FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations. The story of the ZR-1 Corvette and the high-performance LT5 engine is a fascinating tale of interest to every Corvette enthusiast. The author gives you an inside look at how the ZR-1 was born, what went into the design and manufacture of the LT5 engine, and why production was discontinued. THE HEART OF THE BEAST also discusses the exciting American and European debuts of the ZR-1, the numerous world records set by this potent Corvette, and the various aftermarket variations of the ZR-1. Alphabetically arranged by state, this indispensable annual directory to over 21,000 employers offers a variety of pertinent contact, business, and occupational data. - American Library Association, Business Reference and
