This book promotes the use of reference materials by offering simple guidance to the often baffling subject of how to use reference tools. The worksheets can be completed with minimal assistance from the teacher, but students will require access to the reference books presented. The intriguing subjects on the worksheets were chosen to challenge the imagination and lead to further independent study. The study skills presented here will also help students proceed toward more efficient and productive work habits.

This book presents supplementary learning experiences which focus on basic geographical concepts and skills. The activities provide practical learning projects, stimulate critical responses, and enhance the understanding of the geography of the United States. Each of the twelve teaching units in the book is introduced by a full-color transparency (print books) or PowerPoint slide (eBooks) that emphasizes the basic concept of the unit. Student activity pages provide reinforcement and follow-up activities. The teaching guide offers student activity objectives, the teaching focus, suggestions for enrichment projects, and a complete answer key.

The Revolutionary War contains 12 full-color transparencies (print books) or PowerPoint slides (eBooks), 28 reproducible pages including five pages of test material, and a richly detailed teacher's guide. This volume covers the major military campaigns of the war and ends with the Treaty of Paris.

Issue your students a passport to travel the globe with this incredible new series! Eight jam-packed books visit more than 50 countries from all seven continents, from North America to Australia and back again. Units feature in-depth studies of each country's history, culture, language, foods, and so much more. Reproducible pages provide cross-curricular reinforcement and bonus content, including activities, recipes, and games. Numerous ideas for extension activities are also provided. Beautiful illustrations and photographs make students feel as if they're halfway around the world.
