

Naomis Road

Now a motion picture starring Victoria Justice! From the New York Times bestselling authors of NICK & NORAH'S INFINITE PLAYLIST, NAOMI AND ELY'S NO KISS LIST is the quintessential Girl-Likes-Boy-Who-Likes-Boys story. Naomi and Ely are best friends. Inseparable since childhood. Naomi is straight. Ely is gay. Naomi dates guys who she claims to like. They're okay, but she likes Ely more. To protect their feelings, Naomi and Ely created a No Kiss List—a list of people neither of them is allowed to kiss under any circumstances. Naomi's latest boyfriend Bruce isn't on that list. But he probably should have been. Because when Ely kisses Bruce, it breaks Naomi's heart. The result? A rift of universal proportions. Can these best friends come together again, or will this be end of Naomi and Ely: the Institution? Told in alternating voices using an array of emoticons and symbols by co-authors Rachel Cohn and David Levithan, co-author of WILL GRAYSON, WILL GRAYSON with John Green (THE FAULT IN OUR STARS), NAOMI AND ELY'S NO KISS LIST is the ultimate offbeat story about leaving room for every kind of love.

An analytically innovative work, *Begin Here* widens the current critical focus of Asian North American literary studies by proposing an integrated thematic and narratological approach to the practice of autobiography. It demonstrates how Asian North American memoirs of childhood challenge the construction and performative potential of national experiences. This understanding influences theoretical approaches to ethnic life writing, expanding the boundaries of traditional autobiography by negotiating narrative techniques and genre and raising complex questions about self-representation and the construction of cultural memory. By examining the artistic project of some fifty Asian North American writers who deploy their childhood narratives in the representation of the individual processes of self-identification and negotiation of cultural and national affiliation, this work provides a comprehensive overview of Asian North American autobiographies of childhood published over the last century. Importantly, it also attends to new ways of writing autobiographies, employing comics, blending verse, prose, diaries, and life writing for children, and using relational approaches to self-identification, among others.

A latest work by the award-winning author of *Victory of Eagles* continues the adventurous partnership between a British naval captain and a fighting dragon who work to protect their island home from the forces of Napoleon.

This peer-reviewed collection of critical essays on children's literature addresses contemporary debates regarding what constitutes "suitable" texts for young audiences. The volume examines what adult writers "tell" their child readers with particular focus on the following areas: the representation of sexuality, gender and the body; the treatment of death and trauma; concepts of race, prejudice and national identity; and the use of children's literature as a tool for socializing, acculturating, politicizing and educating children. The focus of the collection is on Irish and international fiction addressed at readers from mid-childhood to young adulthood. One section of the book examines what child readers were told in the past while another section examines young readers' capacity for self-invention through the participatory culture of the twenty-first century. Topics explored include the controversial issue of teenage prostitution and the commodification of the male body in contemporary young adult fiction, the allure of celebrity and the impact of today's surveillance culture on young people, the representation of the Holocaust for young readers, and representations of Muslim characters and culture in a post-9/11 mediascape. This collection, which offers insights into a range of literary constructions and representations of childhood, will be a valuable resource for students and scholars working in children's literature, youth culture and childhood studies. Beth Rodgers, Kay Sambell. This is the fifth publication of the Irish Society for the Study of Children's Literature (ISSCL). It follows the Society's publication of *Studies in Children's Literature 1500–2000* (Dublin: Four Courts Press, 2004), *Treasure Islands: Studies in Children's Literature* (Dublin: Four Courts Press, 2006), *Divided Worlds: Studies in Children's Literature* (Dublin: Four Courts Press, 2007) and *Young Irelands: Studies in Children's Literature* (Dublin: Four Courts Press, 2011).

This book offers a variety of approaches to children's literature from a postcolonial perspective that includes discussions of cultural appropriation, race theory, pedagogy as a colonialist activity, and multiculturalism. The eighteen essays divide into three sections: Theory, Colonialism, Postcolonialism. The first section sets the theoretical framework for postcolonial studies; essays here deal with issues of "otherness" and cultural difference, as well as the colonialist implications of pedagogic practice. These essays confront our relationships with the child and childhood as sites for the exertion of our authority and control. Section 2 presents discussions of the colonialist mind-set in children's and young adult texts from the turn of the century. Here works by writers of animal stories in Canada, the U.S. and Britain, works of early Australian colonialist literature, and Frances Hodgson Burnett's *A Little Princess* come under the scrutiny of our postmodern reading practices. Section 3 deals directly with contemporary texts for children that manifest both a postcolonial and a neo-colonial content. In this section, the longest in the book, we have studies of children's literature from Canada, Australia, Africa, the Caribbean, and the United States.

