This critical study analyzes Stephen R. Donaldson's role as a modern writer who uses the fantasy genre to discuss situations and predicaments germane to the modern world. Donaldson reclaims an epic vision in his Thomas Covenant novels that is lacking in most modern literature. Chapters demonstrate how this use of epic heroism helps solve seemingly insurmountable problems and provides more meaning and purpose for individuals. As Donaldson's characters learn to transcend their world, the reader is engaged in a serious,

enlightened discussion about the need for imagination, responsibility and acceptance to resolve such problems as alienation, pollution, disease and despair.

This two-volume anthology represents America's literary heritage from colonial times through the American renaissance to the contemporary era of post-modernism. Volume I offers early contextual selections from Christopher Columbus and Gaspar Perez de Villagra, as well as an excerpt from the Iroquois League's Constitution of the Five Nations, and ends with an extensive selection of the poetry of Emily Dickinson. This anthology is best known for its useful pedagogy, including extensive and straightforward headnotes and introductions, as well as its balanced approach to editorial selection process.

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the

political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project. Read by millions of students over seven editions, The Norton Anthology of English Literature remains the most trusted undergraduate survey of English literature available and one of the most successful college texts ever published.

"Unbearable Weight is brilliant. From an immensely knowledgeable feminist perspective, in engaging, jargonless (!) prose, Bordo analyzes a whole range of issues connected to the body—weight and weight loss, exercise, media images, movies, advertising, anorexia and bulimia, and much more—in a way that makes sense of our current social landscape—finally! This is a great book for anyone who wonders why women's magazines are always describing delicious food as 'sinful' and why there is a cake called Death by Chocolate. Loved it!"—Katha Pollitt, Nation columnist and author of Subject to Debate: Sense and Dissents on Women, Politics, and Culture (2001)

The Epic of Gilgamesh is among the earliest surviving works of literature, with the earliest versions dating from around the Third Dynasty of Ur in early Sumeria (2150-2000 BC). Preserved in Cuneiform, the Epic was retold over the centuries, and the most complete version was discovered in the ruins of the library palace of the seventh century BC Assyrian king, Ashurbanipal. The Epic is most notable as being the obvious source of the biblical story of Noah and the flood. The Epic tells the story of the king of Uruk, Gilgamesh, and his adventures with his erstwhile foe and then friend, Enkidu. Together they journey to the Cedar Mountain to defeat Humbaba, its monstrous guardian, then they kill the Bull of Heaven, which the goddess Ishtar sends to punish Gilgamesh for spurning her advances. As a punishment for these actions, the gods sentence Enkidu to death. Gilgamesh then sets out to avoid his friend's fate and seek the secret to eternal life, a quest in which he is ultimately thwarted. Contains original author's preface and a new overview of the storyline. Contents Author's Preface Overview of the Storyline of the Epic of Gilgamesh The First Tablet: Of the Tyranny of Gilgamesh, and the Creation of Enkidu The Second Tablet: Of the Meeting of Gilgamesh and Enkidu The Third Tablet: The Expedition to the Forest of Cedars against Humbaba The Fourth Tablet: The Arrival at the Gate of the Forest The Fifth Tablet: Of the Fight with Humbaba The Sixth Tablet: Of the Goddess Ishtar, Who Fell In Love with the Hero after

tested by the Green Knight. After succeeding in beheading the Green Knight, who survives the ordeal, Gawain must uphold his end of the bargain and, after a year's time, meet with the Green Knight again so that the knight may return the grim favor and behead Gawain. The "Contexts" in this Critical Edition provide readers with selections of the poem in its original Middle English, as well as other Arthurian stories that may have influenced the anonymous Gawain-poet. "Criticism" includes a selection of essays on themes ranging from the poem's descriptive techniques, to its use of time and gender. A chronology and selected bibliography are also included"--

The egotism that fuels the desire for greatness has been associated exclusively with men, according to one feminist view; yet many women cannot suppress the need to strive for greatness. In this forceful and compelling book, Alison Booth traces through the novels, essays, and other writings of George Eliot and Virginia Woolf radically conflicting attitudes on the part of each toward the possibility of feminine greatness. Examining the achievements of Eliot and Woolf in their social contexts, she provides a challenging model of feminist historical criticism.

sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.
