The Eucharist should not be limited to the congregation that gathers to hear the word of God and proclaim its faith. It is, first of all, the active presence of the sacrifice of Christ, who gathers us together and lets us partake of his divine life through his body and blood in Communion. Christians are always hoping to find helpful ways to contemplate the eucharistic mystery in all its fullness, and this set of meditations by Father Raniero Cantalamessa - presented by him in the presence of Pope John Paul II - is written in a simple and warm style and nourished by Scripture and the teachings of the Church Fathers from both the East and the West. These meditations answer the needs of all who hope to experience the radiant and radiating Eucharist that shines into their hearts and into the life of the Church.

This volume integrates the theme of Spain in Italy into a broad synthesis of late Renaissance and early modern Italy by restoring the contingency of events, local and imperial decision-making, and the distinct voices of individual Spaniards and Italians.

A book this genuine was needed! Sister Emmanuel offers through it a pure echo of Medjugorje, the eventful village where the Mother of God has been appearing since 1981. She shares at length some of the personal stories of the villagers, the visionaries, and the pilgrims who flock there by the thousands, receiving great healings. Ten years of awe have inspired this book. These 89 stories offer a glimpse into the miracles of Mary's motherly love. More than just a book, this is a (one-way) ticket to happiness! "This book fills me with joy, as I too am a supporter, protector and propagator of Medjugorje. Sister Emmanuel's presence in Medjugorje is providential: she has a charism of clarity to explain in the messages and events of Medjugorje." Monsignor Frane Franic Archbishop

That’s why this book is important! It reveals the marvels our Mother works in our hearts, through Med-jugorje. I pray to God for the readers: may this book help you, may these testimonies be an example to change your life.” Marija Pavlovic-Lunetti One of the Visionaries at Medjugorje A must read! “The Hidden Child of Medjugorje” (2007) Fr. Saint John the Little was a monk and hegumen of Scetis (Wadi Natrun) during the first great period of early Egyptian monasticism. The Apophthegmata preserve some fifty sayings by or about him (see CS 59, 85 '96). In addition, Zacharias, eighth-century Bishop of Sakha, wrote his Life, more than seventy percent of which is composed of material not found in the Apophthegmata. John bears witness to the formative period of early Egyptian monasticism. His Life, with its emphasis on obedience and compassion, offers a lively witness to the earliest monastic traditions and to their transmission and continuing importance

In order, then, to attach ourselves to this great means of salvation, we must first of all consider how necessary it is to us, and how powerful it is to obtain for us all the graces that we can desire from God, if we know how to ask for them as we ought. Hence, in the first part, we will

speak first of the necessity and power of prayer; and next, of the conditions necessary to make it efficacious with God. Then, in the second part, we will show that the grace of prayer is given to all; and there we will treat of the manner in which grace ordinarily operates. Aeterna Press

A NEW YORK TIMES BESTSELLER "Already the most discussed and most important religious book of the decade." —David Brooks In this controversial bestseller, Rod Dreher calls on American Christians to prepare for the coming Dark Age by embracing an ancient Christian way of life. From the inside, American churches have been hollowed out by the departure of young people and by an insipid pseudo-Christianity. From the outside, they are beset by challenges to religious liberty in a rapidly secularizing culture. Keeping Hillary Clinton out of the White House may have bought a brief reprieve from the state's assault, but it will not stop the West's slide into decadence and dissolution. Rod Dreher argues that the way forward is actually the way back—all the way to St. Benedict of Nursia. This sixth-century monk, horrified by the moral chaos following Rome's fall, retreated to the forest and created a new way of life for Christians. He built enduring communities based on principles of order, hospitality, stability, and prayer. His spiritual centers of hope were strongholds of light throughout the Dark Ages, and saved not just Christianity but Western civilization. Today, a new form of barbarism reigns. Many believers are blind to it, and their churches are too weak to resist. Politics offers little help in this spiritual crisis. What is needed is the Benedict Option, a strategy that draws on the authority of Scripture and the wisdom of the ancient church. The goal: to embrace exile from mainstream culture and construct a resilient counterculture. The Benedict Option is both manifesto and rallying cry for Christians who, if they are not to be conquered, must learn how to fight on culture war battlefields like none the West has seen for fifteen hundred years. It's for

all mere Christians—Protestant, Catholic, Orthodox—who can read the signs of the times. Neither false optimism nor fatalistic despair will do. Only faith, hope, and love, embodied in a renewed church, can sustain believers in the dark age that has overtaken us. These are the days for building strong arks for the long journey across a sea of night.

In this classic Catholic novel, Bernanos movingly recounts the life of a young French country priest who grows to understand his provincial parish while learning spiritual humility himself. Awarded the Grand Prix for Literature by the Academie Fran?aise, *The Diary of a Country Priest* was adapted into an acclaimed film by Robert Bresson. A book of the utmost sensitiveness and compassion? it is a work of deep, subtle and singularly encompassing art.? ? New York Times Book Review

Spain, summer 1937. The civil war between Spanish nationalists and republicans rages. On the bloody sierras of Aragon, among Generalissimo Franco's volunteers is Martin Bora, the twenty-something German officer and detective whose future adventures will be told in *Lumen*, *Liar Moon*, *The Road to Ithaca* and others in the Bora series. Presently a lieutenant in the Spanish Foreign Legion, Bora lives the tragedy around him as an intoxicating epic, between idealism and youthful recklessness. The first doubts, however, rise in Bora's mind when he happens on the body of Federico Garcia Lorca, a brilliant poet, progressive and homosexual. Who murdered him? Why? The official version does not convince Bora, who begins a perilous investigation. His inquiry paradoxically proceeds alongside that which is being carried out by an "enemy": Philip Walton, an American member of the International Brigades. Soon enough