This book investigates the feminine traditions of the Hebrew Bible in a readable manner, pertinent to contemporary times. It is unique in its focus on the experiences of biblical women and not how they were perceived within a patriarchal context. *Women on the Biblical Road* explores, through an eco-feminist lens, female heroes, their journey cycles, and the oral tradition from which these stories originate. At the core of this look at women on the biblical road is the book of Ruth, the Bible's most complete tale of the female adventure. Caspi and Havrelock point out that the journey of Ruth and Naomi corresponds with a cycle of return and redemption, inseparable from Ruth's and Naomi's experience on the road. The authors also propose that this story of two women from distinctly different places who are able to fuse their goals and help each other survive, points to plausible cultural reconciliation in the Middle East and beyond. This book is intended for any university class studying the Hebrew Bible, courses at synagogues or churches, and women interested in tracing female spiritual traditions.

Women on the Biblical Road is an important book for the Women's Spirituality Movement and will surely appeal to the contemporary woman interested in reconstructing women's traditions. When Shizuye Takashima, "Shichan" as she was called, was eleven years old, her entire world changed forever. As a Japanese-Canadian in 1941, she was among thousands of people forced from their homes and sent to live in internment camps in the Canadian Rockies. Although none had been convicted of any crime, they were considered the enemy because the country was at war with Japan. In this true story of sadness and joy, Shichan recalls her life in the days leading up to her family's forced movement to the camp, her fear, anger, and frustration as the war drags on, and the surprising joys in the camp: a Kabuki play, holiday celebrations, and the ever-present beauty of the stars.

There is an emphasis on de-constructing, de-centring, de-stabilizing, and especially de-mythologizing in the study that illustrates New World myth narrators questioning the past in the present and carrying out their original investigations of myth, place, and identity. Underlining the fact that political realities are encoded in the language and narrative of the works, Vautier argues that the reworkings of literary, religious, and historical myths and political ideologies in these novels are grounded in their shared situation of being in and of the New World.

Alexa Samson's life is a struggle, but this year she is determined not to care. As the twenty-first century trundles into gear, sixteen-year-old Alexa has only two years left of school. Two years

until she can piece her shattered family together. All she has to do in the meantime is survive. She just wished it was as simple as it sounded. Forced to live apart from her fourteen-year-old, heroin-addicted sister and attend the draconian Redgrove College, Alexa is subjected to a world to which she does not belong and a life she cannot control. When her affair with the teacher she trusted to help see her through Redgrove turns violent, her life is plunged into chaos and she is forced into the realm of another teacher who she fears she cannot trust. Alexa's only beacon of hope is the nightmare that has plagued most of her life and the miracle it suddenly promises of being able to transform her life when she turns eighteen. Until then, Alexa is forced to take whatever actions necessary to try and survive and secure a decent life for her and her sister.

With the original publication of *Multicultural Voices*, Frances Ann Day celebrated the lives of thirty-nine multicultural authors and illustrators, helping educators bring students and authors together in a way that promoted stimulating reading, imaginative writing, and cultural sensitivity. Thousands of readers not only discovered a new body of literature, they also gained new sensitivity to writing styles, language subtleties, and worldviews. Now, the new edition has been significantly revised to keep it current and make it even more useful. Day has added a number of new authors, updated the biographical profiles, included reviews and activities for more than 120 new books, and expanded the resource list for educators, librarians, and parents. There are five appendixes containing assessment plans, additional activities, lists of birthdays, a calendar of multicultural events, and information on additional resources. Plus, a comprehensive subject index helps readers plan story sessions and units of study. Themes, curricular areas, genres, and topics facilitate the use of literature across the curriculum. This guide is highly versatile, enabling readers to adapt the material to fit their individual teaching and learning styles, curriculum requirements, and educational goals. Educators, librarians, and parents alike will find the book an inspiring resource.

