NotebookDiary, Planner

Bring a magical touch to your studies with this weekly planner inspired by the Harry Potter films. Following the 2020–2021 academic calendar (July–June), this planner shows one week per spread, offering students plenty of room to track and record homework reminders, test dates, study sessions, and more. Featuring elegant graphics and imagery from the films throughout, this planner also includes a sheet of sticker tabs, a ribbon marker, an elastic enclosure, and a pocket for storing keepsakes and mementos.

When looking at the travel journals of Giancarlo Iliprandi, one of the masters of Italian graphic design, you can see how sketching can become a way of looking at reality, and therefore a way of designing communication. Travel journals and bundles of paper filled with sketches and drawings show, much like the engine underneath the bonnet, the processes that make Iliprandi tick. As he himself says «action precedes thought» and, in this case, it is the sketch precedes the birth of the idea.

Does your heart feel the pull of nature and do you hear the whispers of the ancestors on the breeze? Do you bask in the power of the sun and the moon, welcome the cycles of the seasons and yearn for a deep connection with the earth? Witches have been around since the beginning of time, harnessing magick and connecting with higher powers. They were the wise ones of the village and used their knowledge of nature to heal the sick and restore balance to the world around them. The 2022 Witch's Diary will awaken the witch within and help you discover the freedom to express who you truly are. This practical guide will show you how to harness the magic of nature, reclaim your personal power through the discovery of ancient wisdom and embrace the feminine divine. You will journey through the year, learning to work with the forces of nature through spell work, incantations, rituals, sigils, age-old recipes and charms that use herbs, candles and crystals. This is a must-have magickal tool for anyone who has a love of the natural world and wants to bring the power and magick of the old ways into their everyday lives.

Nancy Drew and The Parent Trap come together in this bright, funny and clever middle-grade mystery series with a stylish twist! For fans of Friday Barnes and Ruby Redfort. Hannah Plum and Patti Woo are staying in a creepy, rundown chalet in the Shadow Mountains National Park, where Patti's aunt Unjoo works as a ranger. The girls' parents are keen to spot an ice owl there, but soon, they're all out looking for Unjoo's stolen dog instead. The only clue is a bit of silver wool on a kennel, and Plum & Woo sense the markings of a crime.?? With rumours of a terrifying silver wolf snapping at their heels, the girls investigate – at their peril. Who's trying to push them off a ski slope? Is something wicked hiding in the woods? Could a silver scarf be the key to the dog's disappearance? And is Hannah's new friend – from the local lolly shop – really as sweet as he looks??? Hannah and Patti will need to keep their fur-trimmed boots fastened if they're going to survive this chilling bird-watching holiday. Well, that's if they can survive the woods (and each other) first ... In every Plum & Woo instalment, Hannah and Patti will investigate a surprising and sinister fashion mystery while also navigating their newly blending family. Brimming with fun, danger and highly relatable tween angst, this series is perfect for readers aged 9+!

A collection of the year's best essays, selected by award-winning journalist and New Yorker staff writer Kathryn Schulz "The world is abundant even in bad times," guest editor Kathryn Schulz writes in her introduction, "it is lush with interestingness, and always, somewhere, offering up consolation or beauty or humor or happiness, or at least the hope of future happiness." The essays Schulz selected are a powerful time capsule of 2020, showcasing that even if our lives as we knew them stopped, the beauty to be found in them flourished. From an intimate account of nursing a loved one in the early days of the pandemic, to a masterful portrait of grieving the loss of a husband as the country grieved the loss of George Floyd, this collection brilliantly shapes the grief, hardship, and hope of a singular year. The Best American Essays 2021 includes ELIZABETH ALEXANDER - HILTON ALS - GABRIELLE HAMILTON - RUCHIR JOSHI - PATRICIA LOCKWOOD- CLAIRE MESSUD - WESLEY MORRIS - BETH NGUYEN - JESMYN WARD and others Some of our busiest relationships are with our planners and diaries - those trusty places to scribble big plans, little reminders and anything that reminds and inspires you throughout the day. This 12 month planner superbly puts together

a year, month and week by week overview, alongside square grid pages for notes. The week-by-week pages combines a daily calendar alongside space for a to-do-list. Choose our softback planner, and let's get things organised! :)

The late designer Milton Glaser once said, "The most overused word, creativity, should in fact be described as discovery." This revealing peek inside Glaser's never-before-published journals offers uncommon insight into his design process. Through notes, drawings, and sketches from his home in New York City and his travels throughout Italy, France, and Spain, Glaser inspires the reader to find meaning in even the smallest details: a cat, a stage set, a portrait, a building--all aresignificant. "The joyfulness of art is discovering the connections themselves," Glaser wrote. A brief introduction by Glaser and an interview conducted by Jeremy Elias, originally printed in theNew York Times, are included.

Shocked by the fall of France in 1940, panicked US leaders rushed to back the Vichy government—a fateful decision that nearly destroyed the Anglo–American alliance. According to US Secretary of War Henry Stimson, the “most shocking single event” of World War II was not the Japanese attack on Pearl Harbor, but rather the fall of France in spring 1940. Michael Neiberg offers a dramatic history of the American response—a policy marked by panic and moral ineptitude, which placed the United States in league with fascism and nearly ruined the alliance with Britain. The successful Nazi invasion of France destabilized American planners’ strategic assumptions. At home, the result was huge increases in defense spending, the advent of peacetime military conscription, and domestic spying to weed out potential fifth columnists. Abroad, the United States decided to work with Vichy France despite its pro-Nazi tendencies. The US–Vichy partnership, intended to buy time and temper the flames of war in Europe, severely strained Anglo–American relations. American leaders naively believed that they could woo men like Philippe Pétain, preventing France from becoming a formal German ally. The British, however, understood that Vichy was subservient to Nazi Germany and instead supported resistance figures such as Charles de Gaulle. After the war, the choice to back Vichy tainted US–French relations for decades. Our collective memory of World War II as a period of American strength overlooks the desperation and faulty decision making that drove US policy from 1940 to 1943. Tracing the key diplomatic and strategic moves of these formative years, *When France Fell* gives us a more nuanced and complete understanding of the war and of the global position the United States would occupy afterward.
