Amber awakes, ready for a perfect day at the county fair. She, her parents, and her best friend, Justin, and his family are in the Poconos on vacation. She's got it all planned . . . hot dogs, cotton candy, games, and wonderful rides. The morning turns out almost exactly as Amber hoped, but then her mom and dad get into a fight. And a perfect day at the fair turns into just a fair day. The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

This text provides teachers with a toolbox to help them know their students in an in-depth and personal way, and encourage their individual abilities.

Turk's parents are proud of him, the biggest, strongest, most graceful bird at Wishbone Farm. "He's a dancer," says his mother. "He's an athlete," says his father. "He's a goner," says his little brother, Runt. But no one ever listens to Runt -- even after people with seasonal plans and roasting pans begin showing up at Wishbone Farm, or even after the juiciest turkeys are chosen, one by one. "Chosen for what?" Turk asks. No one wants to hear Runt's answer. But you will laugh at what he has to do to get his family's attention. They are, after all, turkeys.

More than ever before, as they teach to an increasingly diverse population, educators need a clear, concise guide to designing and implementing responsive curriculum. This book, built around the lessons of classroom teachers, provides the 'how' of instruction design. The first section identifies the most important components of design: addressing standards, designing multiple assessments, identifying richly detailed source materials, and creating interrelated lessons and culminating activities. Section two expands on the needs of diverse learners, and the concluding section contains a completed instructional plan, easily adaptable to your content and grade level.

Help children of all learning styles and strengths improve their critical thinking skills with these creative, cross-curricular activities. Each engaging activity focuses on skills such as recognizing and recalling, evaluating, and analyzing.

We've Got Words: A High School Student's Guide To The Parts of Speech & Public Speaking is a practical learner's guide to the 8 Parts of Speech and Public Speaking, providing students with a short and concise manual to understanding the basic grammatical elements of reading and writing sentences. This workbook is the 6th in the series. It is designed for grades 9-12. The scope of this workbook covers Public Speaking and the 8 Parts of Speech using lyrics in Spoken Word and Rap as instructional examples for all 8 parts of speech. This book is based on a classroom assignment in an AP class at Jackson High School in 2013-14. Logan Taylor accepted the challenge and wrote a Lyrical Dissertation titled We've Got Words. In this rap Logan systematically identified the parts of speech while expositing their meaning and usage. Based on Logan's Rap, this workbook was created to help students understand English Grammar and thereby be prepared to read and write at Proficiency grade level.
