I've hated him since middle school. The effortlessly popular, lacrosse superstar, beautiful, blue-eyed nightmare Emerson Sawyer. Funny thing is, he didn't even know I existed until our senior year, when his mom started hooking up with my dad. Now he torments me in the hallways, calling me "Sis" whenever he gets the chance, relishing in the fact that I can't hide my blushing whenever he's around. Even though I can't stand him, my body betrays me-and he loves it. Emerson and his mom just moved in with us, and as if crushing on him wasn't weird enough, now our bedrooms share a wall. The sexual tension keeps building between us, but I know nothing can ever happen...especially now that our parents are engaged. I try to tell myself that I hate him, that he's wrong for me, that we'll never be together...So why did I agree to play Seven Minutes in Heaven at his girlfriend's high school party? And why does Emerson suddenly have my panties in his hands? Stepbrother Billionaire is a Stand-alone novel. It contains adult themes, harsh language, and graphic sexual content.

He likes to toy with them late at night. One so timid but the other likes to fight. When his favorite doll runs away... despite the other doll promising to stay, his heart becomes broken, and he can't help but cry. He wants her back home, or his pretty little doll must die. Have you ever had to make a decision that haunts you every single day for the rest of your life...the life you stole back? I have. I ran for my survival, rocks, and twigs cutting into the soles of my feet, my lungs burning and screaming for rest, every muscle tensed and fighting along with me for existence. I left her. I ran, ran, ran-from Benny and his lone, pretty little doll-until I couldn't remember where to find them again. I'm sorry.

I can't explain it to her because I could never explain it to myself either." Raven: "The truth is, I have always been slow to react. I don't lash out because I need time to analyze things at my own speed. People perceive that as me being logical and mature; wise beyond my age. I am not. I am indecisive and emotional. I just don't show it. I have flaws. Lots of them. Like every human

being, I am allowed to have them. I don't want to cover them up as anything else."This is a dark romance. It contains discussions about the pandemic, mental health issues, and mature new adults. Warning: This is not a typical, sappy love story. This is an all-consuming, soul-crushing, tear-your-heart-into-pieces story. It's intense, gritty and raw, dark and disturbing, and it doesn't happen overnight. This is an epic love story that knows no boundaries and has no time limits. It grows and develops—with hurt, sacrifice, and heartache—over the span of a lifetime. Eva Fox is the princess of the Silver Demons Motorcycle Club. Growing up with bikers in the club lifestyle is all that she knows. When she's a young girl, Eva meets the reason for her existence. Deuce West is the sexy, biker bad-ass of the Hell's Horsemen Motorcycle Club. Like Eva, he was born and raised in the club—but that's where the similarities end. Their first meeting is innocent, but as Eva matures into a woman, their chance reunions evolve into a fit of lust and love. Fate continues to bring them together time and time again, but their twisted journey is filled with pain, betrayal, and bloodshed that could tear them apart. Eva sees in Deuce what he cannot see in

himself—a man worthy of love—and Eva spends her lifetime proving to him that her undeniable love is the one thing he can't live without. This is Eva and Deuce's story. It wasn't easy. Nothing worth doing ever is. And love is worth everything. All those years of adolescent fantasies and this was how Bowie Bodine first touched my boobs. And he apologized. Real life was stupid and unfair. Small town deputy Cassidy Tucker's dating life is a train wreck on repeat. All she ever wanted was a solid partner. A man to share pajamas with. The handsome, big-hearted Bowie Bodine. Wait. Scratch that. Mr. You're-Like-a-Sister-to-Me is not welcome in her fantasies. She and Bowie aren't going to happen—that's been clear for a long time—and as for the rest of mankind? Cassidy's officially giving up on love and adopting cats. Good thing the cold case disappearance of Callie Kendall is heating up to keep her distracted. Except the investigation is testing her friendship with all the Bodines—Bowie in particular. Bowie Bodine knows he can't have his little sister's best friend. He made a promise, and he's determined to keep it. But putting distance between them isn't easy—not when she lives right next door. Having her poke around trying to prove his father's guilt isn't helping either. All Bowie has ever wanted is to be good enough. To shed the No-Good Bodine reputation. It's looking like he'll never be free of that shadow. But one nocturnal animal, a feverish against-the-wall kiss, and absolutely zero pajamas has a way of changing everything.

My c0ck a doodle doo is on strike. Yeah I know, I can't believe it either. Years of perfect performance and now this traitor decides to get picky. And the only woman who gets him going is my co-worker. Rival, she-devil and my competition for the biggest ad account this side of the Atlantic. If we want to win the hottest wedding designer in the world, we have to prove we understand his business. Love. Passion. Marriage. But it turns out Mya isn't familiar with any of the above. When I find out she's never taken a trip to O-town, we make a little wager. Not only will I win the client, but I'll prove to her that multiple O's are not a myth. We work together all day and fight between the sheets all night. But somewhere along the way I discover that winning isn't enough. I don't just want to win. I don't just want her body. I want her to beg me.

