

Maximized Manhood Study Guide

A Real Man Masters Maximized Living Maximize your life, as millions of men have worldwide, by studying the Christian classic Maximized Manhood! Edwin Louis Cole, the "father of the Christian men's movement," spoke with a prophetic voice to men. Just months before leaving earth for heaven, he revised his signature work, adding five crucial chapters he believed would strengthen Maximized Manhood for the next generation. Almost two million copies of Maximized Manhood and its curriculum are in circulation today in more than forty languages. Dr. Cole and his wife Nancy served the Lord in ministry for more than fifty years. The ministry they co-founded with their son Paul, Christian Men's Network, still strengthens men worldwide with the reality that "manhood and Christlikeness are synonymous." The best-selling book for men in the world...just got better!

The Corinthian church were continually called saints (1:2; 6:1-2; 14:35; 16:1, 15), the called (1:2, 9, 26), brethren (1:10, 26; 2:1; 3:1; 7:24) and sanctified (1:2; 6:11) yet their practice did not complement their position. As Stan Toussaint says, "Paul wrote the book with a special emphasis on sanctification." Ultimately, the letter exists to remind the Corinthian church and believers everywhere to make sure practice match their position, as they were sanctified positionally they must progress practically in sanctification. This inconsistency in the Corinthians' practice and position can be seen through seven major problems within the entire church: divisions, discipline, divorce, doctrine, doxology, dialect, and doubts.

In a society where it has become socially acceptable to hide who one really is, author Exley addresses the true and daunting pressures all men face--challenging them to confront those issues with conviction and strength of character.

Get in shape to tackle the SAT Critical Reading Test with this in-depth workout. It includes an overview, proven test-taking strategies, and specifics for the SAT vocabulary, plus strategies and practice questions for the sentence completion and reading comprehension sections. Two practice tests with answers help you fine-tune your skills. This guide gives you the information and practice you need to improve your score—fast!

From the streets of New York to the mountains of Nepal, young men and old are fighting a war waged against them, both physically and spiritually, by the enemy of their souls. More than ever before in history, young men today must be trained to be men and have the courage to live in that manhood. If you have the guts to do more than wallow in a moral morass of mediocrity, this book is for you!

A captivating story of endurance and victory against overwhelming obstacles. The discovery of a man's identity against the backdrop of slavery, negative forces, and a world in turmoil. Stories that every man will identify with—to discover a new source of strength for himself. Here is a book that will release a new level of confidence in men, that will stir the hearts of those who desire to live full out. Here is your new narrative! Just a Bartender answers the age-old questions: • Am I living life at my full capacity? • What is the larger purpose of my life? • How do I break out and go after my dreams? • How do I build a life that counts? A man's definition becomes the center of his decisions. What a man does with his hands starts in his heart. Here's how to achieve your deepest desires. Here's how to make your story the one you've always wanted. "A clear picture of what God expects of men." —Steve Kelly, Wave Church, VA "To become a champion, secure in your identity, read this." —Dale C. Bronner, Atlanta, GA

This aim of this open access book is to launch an international, cross-disciplinary conversation on fatherhood engagement. By integrating perspective from three sectors -- Health, Social Policy, and Work in Organizations -- the book offers a novel perspective on the benefits of engaged fatherhood for men, for families, and for gender equality. The chapters are crafted to engaged broad audiences, including policy makers and organizational leaders, healthcare practitioners and fellow scholars, as well as families and their loved ones.

This volume by William J. Webb explores the hermeneutical maze that accompanies any treatment of these three controversial topics and takes a new step toward breaking down walls within the evangelical community related to them.

Shows in simple terms what it takes to be a successful husband and father and to bless those closest to you--your wife and children.

Discover the Six Habits of Highly Empathic People A popular speaker and co-founder of The School of Life, Roman Krznaric has traveled the world researching and lecturing on the subject of empathy. In this lively and engaging book, he argues that our brains are wired for social connection. Empathy, not apathy or self-centeredness, is at the heart of who we are. By looking outward and attempting to identify with the experiences of others, Krznaric argues, we can become not only a more equal society, but also a happier and more creative one. Through encounters with groundbreaking actors, activists, designers, nurses, bankers and neuroscientists, Krznaric defines a new breed of adventurer. He presents the six life-enhancing habits of highly empathic people, whose skills enable them to connect with others in extraordinary ways – making themselves, and the world, more truly fulfilled.

