

My Lifetime Authorize

Some vols. also contain reports of cases in the General Court of Virginia.

New Shakespeare, long since out-of-print, is now reissued. Each work contains a lengthy and lively introduction, main text, and substantial notes and glossary.

Presents, in simple outline form, basic information about the oral history process. A step-by-step outline to procedures, techniques, problems and organizational methods which have proved most useful. Primarily directed towards those who have no experience with oral history.

Covers: the interview (research, framing questions, indexing, etc.), technical issues (equipment, and preservation of the audio tape), planning a project (goal setting, project organization, funding), oral history in education, professional organizations, sample forms, and bibliography.

This valuable handbook covers all facets of the legal environment of long-term care administration in a clear, non-technical fashion.

Renowned expert Harry Margolis shares his insight and experience in the ElderLaw Forms Manual, to help you better represent your elderly client. This two volume looseleaf manual contains more than 100 key forms and documents to help you: Organize a high-volume elder law practice Market your services to your clients Customize estate and Medicaid plans Provide the personalized service your clients deserve.

These practice-tested forms are designed specifically for handling the special problems that arise in the representation of older clients. Each form is accompanied by practical, insightful commentary from Harry Margolis, telling you when and how each should be used. Many documents include a range of alternative clauses for common and not-so-common situations. The 20 chapters are organized into five parts:

Managing the Elder Law Practice Estate and Long-Term Care Planning Powers of Attorney, Medical Directives and Wills Trusts

Miscellaneous. ElderLaw Forms Manual saves hours of research and drafting time, simplifies information gathering, and gives you a

competitive edge in this growing practice area. All the forms are included on an accompanying CD-ROM. ElderLaw Forms Manual is featured in Elder Law Library on IntelliConnect and coming soon to Cheetah.

Includes cases argued and determined in the District Courts of the United States and, Mar./May 1880-Oct./Nov. 1912, the Circuit Courts of the United States; Sept./Dec. 1891-Sept./Nov. 1924, the Circuit Courts of Appeals of the United States; Aug./Oct. 1911-Jan./Feb. 1914, the Commerce Court of the United States; Sept./Oct. 1919-Sept./Nov. 1924, the Court of Appeals of the District of Columbia.

Non-Aboriginal material.

Volume contains: 199 NY 323 (Personeni v. Goodale) 199 NY 588 (Pindar v. Jenkins) Unreported Case (Pritchard v. Ruppert) 199 NY 207 (City of Rochester v. Macauley-Fien Milling Co.)

With an emphasis on preparing and filing claims electronically, Health Insurance Today, 4th Edition features completely updated content on ICD-10 coding, ARRA, HI-TECH, Version 5010, electronic health records, the Health Insurance Reform Act, and more.

The friendly writing style and clear learning objectives help you understand and retain important information, with review questions and activities that encourage critical thinking and practical application of key concepts. Clear, attainable learning objectives help you focus on the most important information. What Did You Learn? review questions allow you to ensure you understand the

material already presented before moving on to the next section. Direct, conversational writing style makes reading fun and

concepts easier to understand. Imagine This! scenarios help you understand how information in the book applies to real-life

situations. Stop and Think exercises challenge you to use your critical thinking skills to solve a problem or answer a question.

HIPAA Tips emphasize the importance of privacy and following government rules and regulations. Chapter summaries relate to

learning objectives, provide a thorough review of key content, and allow you to quickly find information for further review. Key

coverage of new topics includes medical identity theft and prevention, National Quality Forum (NQF) patient safety measures,

ACSX12 Version 5010 HIPAA transaction standards, EMS rule on mandatory electronic claims submission, and standards and

implementation specifications for electronic health record technology. Increased emphasis on producing and submitting claims

electronically gives you an edge in today's competitive job market. UPDATED! Additional ICD-10 coding content prepares you for

the upcoming switch to the new coding system. NEW! Content on ARRA, HI-TECH, and the Health Insurance Reform Act ensures

you are familiar with the latest health care legislation and how it impacts what you do on the job.

Jr., Dennis I. Belcher, Jerold I. Horn, Hugh F. Kendall, Frederick R. Keydel, Donald D. Kozusko, Louis A. Mezzullo,

Conrad L. Moore, Sandford J. Schlesinger, and Robert C. Vaughn, Jr. This eBook features links to Lexis Advance for

further legal research options

Written with clarity and without pretension, Exploring Oral History is a user-friendly guide to the systematic, interactive

collection and analysis of peoples accounts of their lives and experiences. It is designed to help the reader understand

the value of oral history as a method of social research that serves both basic academic and applied needs. Angrosino,

who believes that one learns best by doing, excites interest in this research method by illustrating the how tos with his

own fieldwork experiences and by describing sample projects so readers can immediately implement the guidelines he

presents. Moreover, the text includes a listing of sources that can help readers explore the theory, method, and

substantive data of oral history in greater detail. This valuable guide can be used as a supplement in a wide range of

academic disciplines, including history, anthropology, sociology, folklore, communications, and social psychology.
