The controversial journalistic analysis of the mentality that fostered the Holocaust, from the author of *The Origins of Totalitarianism* Sparking a flurry of heated debate, Hannah Arendt's authoritative and stunning report on the trial of German Nazi leader Adolf Eichmann first appeared as a series of articles in *The New Yorker* in 1963. This revised edition includes material that came to light after the trial, as well as Arendt's postscript directly addressing the controversy that arose over her account. A major journalistic triumph by an intellectual of singular influence, *Eichmann in Jerusalem* is as shocking as it is informative—an unflinching look at one of the most unsettling (and unsettled) issues of the twentieth century. The #1 *New York Times* bestselling novel and basis for the Academy Award-winning film—a timeless and universal story about the lines we abide by, and the ones we don't—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Aibileen is a black maid in 1962 Jackson, Mississippi, who's always taken orders quietly, but lately she's unable to hold her bitterness back. Her friend Minny has never held her tongue but now must somehow keep secrets about her employer that leave her speechless. White socialite Skeeter just graduated college. She's full of ambition, but without a husband, she's considered a failure. Together, these seemingly different women join together to write a tell-all book about work as a black maid in the South, that could forever alter their destinies and the life of a small town...

"... John Cena urges young readers to be who they are, act to make the world a better place, and never stop striving."--Provided by publisher.

What does it mean to be fully alive? Magic blends with reality in a stunning coming-of-age novel about a girl, a grandfather, wanderlust, and reclaiming your roots. Things are only impossible if you stop to think about them. . . . While her friends are spending their summers having pool parties and sleepovers, twelve-year-old Carolina — Carol — is spending hers in the middle of the New Mexico desert, helping her parents move the grandfather she's never met into a home for people with dementia. At first, Carol avoids prickly Grandpa Serge. But as the summer wears on and the heat bears down, Carol finds herself drawn to him, fascinated by the crazy stories he tells her about a healing tree, a green-glass lake, and the bees that will bring back the rain and end a hundred years of drought. As the thin line between magic and reality starts to blur, Carol must decide for herself what is possible — and what it means to be true to her roots. Readers who dream that there's something more out there will be enchanted by this captivating novel of family, renewal, and discovering the wonder of the world. Three farmers, each one meaner than the other, try all-out warfare to get rid of the fox and his family. He's the first teacher to cook us breakfast. Is his spark-maker beetle really that dangerous? I heard he drank yak's milk in Mongolia. He's the only person who isn't afraid of Canteen Carol. My mum says he used to be in the circus. The class in room 12B has a new teacher, and nothing is ever going to be the same . . .

A brilliant, unforgettable novel from bestselling author Ruth Ozeki, author of *The Book of Form and Emptiness* Finalist for the Booker Prize and the National Book Critics Circle Award “A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be.” In Tokyo, sixteen-year-old Nao has decided there’s only one escape from her aching loneliness and her classmates’ bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who’s lived more than a century. A diary is Nao’s only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao’s drama and her unknown fate, and forward into her own future. Full of Ozeki’s signature humor and deeply engaged with the relationship between writer and reader, past and present, fact and fiction, quantum physics, history, and myth, *A Tale for the Time Being* is a brilliantly inventive, beguiling story of our shared humanity and the search for home.

A New York Times Book Review Editors' Choice "Extremely wide-ranging and well researched . . . In a tradition of protest literature rooted more in William Blake than in Marx." —Adam Gopnik, *The New Yorker* The epic story of how coffee connected and divided the modern world Coffee is an indispensable part of daily life for billions of people around the world. But few coffee drinkers know this story. It centers on the volcanic highlands of El Salvador, where James Hill, born in the slums of Manchester, England, founded one of the world's great coffee dynasties at the turn of the twentieth century. Adapting the innovations of the Industrial Revolution to plantation agriculture, Hill helped turn El Salvador into perhaps the most intensive monoculture in modern history—a place of extraordinary productivity, inequality, and violence. In the process, both El Salvador and the United States earned the nickname "Coffeeland," but for starkly different reasons, and with consequences that reach into the present. Provoking a reconsideration of what it means to be connected to faraway people and places, *Coffeeland* tells the hidden and surprising story of one of the most valuable commodities in the history of global capitalism.

France. Mr. Bean has a new video camera (although he had intended to buy a kettle) and records every detail of his journey, culminating in his trip to the Cannes Film Festival, where the results of his home video will be screened. This is the story recounted in the hilarious Mr. Bean's Holiday, which releases September 28. But all the while Mr. Bean kept a diary of his creative peregrinations, and this book is the definitive and marvelous result. Here he turns his hand to travel writings and extreme scrapbooking, and has even developed his own rating system (a range of Post-it notes saying everything from "excellent" and "as good as fish and chips" to "a pile of poo"). Also included are souvenirs, menus, sugar wrappers, postcards, and photographs that he collected en route. The first Bean movie, Bean, grossed \$255 million worldwide and was an instant surprise hit in America. Much more than a straight tie-in, Mr. Bean's Definitive and Extremely Marvelous Guide to France is a hilarious stand-alone book that will appeal to anyone who loves Mr. Bean, no matter how young or old.
