Challenge and inspire your teenage learners to think beyond language. Think is a fresh, vibrant and upbeat course designed to engage teenage learners and make them think. As well as building students' language skills, it offers a holistic approach to learning: developing their thinking skills, encouraging them to reflect on values and building their self-confidence. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning. Exam-style exercises and tips help students prepare for Cambridge English Key, Preliminary and First. Informed by the Cambridge English Corpus, the course reflects real language usage and 'Get it right' sections help students avoid common mistakes.

Oman is the inheritor of a unique political tradition, the imama (imamate), and has a special place in the Arab Islamic world. From the eighth century and for more than a thousand years, the story of Oman was essentially a story of an original, minority, movement: the Ibadi. This long period was marked by the search for a just imama through the Ibadi model of the Islamic State. Hussein Ghubash's well-researched book takes the reader on an historical voyage through geography, politics, and culture of the region, from the sixteenth century to the present day. Oman has long-standing ties with East Africa as well as Europe; the first contact between Oman and European imperialist powers took place at the dawn of the 1500s with the arrival of the Portuguese, eventually followed by the Dutch, French and British. Persuasive, thorough and drawing on Western as well as Islamic political theory, this book analyzes the different historical and geopolitical roles of this strategic country. Thanks to its millennial tradition, Oman enjoys a solid national culture and a stable socio-political situation. Today, it is moving steadily towards a democratic future.

Giving neurotics everywhere something to worry about, The Paranoid's Pocket Guide to Mental Disorders You Can Just Feel Coming On profiles more than 40 of the most outrageous and yet eerily familiar psychological disorders—a fascinating array of obsessions, compulsions, phobias, fixations, and full-blown mental maladies. Every disorder is well documented, including common symptoms, causes, and treatment options, along with a handy quiz for easy self-diagnosis. And in case you can't tell whether or not you're losing it, each entry includes a sample inner monologue detailing the thought processes at play—because sometimes you don't know you're crazy until you see it in writing. Hot on the heels of the equally hilarious The Hypochondriac's Pocket Guide to Horrible Diseases You Probably Already Have, the Paranoid's Guide will have even the most rational thinkers second-guessing their sanity.

An innovative exploration of the interface between grammar, meaning and form.

This famous underground novel of the Victorian era, whose author remains unknown, relates the story of a Victorian gentleman named Jack, who has been jilted by Alice. Setting up residence in what had apparently once been the "mad" room of an insane asylum, he lures Alice into the "Snuggery" and gradually introduces her to the joys of sexuality.

Give students practical ways to improve their grammar with this succinct reference book is full of brand new exercises using contemporary language. TRY THIS Innovative exercises illustrate what you've learnt and how to use it.

This dictionary for intermediate-advanced level learners of English as a foreign language, combines a collocations (combination of words used) dictionary with a thesaurus, ensuring English learners choose the correct word and collocation every time.

Anxious about apostrophes? In a pickle over your pronouns and prepositions? Fear not—Mr. Gwynne is here with his wonderfully concise and highly enjoyable book of grammar. Within these pages, adults and children alike will find all they need to rediscover this lost science and sharpen up their skills. Mr. Gwynne believes that happiness depends at least partly on good grammar—and Mr. Gwynne is never wrong.

"Superman created by Jerry Siegel and Joe Shuster, by special arrangement with the Jerry Siegel family."

Routledge English Language Introductions cover core areas of language study and are one-stop resources for students. Assuming no prior knowledge, books in the series offer an accessible overview of the subject, with activities, study questions, sample analyses, commentaries and key readings - all in the same volume. The innovative and flexible 'two-dimensional' structure is built around four sections - introduction, development, exploration and extension - which offer self-contained stages for study. Each topic can also be read across these sections, enabling the reader to build gradually on the knowledge gained. Sociolinguistics: provides a comprehensive introduction to sociolinguistics draws on a wide range of real texts, from an interview with Madonna to articles in international newspapers and classroom discourse · uses real studies designed and conducted by students provides classic readings by the key names in the discipline from Milroy and Holmes to Fairclough and Cameron. Written by an experienced teacher and author, this accessible textbook is an essential resource for all students of English Language and Linguistics.

