Graduate Aptitude Test in Engineering (GATE) is one of the most competitive exams taken by engineering graduates. The Indian Institute of Science (IIS), Bangalore and the seven Indian Institute of Technology (IITs) jointly conduct the GATE exam every year. GATE provides a golden opportunity for aspirants to develop their interests in various aspects of science. It is very popular among engineering aspirants as it facilitates them with innovative and learning experience in the field of science and technology. The Indian Institute of Technology, Delhi is the chief organizing institution of GATE Life Sciences 2020.

GATE Electrical Engineering is a three-hour long test that measures the candidature of participating electrical engineering graduates for taking their postgraduate engineering studies. Also, these candidates take GATE Electrical Engineering for acquiring officer level posts in various Government undertakings and renowned private businesses. Each year, several millions of electrical engineers take GATE Electrical Engineering while only a few millions of them qualify. To ease the preparation of GATE Electrical Engineering aspirants, EduGorilla has brought its two great tools- GATE Electrical Engineering mock tests and GATE Electrical Engineering online test series. GATE Electrical Engineering is held once in a year with one of the aims to produce a competent workforce of electrical engineers for both government institutions and private businesses. This way, GATE Electrical Engineering is beneficial for both test takers and their future employers. This is because successful aspirants of this test get their abilities verified for their employability. On the other hand, employers also get saved from separately organizing recruitment exams. Also, the aspirants may pursue postgraduate studies from this test. EduGorilla's GATE EE mock tests and GATE EE online test series help the aspirants in these regards.

A teacher is a person who not only teaches but also guides his/her student in building a successful career. The future of a nation lies upon the level of knowledge the people in the country are having. Thus, the responsibility of a teacher goes far beyond what we think of it at an individual level. We have seen people are interested in making their career in many other professions but teaching as a profession is not the first choice in most cases. Nevertheless, teaching is one of the most interesting professions as it involves a continuous learning exercise and at the same time making others learned by delivering the knowledge one is having. The teachers assess their students but at first, they also get assessed under UGC NET conducted by the National Testing Agency. The National Eligibility Test (NET), also known as UGC NET or NTA-UGC-NET, is the test for determining the eligibility for the post of Assistant Professor and/or Junior Research Fellowship (JRF) award in Indian universities and colleges. The economy of a country forms the basis of the standard of living of its citizens. Economics requires deep study of demand, supply, fluctuations and the behaviour of money. But how does it work? This cannot be understood by people who do not have the right knowledge in the discipline. But economists are the intellectuals who can actually study, analyze and help in stabilizing the economy of the country. In order to make sure that those who form the framework of the country are best of all, hence, they should be taught by the best teachers. The making of such teachers is a rather difficult process and is followed by various stages of testing. National Testing Agency (NTA) conducts the entry-level examination for scholars who wish to pursue Economics as their subject. With us, at EduGorilla you will be aided with numerous UGC NET Economics practice tests 2020.