All of life is based on principles and follows patterns. Patterns are ways in which the universe operates. You will begin to prosper when you base your life on sound principles and establish proper patterns that lead to success. In this captivating, easy-to-read book, best-selling author Edwin Louis Cole uncovers immutable principles that govern success. He addresses issues such as attitude, character, the pitfalls and benefits of wealth, the curse of debt and poverty, and of developing a lifestyle of giving that will influence others. Learning the successful patterns and principles of success is a lifelong pursuit. You are never too old and never too young to begin to master them. The patterns you learn determine the life you live. Establishing them as habits will lead you to higher heights, straighter paths, and a better life.

After examining the lives of hundreds of historical, biblical, and contemporary leaders, Dr. J. Robert Clinton gained perspective on how leaders develop over a lifetime. By studying the six distinct stages he identifies, you will learn to: Recognize and respond to God's providential shaping in your life Determine where you are in the leadership development process Identify others with leadership characteristics Direct the development of future leaders This revised and updated edition includes several new appendixes and expanded endnotes, as well as an application section at the end of each chapter.

Straight talk about what it means to be African American men. "Let's have a conversation. Let's talk man-to-man and brother-to-brother. Let's talk about how we grow into adults and what

manhood means. Let's talk brother-to-brother and man-to-man about how we relate to one another as we grow into adults. Let's talk about what defines our maleness and our manhood. Let's talk brother-to-brother as African American men. Let's talk openly and honestly about what it means to be black men and American. We can no longer assume that we all know what it means to be African American men. This is a conversation that is long overdue. Let's talk together and listen to one another. This is our time to talk instead of being talked about. It is time for us to shed the unhealthy images and opinions that we have accepted as the standards of what it means to be Black men. The benefits of our talk will transform our souls as well as benefit all the girls and women in our lives." from the book

There are opportunities everywhere for women who have the courage to seize them! You have more than you think you have. You can do more than you think you can. You alone are responsible to use the intelligence, talents, abilities, and gifts God has given you. Edwin and Nancy Cole took the truths and experience gathered from over half a century of marriage and ministry together to write this study guide companion to their book, *Unique Woman*. In one of Christianity's modern classics, the Coles furnish tools to achieve the image God holds for women. In the same upfront and honest style that made Ed Cole an internationally known minister to men, he learned with his wife Nancy, whom he called "The Loveliest Lady in the Land," to answer the heart's cry of women around the world who said, "Write us a book!"

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

With no-holds-barred honesty and poignant storytelling, Nate Larkin introduces a model of community and friendship that is reinvigorating men's ministry across the country, a model he calls The Samson Society. Too many men see the biblical hero Samson as their model for manhood--a rugged individualist of the highest order. Yet, Samson's solitary successes were eventually overcome by moral weaknesses. Larkin, through the story of his own past and the stories of those in The Samson Society, offers a radical, refreshing alternative.

Understand today why God created you to be sexual and discover the pleasure of honoring your most precious gift! God made sex good! Sex is to be valued and respected. You have one thing that you can give one time to only one person in one lifetime. Possibly the most unusual and the most important book about sex you will ever read. *Sexual Integrity Workbook* addresses sexuality with powerful insight. Refreshing wisdom for every sexual question or issue you have.

. . . the four books comprising the series would certainly be a valuable addition to any entrepreneurship library. However, each book also stands alone as an individual purchase. Lorraine Warren, *International Journal of Entrepreneurial Behaviour and Research* The book delivers what it promises: a map of the uses of narrative methods in entrepreneurship studies. It is both an interesting contribution to the field and an important methodological handbook for all entrepreneurship researchers who are thinking of adopting qualitative methods in their inquiries. However, it may also be read with advantage by other researchers using ethnography as their main methodological approach to social studies. . . The aim of the book is to show how narratives can enrich entrepreneurship studies, a goal that in my opinion is aptly fulfilled. Monika Kostera, *Scandinavian Journal of Management* . . . the contributors in this text breathe fresh and imaginative linguistic resources and narrative/discursive frames of reference into the inquiry of entrepreneurial activities. The anecdote, the narrative, the metaphorical, the discursive and the dramaturgical are significant therefore, not only because they bring to the surface voices, emotions, processes and the relationality of (everyday) entrepreneurial activity that have possibly been previously silenced. But also, to paraphrase Steyaert, these approaches highlight the controversial and interactive aspects of the research process. . . The text is welcome because it treats narrative in a serious and scholarly way. Denise Fletcher, *International Small Business Journal* In their edited book *Narrative and Discursive Approaches in Entrepreneurship*, Daniel Hjorth and Chris Steyaert provide a fascinating glimpse into a perspective on entrepreneurship that will be enlightening for many readers. Entrepreneurship authors typically talk about theory, methods, and data as if a straight-forward linear process united them all, and making sense of entrepreneurship was simply a matter of knowing how to interpret one's findings. By contrast, the authors in this volume propose narrative and discursive approaches in which the contributing authors emphasize rich description, reflexive conceptualization, and interpretations offered as part of the story itself. They draw upon an international set of cases, including Russia, Sweden, Denmark, Norway, Venezuela, and North America. The cases themselves make for fascinating reading, quite apart from what we learn about the difficulties of imposing a particular interpretation on a given story. For example, taxi drivers in Caracas, management consultants in Denmark, and women entrepreneurs in northern Norway all make for fascinating narratives from which to understand the entrepreneurial process. Unlike many edited books which have no plot, the editors have included opening and closing sections that link the chapters, offer alternative readings of them, and propose new and expansive ways of thinking about entrepreneurship. Howard Aldrich, University of North Carolina at Chapel Hill, US Daniel Hjorth and Chris Steyaert set out to advance the study of entrepreneurship by refocusing the lens of discovery from economics, management and marketing to other paradigmatic stances in social sciences and humanities like anthropology and literary studies. The result is a provocative collection of chapters that inspire the reader to consider and explore new ideas and research practice that incorporate both the context and place of entrepreneurship. From the perceptive insights of the editors to the rigorous and provocative discourse of the chapters and thoughtful responses in the conclusion

