Award-winning Author Blue Saffire presents from her Evei Lattimore Collection *Destiny 2: Decision of The Next Generation* Book 2 in *Destiny the Series*. From the time she walked in our home I saw myself, my past, my hurts. I told Alex what would happen and I knew in my heart she would change our family forever. I just didn't know how. I didn't expect to fall in love with her like she was my very own daughter. I also didn't know my heart wouldn't be the only one she would capture. It only took one night for me to lose everything. However, in losing it all I gained the world. A new world. When he opened the door, I didn't know I was staring at a future I wouldn't be able to deny. His father's temper would be the only thing that could keep us apart, because he is his father's son in every way. It doesn't matter what our hearts want when the universe insists on having its way. My name is Meliyah Santos, they knew me as Mellie in the Towers, but I left that world behind or so I thought. It seems my Dad's world would always tug at me no matter where I landed. I just had to decide which world I wanted to be mine. Would history repeat itself? Or could I finally find a happy ever after. *This is Book 2 in the bestselling *Destiny* series from the bestselling, award-winning author Blue Saffire. This Book is from the Evei Collection. They are not connected to the other Blue Saffire books outside of the collection. This book was once released as *Destiny 2 Next Generation* by Evei Lattimore as a sweet novel. A single night of romance in London was all either could commit to. Fate and love demanded more...much more. As a flight attendant, Rayne Jackson is used to cancellations, but she never dreamed her latest would lead to a whirlwind tour of London with a handsome stranger...or a life-altering night in his bed. One evening is all the enigmatic man can give her, and Rayne greedily takes it, despite suspecting it will never be enough. Heading home after another extreme mission, Keane "Ghost" Bryson hadn't planned to seduce someone during his layover, but Rayne is too sweet to resist. Being a Delta Force member means lying to protect his identity, which is unfortunate, considering Rayne seems made for Ghost, right down to the tattoo on her back. For the first time in his life, regret fills him as he slips away the following morning. Both are shocked when, months later, they meet again—under the worst possible circumstances. Seems fate has given them a second chance...if they can survive the terrorist situation they're in. If Rayne can forgive Ghost his lies. And if Ghost can trust Rayne to be strong enough to endure the secrets and uncertainty that come with loving a Delta Force soldier. ** *Rescuing Rayne* is the 1st book in the *Delta Force Heroes Series*. Each book is a stand-alone, with no cliffhanger endings. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker is the master of military romantic suspense. Cross the Streets is a multimedia exhibition that celebrates 40 years of the evolution of street art in Rome. No other city has such an untouched history and so it is fitting that Rome begins its cultural regeneration from its streets and its past. Creative inspiration has always been driven by instinct and these fleeting moments are preserved as etchings on everything from caves to catacombs, from Pasquino to propaganda murals. Rome remains one of the most important cities driving this movement and therefore it is right to celebrate it at the Museum of Contemporary Art of Rome (MACRO).

"A spectre", wrote Karl Marx in 1847, "is haunting Europe, the spectre of Communism. All the Powers of Old Europe have entered into a holy alliance to exorcise this spectre." But the exorcism has failed. In vain does the holy alliance reconstitute itself in order to perform its chosen task. The spectre of 1847 is a mere spiroite no longer. It has emerged from the darkness in which it was wont formerly to play the part of a miserable shadow. It has become an embodied spirit, a power incarnate...

The present book likes to range over the advanced technological, industrial and financial topics as well as the key drivers for a project bankability of the solar power conversion. This work will become an international handbook for those entrepreneurs, developers, managers, institutional stakeholders, as well as for their lenders and consultants building on the learning curve the best practices, developed in mature and emerging markets. Oreste Bramanti made a rigorous technical and engineering analysis, a visionary outlook on the new frontiers of R&D, a comprehensive review of both economic aspects and key bankability features of projects contracts lay the foundations for sound financial modelling of solar projects. Market-based models are increasingly surpassing incentive-based models. Alongside grid parity projects, PPAs with merchants (utilities, retailers, heavy industries) and residential customers (for instance, the SolarCity PPA-lease model) are becoming mainstream routes-to-market based on which banks are ready to provide long-term financing.

