Fortunately it's almost identical: the same questions in the same order. Thus the instructions in Nolo's book are still valid. However, please take note of a printing error in this ninth edition. While the instructions correctly explain that only certain types of people can safely answer "No" to any of Questions 45-50 in Part 12 of the form (asking about things like support for the Constitution and willingness to serve in U.S. armed forces), and that most people should

answer "Yes" to all, the sample form shows "X" marks in the "No" column. Readers should disregard this portion of the sample. For more info check the update here: <https://www.nolo.com/legal-updates/new-n-400-naturalization-application-form-required-by-uscis.html>