emerges a story, in the best of storytelling tradition, about how a linguistic turn can rouse new insights. The editors ask, how do these texts move you? they entice, provoke, challenge, stimulate and guide. Their implications should be far reaching and required reading for any student of t

Courage is a call to men who want to be champions, a daring challenge to young men who want to be a success in life, a rousing cry for mature men to come alive again! From the acrid streets of New York to the arid deserts of Namibia to the airless mountains of Nepal, men worldwide, both young and old, are fighting a war waged against them, both physically and spiritually. Learn how to fight an enemy that would emasculate your manhood, shame your God-given ambitions, mock your ego-mastery, and try to make you a wimp. More than ever before in history, young men today must be trained to be men and have the courage to live in that manhood. If you have the guts to do more than wallow in a moral morass of mediocrity, this book is for you! Don't waste your youth! Live your God-given dreams! This book will train you in manhood, in responsibility, in maturity, and in warfare. The only question is: Do you have the courage to read it?

Women of every culture and society are facing the dilemma of identity. Traditional views of what it means to be a woman and changing cultural and marital roles are causing women conflict in their relationships with men. Women are under tremendous stress as they struggle to discover who they are and what role they are to play today—in the family, the community, and the world. In this expanded edition of *Understanding the Purpose and Power of Women*, now with helpful study questions following each chapter, best-selling author Dr. Myles Munroe examines societies' attitudes toward women and addresses vital issues such as: Are women and men equal? How is a woman unique from a man? What does the Bible really teach about women? Is the woman to blame for the fall of mankind? What are the purpose and design of the woman? Should women be in leadership? What is a woman's basic communication style? What are a woman's emotional and sexual needs? What is a woman's potential? To live successfully in the world, women need a new awareness of who they are and new skills to meet today's challenges. Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be.

The human population's annual total consumption is not sustainable by one planet. This unprecedented situation calls for a reform of religious cultures that promote a large ideal family size. Many observers assume that Christianity is inevitably part of this problem because it promotes "family values" and statistically, in America and elsewhere, has a higher birthrate than nonreligious people. This book explores diverse ideas about human reproduction in the church past and present. It investigates an extreme fringe of U.S. Protestantism, including the Quiverfull movement, that use Old Testament "fruitful" verses to support natalist ideas explicitly promoting higher fecundity. It also challenges the claim by some natalists that Martin Luther in the 16th century advocated similar ideas. This book argues that natalism is inappropriate as a Christian application of Scripture, especially since rich populations' total footprints are detrimental to biodiversity and to human welfare. It explores the ancient cultural context of the Bible verses quoted by natalists. Challenging the assumption that religion normally promotes fecundity, the book finds surprising exceptions among early Christians (with a special focus on Saint Augustine) since they advocated spiritual fecundity in preference to biological fecundity. Finally the book uses a hermeneutic lens derived from Genesis 1, and prioritising the modern problem of biodiversity, to provide ecological interpretations of the Bible's "fruitful" verses.

It is common knowledge that, in rich societies, the poor have worse health and suffer more from almost every social problem. This book explains why inequality is the most serious problem societies face today.