S.O.S. bambini! In una società dove essere "super" è quasi un dovere, anche noi mamme – un tempo confinate nel tranquillo perimetro del focolare domestico – ci sentiamo obbligate ad apparire come creature perfette. Dobbiamo essere madri amorevoli e grintose, donne in carriera (o almeno "in corriera" come diceva Lella Costa), amiche sempre presenti e affascinose femmes fatales. Come riuscirci? Il primo consiglio è di fare un po' di apprendistato presso mamme, conoscenti e nonne e poi scegliere la propria strada. Dopo avere acquistato un po' di sicurezza, i mille imprevisti della quotidianità – il capo che chiama mentre vostro figlio sta male, la tata che vi pianta in asso quando avete programmato un viaggio di lavoro – vi sembreranno un gioco da ragazzi. Il secondo consiglio è di trovare il modo per vivere con entusiasmo e brio la meravigliosa esperienza della maternità. Partecipate ai laboratori di cucina con i vostri cuccioli per insegnare loro com'è divertente impastare gli gnocchi, scegliete con cura quali libri leggere loro prima della nanna, aiutateli a scoprire quanto è bello il mondo che li circonda. E se, dopo tutto questo, non riuscirete comunque a sentirvi super... ricordate che è sufficiente essere mamma per addormentarsi ogni sera con un sorriso. This volume leads us through the imagined world, the delusions, hopes, ambivalences, anxieties, and historical, cultural and psychological dynamics of six German Jewish writers and intellectuals who arrived in Palestine between the 1920s and 1930s. The approach is both personal and symbolic as each witnesses the gap between dream and reality from their own perspective, representing it at many levels. In this book of 101 inspirational stories, contributors share their personal angel experiences of faith, miracles, and answered prayers, which will amaze and inspire you. Celestial, otherworldly, heavenly. Whatever the term, sometimes there is no earthly explanation for what we experience, and a higher power is clearly at work. You will be awed and inspired by these true personal stories from people, religious and non-religious, about hope, healing, and help from angels.

This book is available as open access through the Knowledge Unlatched programme and is available on www.bloomsburycollections.com. "A remarkable resource for the field of fashion studies suitable for both newcomers ... {and} seasoned practitioners." - Fashion Historia "A precious source in the study of the subject ... inspiring." - The Journal of Dress History The last decade has seen the growing popularity and visibility of fashion as a cultural product, including its growing presence in museum exhibitions. This book explores the history of fashion displays, highlighting the continuity of past and present curatorial practices. Comparing and contrasting exhibitions from different museums and decades-from the Paris Exposition Universelle of 1900 to the Alexander McQueen Savage Beauty show at the Metropolitan Museum of

Art in 2011, and beyond-it makes connections between museum fashion and the wider fashion industry. By critically analyzing trends in fashion exhibition practice over the 20th and early 21st centuries, Julia Petrov defines and describes the varied representations of historical fashion within British and North American museum exhibitions. Rooted in extensive archival research on exhibitions by global leaders in the field-from the Victoria and Albert and the Bath Fashion Museum to the Brooklyn and the Royal Ontario Museums-the work reveals how fashion exhibitions have been shaped by the values and anxieties associated with fashion more generally. Supplemented by parallel critical approaches, including museological theory, historiography, body theory, material culture, and visual studies, *Fashion, History, Museums* demonstrates that in an increasingly corporate and mass-mediated world, fashion exhibitions must be analysed in a comparative and global context. Richly illustrated with 70 images, this book is essential reading for students and scholars of fashion history and museology, as well as curators, conservators, and exhibition designers.

