This book constitutes the refereed proceedings of the 22nd Annual Symposium on Combinatorial Pattern Matching, CPM 2011, held in Palermi, Italy, in June 2011. The 36 revised full papers presented together with 3 invited talks were carefully reviewed and selected from 70 submissions. The papers address issues of searching and matching strings and more complicated patterns such as trees, regular expressions, graphs, point sets, and arrays. The goal is to derive non-trivial combinatorial properties of such structures and to exploit these properties in order to either achieve superior performance for the corresponding computational problems or pinpoint conditions under which searches cannot be performed efficiently. The meeting also deals with problems in computational biology, data compression and data mining, coding, information retrieval, natural language processing and pattern recognition.

To the average moviegoer, the name of Basil Rathbone conjures up an image of fiction's most famous detective – Sherlock Holmes. Certainly, of all the actors who have played the Baker Street sleuth, his interpretation was definitive. Yet, for cinema aficionados, the actor was much more than the personification of Sir Arthur Conan Doyle's character. He began his film career in 1921 in *Innocent*, which was one of several silent films in which he appeared. He was also Mr. Murdstone in *David Copperfield*, Richard III in *Tower of London*, Louis XI in *If I Were King*, Tybalt in *Romeo and Juliet*, Captain Estaban Pasquale in *The Mark of Zorro*, Sir Guy of Gisbourne in *The Adventures of Robin Hood*, and Baron Wolf von Frankenstein in *Son of Frankenstein*. For most of his years in motion pictures, Rathbone was the victim of type casting. During the 1930s, he was known as the screen's ultimate villain, constantly in demand by producers to carry out dastardly deeds against such heroes as Errol Flynn, Tyrone Power, Ronald Colman, Gary Cooper, and Leslie Howard. He also appeared opposite such leading ladies as Greta Garbo, Norma Shearer, Loretta Young, Olivia de Havilland, and Joan Crawford. Rathbone earned Academy Award nominations for Best Actor in a Supporting Role for his performances as Tybalt in *Romeo and Juliet* (1936) and as King Louis XI in *If I Were King* (1938). He portrayed Sherlock Holmes in fourteen Hollywood films made between 1939 and 1946 and in an Old Time Radio series. His later career included roles on Broadway, as well as television work. He received a Tony Award in 1948 as Best Actor in a Play. Through the 1950s and 1960s, he appeared on television as a panelist on the game show *The Name's the Same* (in 1954), and he also took roles in cheap film thrillers of far lesser quality, such as *The Black Sleep* (1956), *Queen of Blood* (1966), *The Ghost in the Invisible Bikini* (1966), *Hillbillies in a Haunted House* (1967, also featuring Lon Chaney Jr and John Carradine.), and his last film, a low-budget, Mexican horror film called *Autopsy of a Ghost* (1968). He is also known for his spoken word recordings, including his interpretation of Clement C. Moore's "The Night Before Christmas." Rathbone's readings of the stories and poems of Edgar Allan Poe are collected together with readings by Vincent Price in Caedmon Audio's *The Edgar Allan Poe Audio Collection* on CD. Rathbone also made many other recordings, of everything from a dramatised version of *Oliver Twist* to a recording of Prokofiev's *Peter and the Wolf* (with Leopold Stokowski conducting) to a dramatised version of Charles Dickens's *A Christmas Carol*. On television he appeared in two musical versions of Dickens's *A Christmas Carol*: one in 1954, in which he played Marley's Ghost opposite Fredric March's Scrooge, and the original 1956 live-action version of *The Stingiest Man In Town*, in which he starred as a singing Ebenezer Scrooge. In the 1960s, he also toured with a one-man show titled (like his autobiography) *In and Out of Character*. In this show, he recited poetry and Shakespeare, as well as reminisced about his life and career. He appeared with Vincent Price and Boris Karloff, in *Tower of London* (1939) and *The Comedy of Terrors* (1964). The latter was the only film to feature the "Big Four" of American International Pictures' horror films: Out-of-print for over thirty-five years, Michael B. Druxman's *Basil Rathbone: His Life and His Films* is a carefully researched work that thoroughly examines the life and professional career of one of Hollywood's most respected character actors. This new edition includes an Introduction by the author, a Biography, Filmography, and more than 250 rare photographs. The complete, definitive biography of Hollywood's first superstar Douglas Fairbanks was the greatest leading man of his generation—the first and the best of the swashbucklers. He made some of the greatest films of the silent era, including *The Thief of Bagdad*, *Robin Hood*, and *The Mark of Zorro*. With Charlie Chaplin, D. W. Griffith, and his wife, film star Mary Pickford, he founded United Artists. Pickford and Fairbanks ruled Hollywood as its first king and queen for a decade. Now a cache of newly discovered love letters from Fairbanks to Pickford form the centerpiece of the first truly definitive biography of Hollywood's first king, the original Robin Hood, the true Zorro, the man who did his own stunts, built his own studio, and formed a company that allowed artists to distribute their own wealth outside the studio system. Fairbanks was fun, witty, engaging, creative, athletic, and a force to be reckoned with. He shaped our idea of the Hollywood hero, and it has never been the same since. His story, like his movies, is full of passion, bravado, and romance.

