

Metabarons Genesis Castaka 2 The Rival Twins

A powerful cocktail of science fiction, humor, and social criticism written and drawn by the artist of The Metabarons: Juan Gimenez!

From what could only have originated from the mind of "El Topo" director, and "The Metabarons" author, Alexandro Jodorowsky, "Bouncer" follows the adventures of a one armed gunslinger and sometimes saloon bouncer in one of the Wild West's many dangerous and vice-infested towns. Drawn by acclaimed artist François Boucq in a gritty and realistic style.

The entire Metabarons clan space saga in one incredible deluxe edition.

The adventures of a young John Difoole before he became the most famous Sci-Fi anti-hero.

Winner of the Best Artist Award at the Angoulme Festival! Jean-Pierre Gibrat's lushly colored graphic novel is one of the most stunningly beautiful comics of the 21st Century. The story takes place in Paris during the German Occupation and stars a memorable heroine in the French Resistance fighter named Jeanne. With the help of an apolitical cat burglar named François, she tries to save her comrades, including her missing sister Cécile, from the Gestapo. They walk in the places between shadows, as Gibrat uses the evocative Paris rooftops and river barges on the Seine almost as separate characters. The book also includes a portfolio of pin-ups featuring its heroine.

A daybreaker rebels on an overpopulated planet in this dystopian adventure by the author of the World of Tiers series. Jeff Caird was once a daybreaker: a criminal who avoided government-required suspended animation by living seven different identities. Now he goes by the name William St.-George Duncan, and he's suppressed the memory of his past, and even his real identity, in order to avoid harsh punishment by the government of the Organic Commonwealth of Earth. But the danger is far from over, and the authorities continue to hunt him—because among the things he's forgotten there's something very important . . . In the wilderness of northern New Jersey, Dunc has fallen in with a group of rebel daybreakers. As he struggles to retrieve the memory that's so valuable—and dangerous—to the government, he learns from his new allies that there's a larger movement to break free from the control of the corrupt World Council that limits citizens to one day of consciousness per week. And the knowledge buried

deep within him may be the key to their success. Hugo award-winning Science Fiction Grand Master Philip José Farmer returns to the Dayworld universe for the second installment of his richly imagined trilogy, in which Earth's overpopulation has led to the most stringent government restrictions on personal freedom imaginable.

Collecting four tales of all-out Wolverine action! First, meet the Road Dawgs. The meanest, nastiest, most jacked-up biker gang you ever could meet. But tonight there's a stranger sitting on the stool at the end of the bar. Someone who's come here to pick a fight. Someone who's hunting far bigger game than these roughnecks, and knows exactly how to get its attention. Before the stroke of midnight, he'll get his wish. It's Wolverine at his fiercest! Then, you've heard the story before: A beautiful woman picks up a guy in a bar. They have a couple drinks, show each other a good time. And when he wakes up the next morning, the guy finds himself in a bathtub full of ice, with two fewer kidneys than he had the night before. Well, Wolverine's heard this story, too, and he ain't too thrilled by it. In fact, he's willing to bring an end to it in the most direct way he can think of! Also, all Logan wanted was a little drive in the fresh mountain air. What he got was the stench of death on a little patch of road outside the town of Pottsville. Collecting Wolverine: Chop Shop, Wolverine: Switchback, Wolverine Holiday Special: Flies To A Spider, and Wolverine Dead Man's Hand.

Before the Metabarons there were the Castakas, a clan of lawless pirates - this is their story.

Leo Roa is an aspiring young journalist who ends up an

The Metabaron is back in a new collected edition! The Metabaron character was created by legendary artist Moebius and writer Alejandro Jodorowsky in *The Incal*, and was later spun-off into his own international bestselling series *The Metabarons*, with art by Juan Gimenez. This new cycle of *The Metabarons* is a collaboration between Alejandro Jodorowsky and Jerry Frissen, exhibiting the work of talented artists including Valentin Secher and Niko Henrichon. Writer/director/producer David S. Goyer (*Man of Steel*, *Batman v Superman: Dawn of Justice*) called *The Metabarons*: “The greatest work of graphic fiction ever produced,” and it has sold millions of copies globally.

