Boyd when Demon entered her world and she became a renowned rodeo trick rider with no peers. "Well, you chose to be a rodeo star," Bob uttered as she rose to disengage him. And so Mary risked losing her first love to cousin Jennifer Tompkins. However, the war came and changed many lives: Cowboy Clemm, now turned marine, had to depart from those women he loved so well; and Mary's new course with the rodeo circuit had its own betrayal and pitfalls. The road back to Oregon was tiring and chancy for Mary who must now rid herself of the effects of forced passion, an unwanted child, even at the risk of her own life. In the heart and warm eyes of Jim Warren, Mary found the refuge that she so sorely needed at the nadir of her life. But her respite would be all too brief as the cold Nebraska winter spent its course. Mary, to her sorrow, learned of her brother's grim sacrifice, but now with her and Bob's love rekindled Mary must keep the faith as she reassembled her life once again in Oregon. With her brother torn from her life, a new miracle arrived in the form of Billy's unmarried Filipino "wife". Along with the beautiful Rosa Santos came Billy's son, and another obligation that only Mary's husband, Bob Clemm, could fulfill. As Mary basked in the

warmth of her adventurous memories, she awaited the arrival of her first son, knowing that she had been to the greatest heights and the darkest depths, and yet emerged a star and a winner in so many ways.

'Heads and Tasker, legends themselves, set out to write a book that would continue the trail laid by early-days sporting scribes of long ago. I could not put it down.' John Coates AC, President of the Australian Olympic Committee 'I know readers will enjoy the many stories and anecdotes that Heads and Tasker have accumulated over more than a century combined in journalism.' Ian Chappell, former Australian cricket Captain. Australia enjoys a rich sporting heritage. Our small population has yielded a disproportionate number of champions. We get an insider's perspective on every kind of sporting endeavour - from boxing to tennis, cricket to AFL, athletics to rugby league - and not just the action on the field, but the change room gossip and clubhouse politics as well. Assembled here is a comprehensive collection of photographs and images, accompanied by Arthur's own words, which together provide a valuable insider's account of the history of the British royal family.