America's first superhero in his original adventures! Zorro's popularity has spanned the world, across all cultural demographics, for nearly a century. He was the original masked crime-fighter-defending down-trodden citizens from an oppressive government and criminal elements with his swift blade and keen wit. Now readers can thrill to his adventures in this six-volume series which collects all his original stories. *The Mark of Zorro* (a.k.a. *The Curse of Capistrano*) introduces popular culture's first masked crime-fighter. This volume includes two additional adventures, "Zorro Saves a Friend" and "Zorro Hunts a Jackal." Also: a study of "Zorro's California" by Sandra R. Curtis; film historian Ed Hulse documents Zorro's original Hollywood adaptation in "From Pulp Page to Silver Screen."

Fashion goes to the dogs in this lovable follow-up to *Say Hello to Zorro!* Mister Bud and Zorro get along just great. They wake up together, have walk time together, and take naps together. But something is about to interrupt their schedule: Zorro has to wear a fancy outfit. Zorro is embarrassed, mortified, aghast. Mr. Bud tries to cheer him up, but nothing works. Everyone makes fun of Zorro, and he refuses to participate in chew-on-a-stick time. Mister Bud doesn't know what to do. But when another dog—a very cool dog—shows up in an outfit and does amazing tricks and beats all the other dogs in a race, Zorro discovers that wearing clothes might not be so bad after all. Everything is back on schedule.

"[These volumes] are endlessly absorbing as an excursion into cultural history and national memory."--Arthur Schlesinger, Jr. "[These volumes] are endlessly absorbing as an excursion into cultural history and national memory."--Arthur Schlesinger, Jr.

"Douglas Fairbanks takes the full measure of the star's remarkable life. Jeffrey Vance bases his portrait on a rich array of sources, including Fairbanks's personal and professional papers and scrapbooks, newly available documentation and rediscovered films, and his own extensive interviews with those who knew or worked with Fairbanks. Engagingly written and sumptuously designed, with 237 photographs, the book goes beyond Fairbanks's public persona to thoroughly explore his art and his far-reaching influence."--BOOK JACKET.

Action, African greats, alcohol, Robert Aldrich, Woody Allen, Pedro Almodovar, Robert Altman, animated, anime, apocalypses, Argentina, art, Asia minor, avant garde... And that's just A for you. A taste of this fabulously quirky and enjoyable book which is both a celebration of movies - and movie trivia - and a handy, entertaining guide to films that we know you will enjoy. It is fantastically functional. The lists are well conceived and easy to understand - mostly assembled by genre, actor, director, theme or country of origin - and the reviews are witty and informative. Oddly enough, most movie guides are not full of recommendations. But *Movie Lists* is, in spades, leaving readers in no doubt that the films reviewed are the business. Oh - and you don't have to watch them all before you die. There is no premise of death in this book. You just need to get down to the local Blockbusters or flick your remote to Movies on Demand. Only the popcorn is not supplied.

Long before Superman or Batman made their first appearances, there was Zorro. Born on the pages of the pulps in 1919,

Zorro fenced his way through the American popular imagination, carving his signature letter Z into the flesh of evildoers in Old Spanish California. Zorro is the original caped crusader, the first hero to have a band called the Avengers, and the character who laid the blueprint for the modern American superhero: the mask, the alter-ego, extraordinary physical skills, and a struggle against arch-villains. Famed comics pioneer Bob Kane even wrote that “Zorro was a major influence on my creation of Batman.” In *Zorro's Shadow*, historian and Latin American studies expert Stephen J. C. Andes investigates the legends behind the mask of Zorro, revealing that the origin of America's first superhero lies in Latinx history and experience. Andes begins his investigation in Mexico City at a statue of William Lamport, the so-called “Irish Zorro,” who was burned at the stake by the Mexican Inquisition. There, he discovers new documents at the Mexican National Archives and travels to the Sonoran desert to find the birthplace of Joaquín Murrieta, a California Gold Rush bandit who many claim inspired the creation of Zorro. Based on the never-before-seen letters of Zorro creator Johnston McCulley, Andes describes how the legends around Lamport and Murrieta influenced the development of the masked hero in black, and further, how Zorro went from a real life Mexican bandido to a distinctly white, aristocratic hero. Revealing the length of Zorro's shadow on the superhero genre is a reclamation of the legend of Zorro for a multiethnic and multicultural America.

*The Curse of Capistrano* is a 1919 serialized novel by Johnston McCulley and the first work to feature the fictional Californio character Zorro (zorro is the Spanish word for fox). It would be later published as a book in 1924 under the title *The Mark of Zorro*
