Dyson loves pink, sparkly things. Sometimes he wears dresses. Sometimes he wears jeans. He likes to wear his princess tiara, even when climbing trees. He's a Princess Boy. Inspired by the author's son, and by her own initial struggles to understand, this is a heart-warming book about unconditional love and one remarkable family. It is also a call for tolerance and an end to bullying and judgments. The world is a brighter place when we accept everyone for who they are.

When told "Luca, you're growing like a weed!", 2 year old Luca responds "I'm not a weed, I'm Luca". Journey with Luca as she discovers herself among all of her silly family's comparisons. Elizabeth II, at the age of 91, is the longest-reigning monarch ever to sit on the throne of England. Most people living today have no memory of a time when she was not Queen. But when she was born, no one knew she was destined to rule. Her father, the Duke of York, was only the second son of George V. His dashing playboy brother was Prince of Wales and heir to the throne. It wasn't until King Edward VIII abdicated his throne to marry Wallis Simpson in 1936 that the Princess Elizabeth, then ten years old, knew the course that her life was to take. From the unlikely romance that united her parents, to the abdication that nearly toppled the monarchy, this biography will introduce you to the Princess who came before the Queen. Set apart from other children and sheltered by her parents, her steadiness of character nonetheless enabled her to help fight the Nazis in World War II and overcome steep obstacles in order to marry the man she loved. These were the years that forged the character of the woman whose 65-year reign has seen her country through the second half of the 20th century and beyond.

She emerged as innocent as any newborn. The party of starbursts and sparkles came to a standstill. In awe, millions of heavenly beings paused. Shine Star, Princess of the Universe, was the most precious and rare of all creations. As an expression of perfect happiness, thus was the king's daughter born. A magical love story unfolds in Vikrant Malhotra's wondrous debut, *The Stories of Goom'pa: Book One. Meet Goom'pa*. He is a Poofy, a small furry creature who resides on Earth in a place called Palidon, on the edge of the Miron National Forest. His world is a quiet one-until he spies Shine Star, a glorious star in the sky and the daughter of Prime Ray, the king of the universe. Enchanted by her elegance, Goom'pa knows he is willing to do anything to win the love of this celestial beauty. As the two meet and fall in love, Shine Star's father worries about his only daughter. Exploiting that concern is the Star Lord, Rath, who wants nothing more than to wrestle control of the universe away from Prime Ray. Will Goom'pa and Shine Star find a way to be together? Or will Rath's evil plan doom them all?

This is a story about a boy and his cloud. How does a child deal with the death of a loved one? This tender and thoughtful story captures the innocent mind-set of a six year old boy as he struggles to cope with the death of his mother and his father's depression. 50% of all royalties from the sale of this book are being donated to the charity, 'Winston's Wish'. A Romantic Comedy / Drama / Magical Fairy Tale: about a 21st century descendant of a 17th century curse. Cindy's just a college student dealing with her outrages parents and the difficulties of being socially different. Finding true love is hard enough, but her life is turned upside down when she falls for someone who is truly unique. Bombarded by the suspicions of her friends and family, can she set aside her doubts and endure the bitter sweet turmoil and impossibly ridiculous antics that follow? Will true love prevail? One thing that makes reading this book unusual is the Author's desire to surprise the reader. The main character is mysterious, not just to the other characters, but also to the reader. While it is fun to watch and laugh while the characters try to figure out the truth (which is how most stories are told). It is even more fun to join in on the confusion and even the anger. Wouldn't it be fun to dislike the hero, to become disappointed by the story, and to stop reading it, only to find out later (possible years later) that you, as the reader, were the real jerk. Or even better, to not stop reading and to discover the truth. To be delighted by an incredibly original fairytale love story, which in 100 years time (will be copied in every way shape and form), and will take its place among the classics like Snow White, Cinderella, and Beauty and the Beast. Note: all profits from this project in Print, E-Book, and Audio form are given to children who have lost their parents to cancer. The Author did not and will not receive any payment for his work.

**KEEP CALM AND BE A PRINCESS!** Do you enjoy writing in old fashion notebooks and journals? Then you need the Keep Calm and Be A Princess Notebook Laptop Or Paper Notebook? Technology promises to make our lives more productive. Indeed, some things are faster and easier than ever.

Unfortunately, a lot of technology is designed for the task, not for the user. As a result, people are able to take more notes, yet understand less. Have you ever taken copious notes in a class or meeting using your computer only to realize afterwards you still didn't understand? Taking notes on paper forces you to synthesize rather than merely transcribe. Imagine you were wrongly accused of a crime and the world's most experienced court stenographer offered to represent you for free. Would you try to save a buck or shell out the money on an experienced attorney? The stenographer has heard as many court arguments, been in as many trials, listened to as many verdicts as most attorneys. However, their experience has primarily been that of transcription, not of comprehension and understanding. Because you desire comprehension and understanding rather than simple transcription, the Keep Calm and Be A Princess Notebook is a must. **Studies About Benefits of Paper Notebooks** Don't just take my word, based on a study conducted at UCLA, the Association for Psychological Science indicated that "taking notes by hand is better than taking notes on a laptop for remembering". Will you take advantage of this knowledge to gain an edge on your competition at school, work, or business? How will better understanding make things help you achieve your goals? **Organize Your Life** Get rid of little scraps of paper you use to capture inspirations and ideas, daily tasks, notes, and phone numbers. Use the Keep Calm and Be A Princess Notebook to neatly organize your life. **Feel Better By Logging Your Progress** In my corporate days, I'd instruct employees to write down accomplishments as they happened. During annual reviews, we are bogged down with current issues and activities and it's hard to remember the great things we did 9, 6, or even 3 months ago. Write down your accomplishments with your hobbies, weight loss, and other life goals. Use the Keep Calm and Be A Princess Notebook notebook to look back feel good

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards
