Tony StoryG Street Chronicles.

In Philadelphia, nothing is the same after a deadly shooting has everyone on edge and revenge is in the air.

The emerging asteroid mining industry has extremely ambitious intentions. It is within the realm of possibility that their work may usher in a change in global economics as profound as the Industrial Revolution. As may be expected, press reports dealing with asteroid mining have been numerous, ranging in scope from short and breezy to broad and serious, and in quality from accurate to impressionistic to simply uninformed. There is good reason to be curious about what may be the biggest game-changer in human economic history. And there is good reason to look closely at the underlying science and engineering that form the foundation of this work.

The BCS Glossary is the most authoritative and comprehensive work of its kind. This
