The Study Summary in Vietnamese for Milady's Standard Nail Technology, 6e contains many procedures from the core textbook as well as learning objectives, glossary, key points and test questions.

The first edition of Milady's Master Educator revolutionized Teacher Training in the field of cosmetology and changed the future of the beauty industry. The revised 2008 edition will do even more. This new two-volume approach to teacher development is the most extraordinary teacher-training program available today. It is a program of learning for certified educators and student instructors alike. Don't miss this opportunity to ignite that spark that made you want to become an educator in the first place or to motivate your success toward your new goal as an educator in the exciting field of cosmetology!

Milady's Standard: Nail Technology Study Summary provides a translation of the key points in Milady's Standard Nail Technology and all Exam Review questions to aid non-English-speaking students in learning and exam preparation. These 208-page Study Summaries provide key information in the student's native language to aid in exam preparation.

Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers.
