A practical volume to follow the SCHAUM NOTE SPELLER, Book Two. This is a book that can be used by instrumental and vocal teachers who want their students to know some of the essentials of harmony, but who haven't the time to teach it as a separate subject. Thus, a piano teacher, for example, can teach harmony in conjunction with the regular piano lesson. At the end of Book II, we have employed harmony in an accompaniment sense rather than in the traditional four-part harmony way. Transposition has been treated both melodically and harmonically.

Eureka Math is a comprehensive, content-rich PreK–12 curriculum that follows the focus and coherence of the Common Core State Standards in Mathematics (CCSSM) and carefully sequences the mathematical progressions into expertly crafted instructional modules. The companion Study Guides to Eureka Math gather the key components of the curriculum for each grade into a single location, unpacking the standards in detail so that both users and non-users of Eureka Math can benefit equally from the content presented. Each of the Eureka Math Curriculum Study Guides includes narratives that provide educators with an overview of what students should be learning throughout the year, information on alignment to the instructional shifts and the standards, design of curricular components, approaches to differentiated instruction, and descriptions of mathematical models. The Study Guides can serve as either a self-study professional development resource or as the basis for a deep group study of the standards for a particular grade. For teachers who are new to the classroom or the standards, the Study Guides introduce them not only to Eureka Math but also to the content of the grade level in a way they will find manageable and useful. Teachers familiar with the Eureka Math curriculum will also find this resource valuable as it allows for a meaningful study of the grade level content in a way that

highlights the coherence between modules and topics. The Study Guides allow teachers to obtain a firm grasp on what it is that students should master during the year. The Eureka Math Curriculum Study Guide, Grade 1 provides an overview of all of the Grade 1 modules, including Sums and Differences to 10; Introduction to Place Value Through Addition and Subtraction Within 20; Ordering and Comparing Length Measurements as Numbers; Place Value, Comparison, Addition and Subtraction to 40; Identifying, Composing, and Partitioning Shapes; and Place Value, Comparison, Addition and Subtraction to 100.

The Holy Spirit craves a strong Christian presence in artistic communities around the world. With a focus on raising artists who will be that presence, Masha Hemmerling shares an art teacher's manual, designed to teach visual arts from a Christian perspective. Hemmerling, a seasoned art teacher and Christian, teaches elements of art through theology, theory, practice, and projects within eight engaging and equipping lessons. Students will learn about God as a Creator of each particular element, why He invented it, and how He used it in His creation. Pupils will discover how each element of art is used in different disciplines, professions, and industries, and how famous artists have used elements in their artwork. After practicing elements with different tools, media, and techniques, students then have an opportunity to create an art project using a step-by-step process of developing artwork from an idea and then switching to pencil drawing or painting, and applying finishing touches. Elements of Art with God in Heart is a teaching manual that guides Christian artists to rely on God's grace to inspire their creations, and then become witnesses of His power and unconditional love to be lights in the world.

“Jesus—the name above every other name.” The Bible has over 700 names for Jesus because no one name can fully describe who He is. In this book, written in first person, you are invited to deepen your relationship with Jesus through the study of His names. As you read, you will expand your understanding of Jesus' nature, how He meets our needs, and His relationship to His people. In most religious systems, deity is to be feared and served, in contrast, Jesus delights in developing greater intimacy with those who believe in Him. He reveals Himself through His names so you can know Jesus know as a person—the One who loves you, wants to transform you, and use you greatly in the Father's work on earth. Encounter Jesus through His many names: Jesus, the name of salvation, forgiveness, and hope. Lord, the invitation to relationship, growth, and intimacy. Christ, the One who indwells and empowers. The Son, the perfect personification of God Himself. Jehovah, “I Am,” the eternal contemporary who meets your every need. Discover that all of your questions are answered and all of your needs are met in Jesus' names.