For Las Vegas widow Naomi, memories of a Pennsylvania Dutch childhood are an ache from the distant past, a painful memory of abandoned roots and lost connections. She has long since reconciled herself to the shattered dreams that had enticed her from her heritage and now simply lives in a tiny apartment, thick with loneliness and regret. Her sole consolation is her daughter-in-law Ruth. But when hard living claims both of her boys, the two women turn Naomi's creaky Impala eastward in a desperate, last-chance bid for hope and meaning. Thus begins a cross-country odyssey that brings her home to her old farm in Lancaster County--and to the values and rhythms of a life once spurned. Although the East is foreign territory, Ruth also finds a home here among the slow and authentic cadences of Pennsylvania farm country. And she finds love...

She also has a pitch-dark sense of humor that she wields perfectly." --Michael Schaub, NPR In THE POWER, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power--they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, THE POWER is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways.

Waiting is a challenge that creates stress of varying degrees. Waiting on God is part and parcel of the Christian walk. More intense and prolonged forms of waiting exist as wilderness and captivity experiences. This handbook describes these different levels of waiting and suggests options for navigating, adjusting to, and emerging from these life challenges.

August, Rylee, Cora & Jennie have organized a "Spook Tour" with their classmates on the most haunted, demon-infested stretch of road in America to fund attending the concert of their dreams. When their visit turns deadly, these four friends race to rescue the missing students...before the town tears them limb from limb. Now they must slay the evils roaming Proctor Valley Road...along with the monsters lurking in the hearts of 1970s America. For Mature Readers.

Naomi's Hope was written to provide hope and healing for the grieving mother and father, daughter, aunt and uncle, niece and nephew, sister and brother, and fiancé. This book will bring encouragement to those who have loss. The Biblical scenario taken from the book Ruth provides a backdrop for hope to reveal itself. In order to encourage reflection and inspiration, the author provides her notes and the reader's notes in each chapter.

Winner of the American Book Award Based on the author's own experiences, this award-winning novel was the first to tell the story of the evacuation, relocation, and dispersal of Canadian citizens of Japanese ancestry during the Second World War.

Elaborates on the biblical story of Naomi, who grows up and marries in twelfth century B.C. Judaea, moves with her husband and sons to Moab, and returns home with her daughter-in-law Ruth, facing many trials with faith and perseverance.

Teaching Tough Topics shows teachers how to lead students to become caring citizens as they read and respond to quality children's literature. It focuses on topics that can be challenging or sensitive, yet are significant in order to build understanding of social justice, diversity, and equity. Racism, Homophobia, Bullying, Religious Intolerance, Poverty, and Physical and Mental Challenges are just some of the themes explored. The book is rooted in the belief that by using picture books, novels, poetry, and nonfiction, teachers can enrich learning with compassion and empathy as students make connections to texts, to others, and to the world.

Despite growing pains in her 1846 Amish community in Indiana, Naomi Schrock has settled into a comfortable life in her parents' home with her adopted son, Davey. Surrounded by family and friends, she tries not to think about the fact that she's not at the top of any man's list of potential wives. Yet when Cap Stoltzfus moves into the area and befriends Davey, Naomi finds herself caught between the plans she has made for her future and the tantalizing thought that Cap might be part of a life she never dared to hope for. When a couple shows up claiming to be Davey's true family, Naomi and Cap must unite to make the decision that will determine the boy's future as well as their own. How can she relinquish him to these unknown relatives? And can God somehow bring wholeness to her heart?

A brand new edition of a children's classic. First published to critical acclaim in 1986, Naomi's Road is the story of a girl whose Japanese-Canadian family is uprooted during the Second World War. Separated from their parents, Naomi and her brother Stephen are sent to an internment camp in the interior of British Columbia. For the young girl growing up, war only

