Tara Walker dreams of more excitement than slinging plates of seafood for Cape Cod tourists, but as she learns when she is attacked and forced to fight for her life, fate sometimes has a funny way of giving you exactly what you wish for. Faced with strange new powers and embroiled in a murder investigation, Tara must now race to uncover the secrets of the ancient Fury that has woken inside of her – and of the evil that stalks her. As if Tara's life hasn't gotten complicated enough, she is forced to ally herself with Jackson Byrne, witness to her assault and uncle to a pint-sized oracle whose fate is intertwined with hers. Skeptical, stubborn, and oh-so-sexy, Jackson wrestles with demons of his own. In this major study, leading Austen scholar John Wiltshire offers new interpretations of Jane Austen's six novels, *Sense and Sensibility* (1811), *Pride and Prejudice* (1813), *Mansfield Park* (1814), *Emma* (1816), *Northanger Abbey* and *Persuasion* (1818). Much recent criticism of Austen has concentrated on the social, historical and intellectual context of her work, but Wiltshire turns attention back to Austen's prose techniques. Arguing that each of Austen's works has its own distinct focus and underlying agenda, he shows how Austen's interest in psychology, and especially her treatment of attention and the various forms of memory, helped shape her narratives. Through a series of compelling close readings of key passages in each novel, Wiltshire underscores Austen's unique ability to penetrate the hidden inner motives and impulses of her characters, and reveals some of the secrets of her narrative art.