Long before there was a Winter King, there was a Summer Queen—Gwendolyn of Cornwall, a fierce warrior princess who raised an army to unite a nation. If you love British lore, and you ever longed to dive headlong into its spirit... If you ever hoped to meet the “tribe of the gods” who ruled Ireland and indelibly left their mark upon the British Isles... If you're ready to embark on a magical journey into the beginnings of Celtic Lore... If you can find it in yourself to trust me as your storyteller and leave all your expectations behind... join me for a rollercoaster ride through history. Said to be a changeling child left to the King and Queen of Cornwall, Gwendolyn is “blessed” at her cradle by three Fae gifts: a prophecy for her future, a gift of “Reflection,” and a golden mane—quite literally, every lock of her hair will turn to gold, only provided it is cut by her one true love. Yet no one understands more than Gwendolyn that her blessings are actually curses. Any man who gazes upon her will see his own heart reflected in her countenance, and depending upon his virtue, she is the loveliest woman in all the land... or the most hideous. It's a cruel jest of the capricious Fae, for unless a man's heart be true, Gwendolyn is destined to be coveted for her crown, but despised for her face. To make matters worse, Gwendolyn's ailing father is desperate for an alliance with King Brutus of Loegria. “The Romans are coming!” and according to the Goldenchild

Prophecy, only by uniting their dragon banners can they stem the Red Tide. Offered to Brutus's ambitious son, Prince Locrinus, Gwendolyn's heart is tempted by a mysterious, maddening half-blood Fae who she can never wed if she is to fulfill her crib side prophecy. For Roman, sexual gratification is the ultimate high; addictive and all-consuming. It must be attained, no matter the cost to himself or the Blackthorne family reputation. Considered by many to be handsome, arrogant, and tough, within him sits a ruthless determination to succeed, no matter who he steps on to achieve his goals. But at the forefront of his actions lies the need for praise, and what better way to stroke his out-of-control ego than to seduce the lonely, bored housewives of upper-crust society and occasionally their willing daughters, amongst others. Not averse to broadening his horizons, Roman plays the field while refusing to use gender as a barrier to halt winning the ultimate prize; the hedonistic pursuit of pleasure and sensual self-indulgence. Anais Richelieu: an attractive, intelligent, wealthy lady of a certain age, secures the services of Blackthorn Renovations in a bid to offload cash for tax purposes. Initially unimpressed, the tide soon turns, and she falls for the charms of the enigmatic Roman, but success isn't to be measured by first impressions, but ten solid inches of fulfilment. She's naked, she's gorgeous, and everything about her is perfect, down to the ball-busting tattoo of a rose that wraps around her hip. But it isn't just any woman making his knees buckle. It's his best friend, Rosie Madden. And as he stands there, mesmerized and precariously close to toppling off the roof, he knows he'll never, ever be able to look at her the same way again. Rosie can't help but notice that Max is suddenly acting very strange-lots of long stares, totally tongue-tied, and not at all like the slightly cocky hunk she's proud to call her best friend. She can't figure it out, until later that night when Max rescues her from the world's worst date, challenges her to a game of pool, and shows her just exactly what she's got him thinking about. Repeatedly. But life is complicated. Rosie's cat, Julia Caesar, wants to eat Max's dog Cupcake for an afternoon snack. A dream job threatens to pull them apart. And another glance through the skylight changes everything, one more time. Yet try as they might, they can't go back to being just friends, because falling in love with the one you've always adored? \*This book is part of a SERIES and NOT a standalone. A gripping, friends-to-lovers-to-enemies, dark romance. New York City--not for the faint-hearted or the sweetest of souls. The last thing I expected was to be back in this city, after all these years. And I definitely did not expect to be back in this house, where it all started. I have spent years avoiding this place, and the cold hard reality of what happened here. But I have no choice. We are all quarantined together in this house. It took the end of the world, for me to come back here and face him. Milo Sinclair. Once my legal guardian and savior in life. The person who saved me from drowning in loneliness. Who gave me everything I ever wanted. But then he took everything away from me. Plus interest. He broke me. He will not break me again. This is a dark forbidden romance. It contains discussions about the pandemic, mental health issues, mature new adults. It also contains dubious situations that some readers might find offensive. Dark romance is subjective. Some readers have found this book to be a light read while others were sensitive to the material. Milo isn't a normal romance hero, and some might not consider him a hero at ALL. So, please don't read this if any of the above bothers you. Quarantined is book one of The Quarantine Series.

Calling Nate Thornhill a rich, cocky, arrogant asshole would be an understatement. He also happens to be stunningly handsome, popular, intelligent, and captain of both the Crew and Lacrosse teams at UVA. I hate him for thinking he's untouchable-not because he's a narcissistic, privileged, borderline-misogynistic heartbreaker-but because he's right. His first words to me were at a Crew House party, and he invited me to have a threesome with him and a random girl. I could've died from the embarrassment, he didn't even know my name at the time, and he didn't care to. After that night, I promised myself to never waste another second thinking about Nate Thornhill. My world becomes a nightmare when I realize my mom's new husband Pierce has a son who's my age...and he's a junior at UVA too. I can't believe my eyes when Nate walks over and sits down next to us at dinner, introducing himself like he's never seen me before in his life. Then I feel his hand on my thigh, underneath the tablecloth with our parents sitting across from us, inching closer and closer to my panties. My mind goes fuzzy, my heart starts racing, and my body does exactly what I don't want it to do. And then they hit me with the worst news of all...Pierce has an internship lined up for me at his firm, and we're going to live at his Eastern Shore mansion for the summer. I'll be sleeping down the hall from my new stepbrother...arguing with him at every breakfast, sitting across from him at every dinner, watching as he brings an endless string of girls back to his room...secretly wishing I was one of them. Stepbrother Untouchable is a Stand-alone novel. It contains adult themes, harsh language, and graphic sexual content.
