Bobby Charlton is Manchester United through and through. He was a member of the original Busby Babes and has devoted his career to the club, playing in 754 games over 17 years. During that period he won everything the game had to offer, played alongside some of the greats such as Best and Law, suffered devastating defeats and was involved in one of the greatest football tragedies of all time. Here, for the very first time, he tells the story of those United years. With his beloved Reds he tasted FA Cup victory in the emotional final of 1963, won three first division championships and in 1968 he reached the pinnacle of club success, winning the European Cup. Inevitably, such highs are balanced with no less dramatic lows, such as the 1957 European Cup semi-final, the highly charged 1958 FA Cup loss which followed only weeks after the horrors of the Munich Air disaster, and the 1969 European Cup defeat by Milan. He is one of the true gentlemen of football and the legacy that Bobby Charlton gives to United is beyond compare.

When Ole Gunnar Solskjaer returned to Old Trafford as caretaker manager midway through the 2018-19 season, he breathed new life into a team that was drifting. In this new and definitive biography, Jamie Jackson investigates why he was the perfect man for the job to bring back the glory days. After the confusion under David Moyes, the stagnation of Louis van Gaal and the growing trauma under Jose Mourinho, Manchester United were a club increasingly struggling to challenge for major honours, something the fans had been accustomed to during the reign of Sir Alex Ferguson. So when Ole Gunnar Solskjaer, a match-winning hero of the Reds' great Treble-winning side returned to Old Trafford on 19 December 2018 as caretaker manager, he was welcomed with open arms. Here was a man who understood what it was that the fans demanded, and he had a plan to give it to them. They went on a record-breaking run of victories that secured him the position on a permanent basis, before old frailties re-emerged, showing the scale of the job he had always dreamed of taking on. During the summer transfer window, he began a dramatic reshaping of the team's personnel to set them up for the 2019-20 season. The Red Apprentice, Jamie Jackson's fascinating biography of Solskjaer, takes the reader back to the Norwegian's early days to discover the making of the man, relives the highlights of a stunning playing career - and that Champions League-clinching goal in 1999 - and explains why he is the natural choice for United in the future.

The Manchester United team Matt Busby had built in the fifties from the club's successful youth policy seemed destined to dominate football for many years. Such was the power of the 'Busby Babes' that they seemed invincible. The average age of the side which won the Championship in 1955-56 was just 22, the youngest ever to achieve such a feat. A year later, when they were Champions again, nothing, it seemed, would prevent this gifted young team from reigning for the next decade. But then came 6 February 1958, the day that eight Manchester United players died on a German airfield in the 'Munich Air Disaster' - a date to be forever etched in the annals of sporting tragedy. Duncan Edwards, Eddie Colman, Tommy Taylor, Roger Byrne...the names were already enshrined in legend before the air crash, but Munich in many ways earned them immortality. They have never grown old. Jeff Connor traces the rise of the greatest Manchester United side of all time, alongside a vibrant portrait of England in the 1950s, but he also paints a dark picture of a club that enriched itself on the myth
