Tex gave everything he had to his country and his SEAL teammates. When an IED took away part of his leg, and his career, he devoted himself to his country and friends from behind his computer. He's always been the man that can find anyone, that uses his computer skills, legal and illegal, to keep people safe and to put the bad guys behind bars. But behind a computer is a lonely place to be. While he might put on a good front, Tex can't help but feel he's missing out when he sees how happy his friends are. But when the woman he's been talking to online for the last six months suddenly disappears without a word, Tex knows it's time to step up, and use his skills for himself this time.

“Aleck” Smart’s attention. He wants to know more about the gorgeous, bubbly waitress who tried to “save” him. A lot more. In fact, he wants to know everything. A little hypocritical, since he plays his own cards close to the vest. Experience has shown once women learn about his trust fund, it’s often game over...even as instinct tells him Kenna may be the exception. Kenna Madigan is mortified she almost landed on the hot Navy SEAL’s head when jumping into the ocean to “rescue” him. In her defense, she’d thought he was drowning. Luckily, he wasn’t mad. Exactly the opposite—he promptly asked her out on a date. Their connection is intense from the start, and Kenna suspects he’s too good to be true. As it turns out, she’s right. Marshall has a big secret, and the discovery causes her some humiliation...partly because of her own judgmental assumptions. They no sooner weather that bump in their relationship when they find themselves facing an even bigger challenge—an unforeseen life-threatening situation. Turns out, Kenna may get a chance to rescue her SEAL, after all... ** Finding Kenna is the 3rd book in the SEAL Team Hawaii Series. Before she can blink, he's gone from her life again, but not before an emotional goodbye and a promise to keep in touch. Pierce "Midas" Cagle hasn't thought about Lexie in years. Though he's not surprised in the least to learn that the shy, kind girl he knew is now an international aid worker, serving the poor both at home and abroad. but Midas is more thrilled than he can say when she chooses the Hawaiian branch of Food For All for her next assignment. Serena Murphy was losing her mind. Every night Serena stood on the deck of O'Flanagans Tavern, searching Maine's rugged coast for a sign of her husband's body. Though he was pronounced lost at sea, Alan Murphy still haunted her as only his malevolent spirit could. In the loft above her tavern, Serena hears footsteps pace across her living room floor, yet when she turns, no one is there. Alan would not let a little thing like death stop him from tormenting her. If she could just find his body, surely this torture would stop. It had been ten years since Brett Murphy saw his sister-in-law, although the separation was by design, to avoid temptation. Now Brett was in Victory Cove, not to declare his feelings for Serena, but to discover the truth about his brother's death. In doing so, he must battle Serena's ghosts, both real and contrived. She gets more than she bargained for when a plane she's in goes down in a remote stretch of wilderness—and the only other passenger is a man she's crushed on for years. Life as a SEAL doesn't allow for much spare time, but Mark "Bubba" Wright still regrets not trying harder to visit his pop. Now it's too late, and the guilt is heavy when he heads to Alaska for the reading of his father's will. The only bright spot is finding a girl he knew in high school on the same tiny plane. The same woman, it turns out, who's been taking care of his pop...a girl he crushed on in high school. Struggling to survive in the Alaska back country isn't the kind of second chance either envisioned, but relying on each other makes Zoey and Bubba's rekindled attraction hotter than ever. Funny how puzzling out who might want them dead can bring a couple closer together... ** Securing Zoey is the 4th book in the SEAL of Protection: Legacy Series. Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down, time after time, and she'd learned to rely on only herself. Christopher "Abe" Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate, Wolf, find the woman of his dreams, Abe was determined to find someone to share his life with too. Alabama and Abe had no idea their paths would cross and their prayers would be answered, but like most things in life, nothing is ever as easy as it seems at first. Two words would change both their lives and they'd have to fight hard for their happy ever after.

Being disabled doesn't mean being unable and he's about to get schooled. Cooper Nelson's SEAL career was cut drastically short when an explosion left him almost completely deaf. With so much of his pride and self-worth tied to the profession he loved above all else, Coop struggles in his nearly silent new world, his future seemingly bleak...until Commander Hurt badgers him into volunteering at the Riverton School for the Deaf. There, he meets teacher Kiera Hamilton, who opens his eyes—and his heart—to a love more fulfilling than any job could be. Ten years his senior, Kiera can't believe Coop would ever be interested in anything long term, but he patiently proves her wrong. And she's not the only one enamored with the sexy former-SEAL—her impressionable first-grade students are enthralled with the man, especially Frankie. The troubled young boy flourishes with each of Cooper's visits, which only makes Kiera fall harder. As he learns ASL, connects with the students, and gets closer to Kiera, Coop's happier than he's ever been...until an attempted abduction at the school threatens to take away everything that makes his new life worth living. **Protecting Kiera is the 9th book in the SEAL of Protection Series. She might be killed by the bomb strapped to her chest, but she wasn't going to bring anyone else down with her. Living in Southern California, Cheyenne was used to seeing hot military men as she went about her daily business. An anonymous encounter at the grocery store cemented her crush on one such man. He was big, built, and incredibly easy on the eyes, but it wasn't as if he would ever really notice her. Always in control of any situation, Faulkner "Dude" Cooper knows explosives. As a bomb expert, he's lived through many high pressure situations. Disfigured by a bomb while on a mission, he's used to being looked at with pity. When he's called to a local supermarket to assist the local PD, the last thing he expects to find is a generous act of kindness performed by a beautiful, amazing woman. Enchanted by her selflessness in the face of danger and intrigued by her actions to save civilians she didn't know, Dude's hooked. Dude was able to save Cheyenne from the group of thugs trying to take her life, but when the past comes back to haunt them both, sometimes having the knowledge and the desire isn't enough to beat the countdown of the clock. **Protecting Cheyenne is the 5th book in the SEAL of Protection Series.