means that she can no longer return to her home in Vancouver, or see her parents. Told from a child's point of view and without a trace of anger or malice, *Naomi's Road* has been praised as a powerful indictment of the injustice of war and the government's treatment of Japanese-Canadian citizens, both during and well after World War II. This new edition is based on an expanded version of the story published in Japan. In it, Kogawa brings in more of the extended family and answers the question so often asked by fans of the original book: What happened to Naomi's mother? With a historical note and a new ending, cover, and interior drawings by popular children's illustrator Ruth Ohi, this book will be an absolute must for owners of the original as well as a whole new generation of young readers. Praise from *Publishers Weekly*: "Kogawa, who wrote the adult book *Obasan*, begins this with a letter to children, explaining the background for Naomi's story -- that Canada was at war with Japan and so all Japanese-Canadians were placed in internment camps Naomi's point of view is singularly childlike -- for her, war means missing her parents and not understanding why another girl, Mitzi, dislikes her... This is not a novel that bears malice for the injustices of the war, but relates instead a tale of unquenchable human spirit, undaunted by prejudice and unable to let go of hope." For Americans World War II was "a good war," a war that was worth fighting. Even as the conflict was underway, a myriad of both fictional and nonfictional books began to appear examining one or another of the raging battles. These essays examine some of the best literature and popular culture of World War II. Many of the studies focus on women, several are about children, and all concern themselves with the ways that the war changed lives. While many of the contributors concern themselves with the United States, there are essays about Great Britain, Canada, France, Germany, Poland, Russia, and Japan.

Although many opera dictionaries and encyclopedias are available, very few are devoted exclusively to operas in a single language. In this revised and expanded edition of *Operas in English: A Dictionary*, Margaret Ross Griffel brings up to date her original work on operas written specifically to an English text (including works both originally prepared in English, as well as English translations). Since its original publication in 1999, Griffel has added nearly 800 entries to the 4,300 from the original volume, covering the world of opera in the English language from 1634 through 2011. Listed alphabetically by letter, each opera entry includes alternative titles, if any; a full, descriptive title; the number of acts; the composer's name; the librettist's name, the original language of the libretto, and the original source of the text, with the source title; the date, place, and cast of the first performance; the date of composition, if it occurred substantially earlier than the premiere date; similar information for the first U.S. (including colonial) and British (i.e., in England, Scotland, or Wales) performances, where applicable; a brief plot summary; the main characters (names and vocal ranges, where known); some of the especially noteworthy numbers cited by name; comments on special musical problems, techniques, or other significant aspects; and other settings of the text, including non-English ones, and/or other operas involving the same story or characters (cross references are indicated by asterisks). Entries also include such information as first and critical editions of the score and libretto; a bibliography, ranging from scholarly studies to more informal journal articles and reviews; a discography; and information on video recordings. Griffel also includes four appendixes, a selective bibliography, and two indexes. The first appendix lists composers, their places and years of birth and death, and their operas included in the text as entries; the second does the same for librettists; the third records authors whose works inspired or were adapted for the librettos; and the fourth comprises a chronological listing of the A–Z entries, including as well as the date of first performance, the city of the premiere, the short title of the opera, and the composer. Griffel also include a main character index and an index of singers, conductors, producers, and other key figures.

—Booklist From the author of the New York Times bestselling *Stiletto* and *Oxford* series, the first in a sizzling new series following the unlikely friendship of three Upper East Side women as they struggle to achieve their dreams and find true love and happiness in the city that never sleeps. For as long as she can remember, Bronx-born Naomi Powell has had one goal: to prove her worth among the Upper East Side elite—the same people for which her mom worked as a housekeeper. Now, as the strongminded, sassy CEO of one of the biggest jewelry empires in the country, Naomi finally has exactly what she wants—but it's going to take more than just the right address to make Manhattan's upper class stop treating her like an outsider. The worst offender is her new neighbor, Oliver Cunningham—the grown son of the very family Naomi's mother used to work for. Oliver used to torment Naomi when they were children, and as a ridiculously attractive adult, he's tormenting her in entirely different ways. Now they find themselves engaged in a battle-of-wills that will either consume or destroy them...

“Strong characters and relatable situations elevate Layne's bighearted contemporary...[which] digs into class differences, emotional baggage, and the reality of dealing with aging parents” (Publishers Weekly, starred review). Post-Colonial Literatures in English, together with English Literature and American Literature, form one of the three major groupings of literature in English, and, as such, are widely studied around the world. Their significance derives from the richness and variety of experience which they reflect. In three volumes, this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories. In more than 1,600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post-colonial experience on literatures in English worldwide. First published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.