Braving today's masculinity maze, with its confused images that distort real manhood, requires courage and wisdom. Edwin Louis Cole, as a mentor, friend, and spiritual father, declares a model for manhood that is infallible, functional, and yet feasible the manhood of Christlikeness. *Real Man* rips apart unfulfilling stereotypes, smothers the pressure of unrealistic demands, exposes cheap substitutes and sordid imitations of true manhood while giving a man the power he needs to obtain the spirit and conviction of being a real man. *Real Man* addresses the full range of a man's life marriage, finances, friendships, success, failure, parenting, and spirituality. Jesus Christ overcomes substitute manliness and sets the standard for real manhood to help men be real.

Pornography. Adultery. Television addiction. Immaturity. Dr. Edwin Louis Cole, known as "the father of the Christian men's movement," was not afraid to tackle the tough topics that affect men today. His straightforward, biblical insights help men and women alike to realize their full potential in Christ. Putting the principles found in *Maximized Manhood* into practice will revolutionize your home and transform your life into what God designed it to be. This newly revised edition of a bestselling book for men just got better

This best-selling resource provides a general overview and basic information for all adult intensive care units. The material is presented in a brief and quick-access format which allows for topic and exam review. It provides enough detailed and specific information to address most all questions and problems that arise in the ICU. Emphasis on fundamental principles in the text should prove useful for patient care outside the ICU as well. New chapters in this edition include hyperthermia and hypothermia syndromes; infection control in the ICU; and severe airflow obstruction. Sections have been reorganized and consolidated when appropriate to reinforce concepts.

Building upon the "Four Pillars of Manhood" model set forth in his bestseller *Tender Warrior*, author Stu Weber leads readers in an expanded, in-depth biblical exploration of what it means to be a king, warrior, mentor, and friend. Addressing key circumstances faced by men of all ages and backgrounds, *Four Pillars of a Man's Heart* focuses on areas of struggle and opportunity faced by husbands, fathers, and single men of all ages and backgrounds.

Life is a journey and success takes some work! Dr. I.V. Hilliard, seen nationwide on the *Changing Lives Through Faith* television broadcast, helps men begin an amazing scriptural journey of worth, faith, and success starting with their commitments.

What if you realized that the Gospel of Jesus Christ is not centrally focused on "doing" the will of God, but "becoming" the will of God? What if God's word is sown as seed in your heart, conceiving the nature of Jesus Christ within so that this new nature can be organically grown out of you, transforming you into the image of Christ by the Holy Ghost? Read *The Organic Gospel* and finally understand what salvation is really about...maybe for the first time in your life.

"Real manhood and Christlikeness are synonymous." --Edwin Louis Cole
Braving today's masculinity maze, with its confused images that distort real manhood, requires courage and wisdom. Edwin Louis Cole, as a mentor, friend, and spiritual father, declares a model for manhood that is infallible, functional, and yet feasible--the manhood of Christlikeness. *Real Man* rips apart unfulfilling stereotypes, smothers the pressure of unrealistic demands, exposes cheap substitutes and social imitations of true manhood--while giving a man the power he needs to obtain the spirit and conviction of being a real man. Jesus Christ Get and stay on top Determine your heart's direction Achieve fulfilling accomplishments Clarify your role as a leader, husband, father, friend. Real Man addresses the full range of man's life--marriage, finances, friendships, success, failure, parenting, and spirituality. Jesus Christ overcomes substitute manliness and sets the standard for real manhood to help men be real. "Ed Cole's training for men is a fiery instrument at a strategic time. Get it to ignite the renewed flame of practical, purposeful, manly living for this day!" -Pastor Jack Hayford "Sometimes you meet a man who forever impacts the way you think and, most importantly, the way you live. Dr. Edwin Louis Cole was such a man, and is such a man still, through his writing. Enjoy!" --Actor Chuck Norris

Raised as a Southern Baptist in Rome, Georgia, Susan M. Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville, Kentucky, was ordained a Southern Baptist minister, and prepared herself to lead a life of leadership and service among Southern Baptists. However, dramatic changes in both the makeup and the message of the Southern Baptist Convention during the 1980s and 1990s (a period known among Southern Baptists as "the Controversy") caused Shaw and many other Southern Baptists, especially women, to reconsider their allegiances. In *God Speaks to Us, Too: Southern Baptist Women on Church, Home, and Society*, Shaw presents her own experiences, as well as those of over 150 other current and former Southern Baptist women, in order to examine the role, identity, and culture of women in the largest Protestant denomination in the country. The Southern Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery. Shaw sketches the history of the Southern Baptist faith from its formation, through its dramatic expansion following World War II, to the Controversy and its aftermath. The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership of the Southern Baptist Convention (the denomination's guiding body) with conservative and fundamentalist believers. Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation -- or her own family -- rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women, and church leadership remains overwhelmingly male as a result. Despite the vast difference between the denomination's radical beginnings and its current position among the most conservative American denominations, freedom of conscience is still prized. Shaw identifies "soul competency," or the notion of a free soul that is responsible for its own decisions, as the principle by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine. These women are often perceived from without as submissive secondary citizens, but they are actually powerful actors within their families and churches. *God Speaks to Us, Too* reveals that Southern Baptist women understand themselves as agents of their own lives, even though they locate their faith within the framework of a highly patriarchal institution. Shaw presents these women through their own words, and concludes that they believe strongly in their ability to discern the voice of God for themselves.

