Thus begins market-leading author David Myers' discussion of developmental psychology in Unit 9 of his new Myers' Psychology for AP® Second Edition. With an undeniable gift for writing, Dr. Myers will lead your students on a guided tour of psychological science and poignant personal stories. Dr. Myers teaches, illuminates, and inspires. Four years ago, we published this groundbreaking text which is correlated directly to the AP® course. Today, we build on that innovation and proudly introduce the 2nd AP® Edition. Whether you are new to AP® psychology or have many years under your belt, this uniquely AP® book program can help you achieve more.

Longtime Myers collaborator Richard Straub provides an updated study guide for the new edition.

"We cast social psychology in the intellectual tradition of the liberal arts. By the teaching of great literature, philosophy, and science, liberal arts education seeks to expand our awareness and to liberate us from the confines of the present. By focusing on humanly significant issues, we aim to offer social psychology's big ideas and findings to pre-professional psychology students, and to do so in ways that stimulate all students. And with close-up looks at how the game is played--at the varied research tools that reveal the workings of our social nature--we hope to enable students to think smarter"--