It is better to be useful, than look pretty, as a vain stag finds out. A vain stag is busy admiring his beautiful antlers. To him, his spindly legs are nothing but ugly. But when he is attacked by a tiger, it is his legs that nearly carry him to safety, but his horns that get him stuck in a big mess! Spankee follows the development of Rebecca from frustrated housewife, initially just curious about spanking, into a true submissive spankee under the guidance of Don, an experienced dominant. By understanding the psychology of her journey, from initially rationalizing and hiding behind role play to ultimately accepting her need to submit and be spanked as an integral part of the person she is, the reader is given excellent insight into the proper training of a submissive. Upon discovering her submissive nature, Rebecca realizes her desires are actually needs. She not only becomes comfortable with Don as her guide, but develops an almost insatiable need for his approval; eventually submitting to him orally which is something she had never considered doing before. Don also touches her in ways to provide sexual gratification. His manual stimulation soon gives way to forced orgasms, ultimately taking Rebecca into sub space. Rebecca is hooked on spanking right from the start; it excites and arouses her tremendously and the more she experiences it the harder she wants it. As the sessions proceed Rebecca is systematically introduced to the crop, switch, paddle, cane and flogger and Rebecca learns she also craves scenes involving verbal and physical discipline followed by being permitted sexual release. Erotic spanking involves spanking her to such heightened arousal where a mere touch will bring orgasm, but the mark of a true spankee is to achieve orgasm through spanking alone. Rebecca finds that the need to control her instinctive reactions to being spanked and flogged are detracting from the experience for her so Don includes bondage, enabling her to not worry about what her body wants to do. She finds that having no control, allowing her involuntary resistance to strain against the restraints, enhances her experience and enables her to take more. It is the freedom brought about by bondage that finally enables her to become a true spankee.

«Nel tuo settore, in questo momento, ci sono professionisti che guadagnano 10 volte più di te». Un libro esplicitamente rivolto ai freelance che spiega come far parte di quell'1% di liberi professionisti, leader nel proprio settore, che guadagna più di tutti gli altri. Perché, in alcuni casi, non succede? Perché molti freelance, oggi, lavorano ancora come se fossero dei dipendenti, basando la loro carriera sulla prigionia del passaparola e dando per scontata una miniera di strumenti - di marketing, branding e comunicazione - che, solo pochi anni fa, erano accessibili solo alle multinazionali. Crescere e diventare «il più richiesto» implica, innanzitutto, un cambiamento mentale. Lorenzo Paoli, onepercenter nell'ambito del coaching e digital strategist, propone un percorso di crescita personale strutturato su diversi livelli di consapevolezza: dagli errori più comuni, alla definizione del Time to Profit (per aumentare il valore della giornata lavorativa) e della Lean Agenda (per gestire al meglio il proprio tempo e le priorità della vita professionale).

Getting women into her bed is easy. Getting them out is hard. Women love Cleopatra Giovanni and she loves them back – in ways they'll never forget. The masculine but very pretty butch radiates charisma and a magnetism that attracts flocks of women – some are random strangers, and some show up because they've heard of her infamous skills as a lover (and her “snake”). But those single-minded women are short-term. Cleopatra enjoys their bodies, all the while hoping that the one who will make her believe in forever will come along. The womanizing ways of this successful New York City real estate executive come to a sudden halt the moment she meets the incredibly gorgeous Jacqueline Tripp. Jacqueline, a naïve but determined closeted lesbian, has been watching Cleopatra for some time, and goes above and beyond to possess her in a way no one ever has. There is a passionate love affair, and life is beautiful as they pleasure each other in ways both wild and sweet. No one has ever had such power over Cleopatra. In the clutches of this beautiful liar, will she be conquered by obsessive love? Secrets, reckless ways, ghosts of the past, deceptions, and destroyed dreams complicate their love and lead Cleopatra back to old behaviors that feed her desire, but will never make her happy. Ultimately – Jacqueline wants her. The question is – how far will she go? Accompanied by a captivating cast of characters ranging from loving family members around the Thanksgiving table to famous porn stars in the bedroom, from best friends and ex-lovers to Brooklyn strippers and African princesses, the struggle for love and the drama and humor that ensue will win readers' hearts as Cleopatra and Jacqueline wrestle with the way things are in order to create the way things should be.

Discover the new Doctor Who classics. The key to Earth's destruction lies buried in its past. Visiting Paris in 1979, the Doctor and Romana's hopes for a holiday are soon shattered by armed thugs, a suave and dangerous Count, a plot to steal the Mona Lisa and a world-threatening experiment with time. Teaming up with a British detective, the Time Lords discover that a ruthless alien plot hatched in Earth's pre-history has reached its final stage. If Scaroth, last of the Jagaroth, cannot be stopped then the human race is history, along with all life on Earth... Synthetic jets are devices able to “synthetize” a jet from the ambient in which they are embedded through a simple membrane oscillation inside a cavity with an orifice. Such features make them high reliable, silent and easy to be miniaturized. For these reasons, they are widely investigated as electronic cooling devices. The present research is focused on the design and analysis of a different type of synthetic jet device compared to its single classical configuration. Such a device has been experimentally characterized through the study of its free and impinging flow field and the evaluation of its heat transfer performance.

The new healthy eating and lifestyle book from the inspirational and widely followed personal trainer, Kayla Itsines.

This is the definitive resource for understanding and practicing the influential dance technique developed by two pioneers of modern dance, Alwin Nikolais and Murray Louis. The Nikolais/Louis Dance Technique is presented in a week-to-week classroom manual, providing an indispensable tool for teachers and students of this widely studied movement practice. Theoretical background for further reading is set off from the manual for those interested in deeper study. Their philosophy and methodology span a broad readership and offer an important addition to dance literature and American cultural history.

Arthur Saxon (April 28, 1878 - August 6, 1921), born Arthur Hennig and nicknamed "The Iron-Master," was a German strongman and circus performer from the late 19th century into the early 20th century. Saxon is most well known for the bent press, with which he set a world record of 168 kg (370 lbs) (although there are claims that he has done 175 kg (385 lbs).) as well as the "two hands anyhow" lift of 203 kg (448 lbs). Arthur Saxon was widely thought to be the strongest man in the world in 1900, and reprinted here is his famous 1905 booklet on how to develop physical power. This book is a true - one-of-a-kind classic. Read it and go back in time and see how a true champion became the greatest (natural) superman of his age - why not emulate Arthur and develop super-human power - using the methods he used as described herein? Each RADLEY CLASSIC is a meticulously restored, luxurious and faithful reproduction of a classic book; produced with elegant text layout, clarity of presentation, and stylistic features that make reading a true pleasure. Special attention is given to legible fonts and adequate letter sizing, correct line length for readability, generous margins and triple lead (lavish line separation); plus we do not allow any mistakes/changes/ additions to creep into the author's words.

"Tom works in digital analysis, investigating crimes against children. Faced with watching recordings of the most unforgivable acts on a daily basis, in a job that barely anyone else can endure, he struggles to retain his humanity. Meeting Emily might just mean that his life has changed for the better, but when your entire working day is spent watching horrific crimes, how do you find room for love?"--Page [4] of cover.

The neighboring Holden and Jessup ranches are anything but neighborly—Jefferson Holden and Kent Jessup loathe each other. But despite his father's long-held grudge, Haven Jessup just can't bring himself to hate, especially after Dakota Holden takes him in during a violent storm and Haven meets Dakota's friend, Phillip Reardon. Phillip accepts Haven for who he is, seeing through the mask Haven uses to hide his attraction to men, but their tentative and secret relationship will be under a huge amount of stress. Sabotaged fences, injured animals, unsavory plans, and Jessup family secrets will threaten Haven's newfound happiness and his hopes of a future with Phillip.