Maximize your life, as millions of men have worldwide, by studying the Christian classic, *Maximized Manhood!* Edwin Louis Cole, the father of the Christian men's movement, spoke with a prophetic voice to men. Just months before leaving earth for Heaven, he revised his signature work, adding five crucial chapters he believed would strengthen *Maximized Manhood* for the next generation.

The Bible is filled with amazing people, and Paul stands out prominently among them. What made him so effective, so influential? In this book, author Jim George explores how Paul took God's priorities for life and made them his own. The result? He had a significant impact on everyone around him. From Paul we can learn how to... let God's power work in and through us acquire discernment for making right decisions and choices pursue holiness that allows God to work through us unhindered stay faithful to God's calling all the way to the end Because it is God who enables us, these qualities are accessible to every believer. Readers will experience true fulfillment as they take steps toward making a difference in the workplace, at home, at church, and in their community.

If you've ever wanted to quit, read this first! Stress. Change. Crisis! Everyone know what it's like. Everyone has been tempted to walk away, forget it, give up. "Crisis is normal to life," best-selling author Edwin Louis Cole teaches. But God has a way for you to become a winner in every situation. **WINNERS ARE NOT THOSE WHO NEVER FAIL BUT THOSE WHO NEVER QUIT** Facing the challenge of a job loss, a mid-life crisis, a troubled marriage, moving, financial difficulties and general stress can become the fuel that propels you to your greatest victories and success! In this study guide for the best-selling book, Edwin Louis Cole offers real, sensible solutions to contemporary changes and crises. You'll learn... What to do in crisis Ten steps to leave the old and enter the new How to transform crisis into overwhelming success What is your part; what is God's part? When life is just too tough, God's faithfulness is tougher. Even if you're tempted to quit, you can make it through! Edwin Louis Cole was known for his practical application of wisdom. Using pithy statements and a confrontational style that demanded social responsibility and family leadership, he mentored hundreds of thousands of men worldwide. Over five million people studied his principles in the last fifty years. His powerful books have become the most widely-used Christian men's resources in the world.

As U.S. military forces appear overcommitted and some ponder a possible return to the draft, the timing is ideal for a review of how the American military transformed itself over the past five decades, from a poorly disciplined force of conscripts and draft-motivated "volunteers" to a force of professionals revered throughout the world. Starting in the early 1960s, this account runs through the current war in Iraq, with alternating chapters on the history of the all-volunteer force and the analytic background that supported decisionmaking. The author participated as an analyst and government policymaker in many of the events covered in this book. His insider status and access offer a behind-the-scenes look at decisionmaking within the Pentagon and White House. The book includes a foreword by former Secretary of Defense Melvin R. Laird. The accompanying DVD contains more than 1,700 primary-source documents-government memoranda, Presidential memos and letters, staff papers, and reports-linked directly from citations in the electronic version of the book. This unique technology presents a treasure trove of materials for specialists, researchers, and students of military history, public administration, and government affairs to draw upon.

A much-needed, often startling debate on the personal and political dimensions of masculinity.

Three Essential Elements to Build Relationships that Last! Most men would do almost anything to overcome their three primary problems in relationships with women. Communication, Sex & Money has solid solutions for all three. Filled with everyday examples, the book will teach readers how to defeat difficulties and create a satisfying, peace-filled, and long-lasting marriage. For years, men have called this Christian bestseller the "sex and money" book, while wives have bought it for husbands in hopes of improving communication. Whatever the motivation, thousands of men have turned their relationships around by applying these time-proven patterns and principles.

There are opportunities everywhere for women who have the courage to seize them! You have more than you think you have. You can do more than you think you can. You alone are responsible to use the intelligence, talents, abilities, and gifts God has given you. Edwin and Nancy Cole took the truths and experience gathered from over half a century of marriage and ministry together to write Unique Woman. In one of Christianity's modern classics, the Coles furnish tools to achieve the image God holds for women. In the same upfront and honest style that made Ed Cole an internationally known minister to men, he learned with his wife Nancy, whom he called "The Loveliest Lady in the Land," to answer the heart's cry of women around the world who said, "Write us a book!"
