

## Novena Por Las Benditas Almas Del Purgatorio

Dear Reader,What you are now holding is a most interesting book. The wold beyond is speaking. It is offering advice, asking for help and giving answers. It exists and speaks about life -- our life here on earth and of possible consequences of our behaviour. It tells us that it is not the same to be humble, loving, good, merciful, loyal and honest as it is to be proud, loveless, bad, merciless, betraying and dishonest. Atdeath this is not forgotten but rather remembered in total clarity. Not only is the punishment, or better yet the cleansing, spoken about; but also the length of this cleansing is so very much more.Then you ask yourself, is it possible?In the Catholic church one speaks about a transitory state which for a very long time has been referred to as Purgatory. Despite there being different theories, this state is always taken seriously. One needs it because one can only come before God cleansed and pure.
