Anyone with an interest in working for the US Post Office as a clerk or a mail carrier must take either the 473-C city carrier exam, the 473 retail clerk exam, or the 460 rural carrier exam (which has not changed). Those candidates who receive a 95% or higher score are interviewed first; those with scores lower than 90% aren't often interviewed at all, making these exams extremely competitive. The Postal Clerk and Carrier Exam Cram, Second Edition, is a concise review guide that can help you score higher on the postal clerk and carrier exams and eliminate some of the competition. The new edition covers all of the exam topics from the USPS, including new topics like Address Coding, Forms Completion, and Personal Characteristics and Experience Inventory. These topics replaced number series, memory for addresses, and oral instructions. The Exam Cram also provides exam alerts, strategies, tips, a practice exam on each topic and four full practice exams covering all the topics. The Cram Sheet tear card provides facts for last minute review. Study your way to a higher score with the Postal Clerk and Carrier Exam Cram, Second Edition.

Designed to meet the needs of today's students, Lowdermilk's Maternity Nursing, 8th Edition - Revised Reprint addresses the fundamentals of maternity nursing with a concise, focused presentation of the care of women during the childbearing years. Integrating considerations for family, culture, and health promotion into the continuum of care, it also addresses community-based care to emphasize that nursing care takes place in many settings. Maternity Nursing focuses on childbearing issues and concerns, including care of the newborn, as well as wellness promotion and management of common women's health problems. Critical thinking exercises present case studies of real-life situations and corresponding critical thinking questions to help you develop your analytical skills. NEW! A helpful appendix identifies text content that reflects the QSEN competencies - patient-centered care, teamwork and collaboration, evidence-based practice, quality improvement, safety, and informatics - to assist you in developing competencies to provide safe and effective nursing care. NEW! Focus on the family recognizes the nurse's need to integrate the family in the care of the mother and newborn and the importance of the role of the mother to the wellbeing of the family. NEW! Content updates throughout, including information on the late preterm infant and associated concerns such as feeding; guidelines on prioritization and delegation where relevant; and centering pregnancy, a new model of health care that brings women together in groups for their care. NEW! Evidence-based practice content focuses your attention on how to use current research to improve patient outcomes. NEW! Improved readability helps you learn more efficiently with shorter, more focused content discussions. NEW! 21st Century Maternity Nursing: Culturally Competent, Community Focused chapter combines introductory material, culture, and community into one chapter to help you focus on key content and concepts. NEW! Streamlined content highlights the most essential, need-to-know information.

Davis's Q&A Review for the NCLEX-RN® gives you an overview of the latest test plan and outlines the test-taking strategies you need to prepare for the exam. Practice questions guide you through all of the content covered on the NCLEX, while two comprehensive exams test mastery of all subject areas covered on the NCLEX exam.

It's a fun, visual review for the NCLEX! Illustrated Study Guide for the NCLEX-RN® Exam, 8th Edition covers all the nursing concepts and content found on the latest NCLEX-RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam-style review questions (including alternate item formats) are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zerwekh, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX-RN exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to create a customized review experience based on your personal study needs. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW! 2,300 review questions are now included on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX-RN test plan and incorporated important clinical updates. NEW! Page references to an Elsevier textbook are provided with each question, for further study and self-remediation. NEW! Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX-RN test plan.

Lippincott Review for NCLEX-PN, 11E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 263 items--more than the maximum of 205 questions asked on the NCLEX-PN—to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare. Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination, including the use of all the types of alternate-format questions found on the licensing examination. A free trial of PassPoint PN provides book purchasers an opportunity to practice with additional questions and gives a sneak preview of the full PassPoint PN product.

Promotes mastery of the more challenging 2016 exam! This ultimate NCLEX-RN® review book that “helps you think like a nurse” has been fully updated to incorporate the 2016 test plan. Including more complex case studies to reflect the difficulty of the exam, this comprehensive review encourages active learning to master the content. Each evolving case study is broken down into realistic clinical problems that students can solve only by using the critical thinking skills necessary for the NCLEX-RN exam. Interspersed with over 700 interactive questions and rationales, audio-based questions, and electronic learning resources, the case studies mimic real-life nursing situations and provide models to help students problem-solve when taking the actual test. The review is presented in an enjoyable format without the drudgery of question after unrelated question or medical terminology flashcards. Multiple-choice questions, select all that apply, hot spots, matching, true and false, prioritizing, gaming, and calculations replicate the actual NCLEX-RN exam and keep students engaged throughout the review process. Each nursing specialty features a chapter on its specific pharmacology principles, culminating in a stand-alone chapter solely dedicated to reviewing pharmacological principles. Beyond its utility as an exam review, this resource is also a unique case study book designed to assist instructors in delivering content in an innovative format. New to the Second Edition: Fully updated to mirror the new 2016 test plan Reflects new changes in nursing, including prioritization, delegation, room assignment, The Joint Commission competencies, work-arounds, Situation, Background, Assessment, and Recommendation (SBAR) reporting, and value-based care More in-depth case studies to reflect greater exam complexity New chapters on gerontology nursing, men’s health, and veterans’ health New question types, including audio-based New e-learning component New responses to questions are defined by test plan categories and difficulty level Adds many new interactive questions and answers Key Features: Uses unfolding case study approach, integrating all patient care content areas with practice and professional roles Mirrors NCLEX test blueprint Offers an enjoyable study option distinct from traditional Q & A Provides over 700 questions and answers using varied NCLEX question styles Includes references at the end of chapters for self-remediation NCLEX-RN® is a registered trademark of the National Council of State Boards of Nursing, Inc.