Visionary author, filmmaker, and philosopher Alejandro Jodorowsky has created — along with some of the world’s most singular and talented sequential artists — an incredible Sci-Fi universe, full of love, revenge, intrigue, betrayal, and redemption: *THE JODOVERSE*. The *Jodoverse*’s two cornerstone series are *The Incal* and *The Metabarons*, which together have sold over 5 million copies worldwide. This deluxe box set (two oversized books in one deluxe slipcase box) will be limited at 1500 numbered copies. Book 1 will contain the

Moebius' and Alejandro Jodorowsky's Sci-Fi masterpiece collected in one epic volume. Lose yourself in the in the story that inspired many legendary filmmakers including George Lucas and Ridley Scott. John Difoool, a low-class detective in a degenerate dystopian world, finds his life turned upside down when he discovers an ancient, mystical artifact called "The Incal." Difoool's adventures will bring him into conflict with the galaxy's greatest warrior, the Metabaron, and will pit him against the awesome powers of the Technopope. These encounters and many more make up a tale of comic and cosmic proportions that has Difoool fighting for not only his very survival, but also the survival of the entire universe. Anthology of classic stories from 2001-2004

We are instantly plunged back into the unique atmosphere of the world of "The Incal," as we witness John Difoool's search for his identity and his origins, his first meeting with Deepo, and the appearance of many of the series' key characters, such as the Metabaron or Diavaloo.

First pregnancy can be a fraught, uncomfortable experience for any woman, but for resolutely butch lesbian Teek Thomasson, it is exceptionally challenging. Teek identifies as a masculine woman in a world bent on associating pregnancy with a cult of uber-femininity. Teek wonders, "Can butches even get pregnant?" Of course, as she and her pragmatic femme girlfriend Vee discover, they can. But what happens when they do? Written and illustrated by A.K. Summers, and based on her own pregnancy, *Pregnant Butch* strives to depict this increasingly common, but still underrepresented experience of queer pregnancy with humor and complexity—from the question of whether suspenders count as legitimate maternity wear to the strains created by different views of pregnancy within a couple and finally to a culturally critical and compassionate interrogation of gender in pregnancy. Offering smart, ambitious art, this graphic memoir

is a must-read for would-be pregnant butches and anyone interested in the intersection of birth and gender, as well as a perfect queer baby shower gift and conversation starter for those who always assumed they "got" being pregnant.

The Sci-Fi masterpiece by Moebius and Jodorowsky about the tribulations of the shabby detective John Difool as he searches for the precious and coveted Incal.

"The Metabarons" recounted the extraordinary saga of the genealogy of the galaxy's ultimate warrior. But his ancestors also had ancestors. And far from being noble warriors with an inflexible code, one will discover they were in fact disloyal, vengeful pirates born out of brutality and war. From legendary creator Alejandro Jodorowsky and artist Das Pastoras, and for all of those who dreamt of a sequel to "The Metabarons," comes instead the origin tale of their first ancestor, Dayal de Castaka.

The return of the greatest warrior in the universe: The Metabaron!

A hard Sci-Fi series about the intersection of spatial exploration and earthy invasion.

A must-read cult spin-off of "The Incal," by Moebius and Jodorowsky, centering around the fascinating lineage of the ultimate warrior. Science Fiction as a whole.

After the Greek tragedy of "The Metabarons," Alexandro Jodorowsky comes back to his biblical roots with this quest reminiscent of Moses and set on a galactic scale. To top it off, the characters and the theme of virtual reality are tailor-made for artist Zoran Janjetov ("Before The Incal"), who finds in Jodorowsky his perfect match. Albino, hero of this space odyssey, remembers here his childhood, his apprenticeship, and the big and small battles he had to fight to fulfill his ambitions in a universe where technological advances are paradoxically matched only by the cruelty and the barbarism of the forces controlling it.

On Megalex, the city-planet, the laws of nature are prohibited. The tyrannical order reigns over a renewed population controlled by genetic manipulation. Due to the repeated attacks of the neighboring forest, primitive and impenetrable, the urbanized system in command allowed an 'anomaly,' a clone policeman nearly 10 ft tall, to escape. Guided by Adama, one of the rebels fighting for their freedom, the gentle giant manages to join the camp of the 'objectors' and help them go up against the evil powers of Megalex.

Near future. The NASA is confident it finally discovered an exoplanet likely to accommodate life. Located 4 light-years from earth, Darwin II creates a lot of questions and is scheduled for imminent exploration by a space probe. At the same very moment, an orbital space station is struck by a missile shot from the moon, killing several astronauts. Coincidence or conspiracy?
