In the late 19th and early 20th centuries, Maria Woodworth Etter, the grandmother of the Pentecostal Movement, astounded many Americans and angered others. She traveled across the country holding revival meetings where the worst sinners in the town were converted, the most diseased were healed, the self-righteous were humbled, and her worst critics were proven wrong. In Maria Woodworth Etter Collection, you will find the complete collection of her life teachings. Fascinated, angered, and frightened by what she called the power, the press dubbed her the Trance Evangelist because many of those who heard her preach, even the skeptical, fell to the floor under the power of the Holy Spirit in her meetings. At the age of thirteen, Maria answered God's call to salvation. At that same time, He called her to evangelism, but she resisted that call for many years. Finally, she could resist no more. When she preached to a gathering of family and friends, they fell to the floor weeping or ran out of the house in tears under the power of her message. That first sermon began her ministry of over forty years. We invite you to take a thrilling journey through the early years of the Pentecostal Movement as you experience the life and ministry of Maria Woodworth Etter.

God is prophetically speaking to us today while performing signs and wonders in the last days. Marvels and Miracles is one of the last works written by Maria Woodworth-Etter in her long ministry as an evangelist in the Pentecostal movement. This story recounts many events during her lifetime, from holding tent revival meetings at her own expense, to persecution and violent attacks from local townspeople in attempts to silence her ministry. Contributors such as Stanley Frodsham, F.F. Bosworth, and many others recount the miracles and healings they received through Jesus Christ. With testimonies of healing from doctors, sinners, and saints; there is an overwhelming cloud of witnesses that these miraculous events did in fact take place. This proving what she taught so adamantly, that God is the same yesterday, today, and forever, and His power to heal has not diminished. It is the same as on the day of Pentecost, in 1924, and today.

“When we believe the Bible as it is, we will see the power of God move in our lives and in our community as it did centuries ago in Bible times.” -Mel Tari Translated into dozens of languages, with millions of copies sold, Like a Mighty Wind remains a beloved classic from global evangelist Mel Tari. Recounting the incredible story of revival on the island of Timor during 1965 in the midst of political turmoil, the book is an amazing testament to the power of faith and the reality of God's power to work miracles in modern times. The Spirit of God that swept across the island “like a mighty wind” continues today throughout Indonesia although persecution of Christians is all too common. The story of God's powerful revival in this region remains a testament to the truth of God's Word, and serves as a reminder to all believers that the Spirit of God manifests in our world now as it did in the earliest days of the Church.

Many Christians talk about the Holy Spirit, but do they really know who He is? He is the Spirit of God and dwells inside of each of us. In this new book by Dr. Larry Ollison, he answers many questions regarding the Holy Spirit and His purpose in our lives. Dr. Ollison teaches of the "second experience" after salvation, which is being filled with the Holy Spirit. He also explores how you can be led by the Holy Spirit and the history of the Holy Spirit's purpose starting from the beginning. He teaches the reader how to really know the Holy Spirit as a person and experience the fruits and gifts that only the Holy Spirit

can bring.

The message of Power Evangelism has been embraced around the world, and the book that started it all has become a classic, with more than one million sold. In 2006, Christianity Today named it one of the 50 most significant Christian books to be published in the last 50 years. This revised and updated edition describes the releasing of God's power through signs and wonders to refresh, renew, heal and equip His people. Drawing from the teaching of the New Testament and with illustrations from his own experience, Vineyard leader John Wimber persuades the reader to "yield control of our lives to the Holy Spirit." Though Wimber died in 1997, his teaching continues to spread throughout the Vineyard movement, through the broader renewal movement and to Christians across the globe, even those who do not consider themselves Charismatic. Co-author Kevin Springer—also a Vineyard pastor—has found that in the years since its first publication, Power Evangelism has only grown, and the results continue to be explosive. This edition includes a chapter-by-chapter study guide and reflects changes Springer and other power evangelism practitioners have made in presentation—not in content—for readers in the new millennium.

Messages delivered during healing meetings In 1915, Aimee Semple McPherson began traveling around the United States, holding tent revivals, with some crowds reaching well over thirty thousand people. The tent revivals of this vivacious and spirited speaker would last weeks in any given city across the country. She used a brass band, choirs, and props of all sorts in her sermons. During McPherson's ministry, tens of thousands of people were healed when she prayed for them, but she herself took no credit for the healings, instead giving full credit to God. She insisted that divine healing was not found in the emergency room, the world of entertainment, or the scientist's laboratory; it was a church sacrament, accessible by faith and devotion alone. Divine Healing Sermons is a collection of the messages McPherson preached during her amazing ministry. They remain as powerful and accessible today as they were a century ago.

This book is concerned with religious revivalism in the United States since 1825. It attempts to explain the part which revivalism has played, and is playing today, in the social, intellectual, and religious life of America. The aim has been, in describing the development of modern revivalism and the men who devoted their lives to it, to look below the surface phenomenon in an effort to discover why revivals have constantly recurred, what their effects have been, and what they meant not only to those directly concerned but to all Americans. If the revivals of the past century and a quarter have not always been the crucial factors in the course of American history that their devout exponents claimed, they have nevertheless been more significant than the social historians have yet acknowledged. from the Preface

For Such a Time as This is the meticulously researched, tenderly written biography of the legendary Maria Woodworth-Etter, a woman before her time, who preached of repentance, salvation, holiness, healing, and the baptism of the Holy Spirit. Her success inspired Aimee Semple McPherson and paved the way for Kathryn Kuhlman, Marilyn Hickey, and Joyce Meyer. Historian Grant Wacker said of her, "No one commanded greater awe in the Pentecostal circles." Carl Brumback described her as "looking just like your grandmother, but who exercised tremendous spiritual authority over sin, disease, and demons." But she was also very human, as flawed and fragile as we all are. Warner strikes a delicate balance for the reader between revealing the woman and portraying her power. A must-read for every spirit-filled Christian.