In the second decade of the sixteenth century medieval piety suddenly began to be attacked in some places as 'idolatry', or false religion. Wherever these ideas became accepted, churches were sacked, images smashed and burned, relics destroyed, and the Catholic Mass abolished. This study calls attention to the centrality of the idolatry issue for the Reformation. It traces the development of Protestant iconoclastic theology and practice, provides a survey and synthesis of its unfolding from Erasmus through Calvin, and lays a foundation for understanding the Reformed ideology that stood in conflict with Catholicism and Lutheranism. Professor Eire's main thesis is that the argument against 'idolatry' was central to Reformed Protestantism, both in its theological aspect and in its political ramifications, and that it reached its fullest and most enduring expression in Calvinism.

Collected altogether in this volume, these stories form a searing and indelible portrait of American innocence and loss. From the collections Will You Please Be Quiet, Please?, Where I'm Calling From, What We Talk About When We Talk About Love, and A New Path to the Waterfall; including an introduction by Robert Altman. Fr. Raniero Cantalamessa, OFM Cap, preacher to the papal household for over forty years, graciously accepted Pope Francis’s invitation to lead a six-day retreat for the bishops of the United States in January 2019. *Shepherds and Fishermen* contains the reflections and meditations that guided this gathering, presented in an accessible format for groups and individuals seeking spiritual and ministerial inspiration.

Shepherds and Fishermen lifts up the words of Mark 3:14: “He appointed twelve . . . that they might be with him and he might send them forth to preach.” Reflections and meditations offered in *lectio divina*, homilies, and liturgies focus on what it means to “be with Jesus” while also “going forth to preach.” Retreatants will reflect upon the ways their ministry is dependent upon both personal sanctification and pastoral activity. The twenty-six scripturally based and culturally relevant meditations make *Shepherds and Fishermen* an ideal companion for a self-directed retreat or a prolonged spiritual exercise. As Jesus’s call to be shepherds of sheep and fishers of men is addressed to every baptized person, the wisdom shared in this book will be treasured by bishops, priests, deacons, religious, candidates, and seminarians, as well as laity who wish to

2009 Catholic Press Association Award Winner! A decade after the untimely death of renowned Scripture scholar Father Raymond E. Brown, SS, he continues to inspire and inform scholars and preachers, students and pastoral ministers, lay and ordained. It was only days after Father Brown's death that his final book was published by Liturgical Press. That book, *Christ in the Gospels of the Ordinary Sundays*, completed his six-volume series on preaching the Scriptures, a series that had begun in the mid-1970s with the publication of his popular *An Adult Christ at Christmas*. Those six volumes are collected here in one convenient commemorative edition to mark the tenth anniversary of Brown's death. Brown's work is left largely untouched, and readers will find that his wisdom is lasting. Yet Brown, being a scholar's scholar, would recognize the need for some enhancement in a work being republished some thirty years after the first volume appeared. Appropriately, then, this edition contains introductory essays by Brown's colleagues and friends John R. Donahue, SJ, and Ronald D. Witherup, SS, as well as useful indexes and a bibliography of resources for preaching the word of God in the context of the lectionary. As Witherup notes in his preface, Brown had the rare capacity to simplify complex biblical studies in a manner that did not 'dumb down ' the material but allowed it to be understood by a wide audience. . . . He did this in a fashion that was both inspiring and educational. That very broad audience 'those who grew up with Brown, so to speak, as well as a whole new generation of readers and preachers of the

word 'will find this book to be a source of inspiration and knowledge that they will turn to again and again. Raymond E. Brown, S.S., (1928 -1998) was the Auburn Distinguished Professor of Biblical Studies at Union Theological Seminary in New York City. He was author of some forty books on the Bible and past president of three of the most important biblical societies in the world. By appointment of two popes (Pal VI in 1972, John Paul II in 1996) Brown was a member of the Roman Pontifical Biblical Commission. Time magazine called him probably the premier Catholic Scripture scholar of the U.S.

“I am increasingly convinced that the decisive question that demands an answer from us is not so much how believers experience the liturgy, but whether believers live from the liturgy they celebrate.” With these few words Goffredo Boselli captures the essence of this present work. Believers can celebrate the liturgy throughout their lifetimes without ever really drawing their lives from it. And this is true of all believers—laity, clergy, or monastics. More than a century after the start of the liturgical movement and half a century after the start of the postconciliar liturgical reform, we must ask the difficult question of whether the liturgy has or has not become the source of the spiritual life of believers. For only by living from the liturgy can they receive the nourishment necessary to maintain a life of faith in today’s world. In *The Spiritual Meaning of the Liturgy*, Goffredo Boselli—one of Europe’s foremost liturgical theologians—offers an accessible and important guide for both scholars and interested laypeople to understand the

meaning that permeates the liturgy and its implications for daily living. Readers will find here a resource to help understand the liturgy more fully, interiorize it more effectively, and live it more authentically.

The two Jesuits met in Jerusalem and became friends: two worlds, one faith--and a passionate search for ways in which the message of Jesus of Nazareth can still be effective for tomorrow. In a series of conversations they ask what faith can mean for life, what future young people have in the church, and what must be changed so that Christianity itself has a future. The questions from young people are the catalyst for deep thought. Is the future only dark? Where are the rays of light on the horizon? What would Jesus say today?