Ha molte anime, Torino, e non è facile scoprirle tutte. Non ci riesce chi si è appena trasferito, per studio o per lavoro, ma nemmeno chi ci è nato e cresciuto. Perché la città è discreta e non ama apparire, ma è anche vitale, concreta e piena di opportunità. Basta cercare nei posti giusti. In questa guida vi raccontiamo la ricetta anticrisi di una città che non rinuncia al bello, ma con un occhio ai costi, e coniuga glamour e parsimonia piemontese. Sarà un viaggio alla ricerca della qualità sostenibile nella Torino del cohousing, del cinema, dell'arte contemporanea, dei luoghi da vivere con i bambini.

Conoscerete posti speciali gestiti con passione, dall'atelier di design dove il disagio mentale si trasforma in pezzi d'arredamento unici e low cost, all'osteria nel verde dove si mangia con sei euro, al locale underground dove si balla tutta la notte a prezzi popolari. E poi mercatini, nuove e vecchie piole, boutique insospettabilmente convenienti e 9 itinerari ad hoc con cui scoprire la città e la collina. Perché vivere bene a Torino si può, anche al tempo della crisi.

Even seasoned lifters can realize a 5 percent increase in strength in the first few weeks. And in 12 weeks, you can boost your overall strength by up to 38 percent. - Build power and stamina. Increase your one-rep max in your core lifts by as much as 30 percent. - Shed fat fast. Burn off up to 10 pounds of body fat, losing up to 2 pounds of fat per week. With Men's Health Huge in a Hurry, you'll not only get bigger faster, you'll do it with less time wasted in the gym and with less post workout pain and a much lower injury risk.

When you lose your whole world in a moment, where do you turn? On a cold November morning, Joseph Luzzi, a Dante scholar and professor at Bard College, found himself racing to the hospital—his wife, Katherine, eight-and-a-half months pregnant, had been in a horrible car accident. In one terrible instant, Luzzi became both a widower and a first-time father. In the aftermath of unthinkable tragedy, Luzzi relied on the support of his Italian immigrant family, returning to his childhood home to grieve and care for his infant daughter. But it wasn't until he turned to The Divine Comedy—a poem he had devoted his life to studying and teaching—that he learned how to resurrect his life. Following the same structure as Dante's epic poem, Luzzi is shepherded out of his own "dark wood," passing through the grief-stricken Inferno, the Purgatory of healing, and ultimately stepping into the Paradise of rediscovered love. Beautifully written, poignant, insightful, and unflinchingly honest, In a Dark Wood is a hybrid of heartrending memoir and a meditation on the power of great art to give us strength in our darkest moments. Drawing us into hell and back, it is Dante's journey, Joseph Luzzi's, and our very own.

When one of the students is attacked after his sins are brought to light, the remaining survivors grow ever more suspicious of each other. As secrets arise and suspects collide, the question remains: If one murderer truly was hiding in their midst, are there really

two more watching from within?

Infectious Diseases of Nigeria is one in a series of GIDEON ebooks which explore all individual infectious diseases, drugs, vaccines, outbreaks, surveys and pathogens in every country of the world. Data are based on the GIDEON web application (www.gideononline.com) which relies on standard text books, peer-review journals, Health Ministry reports and ProMED, supplemented by an ongoing search of the medical literature. Chapters are arranged alphabetically, by disease name. Each chapter is divided into three sections: 1. Descriptive epidemiology 2. Status of the disease in Nigeria 3. References A chapter outlining the routine vaccination schedule of Nigeria follows the diseases chapters. There are 361 generic infectious diseases in the world today. 250 of these are endemic, or potentially endemic, to Nigeria. A number of other diseases are not relevant to Nigeria and have not been included in this book. In addition to endemic diseases, all published data regarding imported diseases and infection among expatriates from Nigeria are included.