Accessible teaching notes Extra ideas and developmental tips

The Students' Basic Grammar of Spanish (SBG) is a self-study grammar book for students at Common European Framework of Reference (CEFR) levels A1-B1. It tackles the traditionally difficult grammatical problems faced by students of Spanish through clear, straightforward explanations, accompanied by a variety of engaging, accessible and practical exercises. Designed as a self-study book for students, the SBGS can be used outside the classroom, or as a study aid for a language course. It can also be used at levels above B1. It offers clear, precise and thorough explanations expressed in plain language. It contains over 470 illustrations that make it easier to understand the grammar points covered. It provides more than 370 exercises to help learners understand and assimilate the grammar presented and avoid common mistakes. It offers helpful examples of real, communicative Spanish and contains a wide range of text types. It also includes: An answer key Regular and irregular conjugated verbs A complete and easy-to-use thematic index

This book offers explanations of grammatical terms and functions as they apply to English and German. It illustrates the similarities and differences between the two languages and stresses the common linguistics pitfalls for English speakers. It includes review exercises with answers at the back.

'Speakout' is a 6-level general English course for adults developed in association with the BBC; bridging the gap between the classroom and the real world helping students express themselves in English.

A comprehensive edited volume on important and up-to-date nanolithography techniques and applications. The book includes an introduction on the importance of nanolithography in today's research and technology, providing examples of its applications. The remainder of the book is split into two sections. The first section contains the most important and established nanolithography techniques. As well as a detailed description of each technique, the reader can obtain useful information about the main advantages and drawbacks of each technique in terms of resolution, throughput, number of steps needed and cost etc. At the end of this section, the reader will be able to decide which technique to use for different applications. The second section explores more specific applications of the nanolithography techniques previously described as well as new techniques and applications. In some cases, the processes described in these chapters involve a combination of several nanolithography techniques. This section is less general but provides the reader with real examples. Key Features Ideally suited for Master/ PhD students, who need a basic understanding of nanolithography techniques and how/where they can be applied Includes state-of-the-art information with updated references for researchers and engineers needing to expand or update their knowledge on nanofabrication All chapters are written by world leading experts in their respective research areas Follows a pedagogical approach; each chapter is expected to provide worked examples, case studies and an end-of-chapter summary Includes interactive elements, such as video animations

This comprehensive and systematic review of modern English presents a description of both the linguistic structure of present-day English and its geographical, social, gender and ethnic variations.

Kunuar is a volume of fifty-two poems framed by the feminist and postcolonial sensibilities of the Portuguese author, Luísa Coelho. In a painful but playful manner she describes her re-discovery, in a post-colonial era, of Luanda, the capital of Angola, the country of her birth. Memory crafts a vivid dialogue between today and yesterday that sheds light on the remains of colonial Luanda's history. Kunuar, the title of both the book and the concluding poem, refers to the small spots on the street where secondhand clothes are sold to the large penniless population of Luanda. The image of a poor mother distressed because she cannot afford even castoff clothes becomes an icon of the poverty of a city and a country, but her pain is assuaged by the urine of her baby running down her back and warming her. This powerful image points to many others in the collection, in which the recurrent theme of love of mother and child is one of the few sources of hope in the midst of misery and grinding poverty in a post-colonial country that is the second producer of diamonds and petroleum in sub-Saharan Africa. Like this moving and beautiful image, Coelho's poetic writing offers in a very subtle way an enchanting testimony about the past as well as the current oppressive conditions of Luanda after four centuries of Portuguese colonial order, Angola's independence in 1975, followed by its intense civil war from 1975 to 2002.

"White Noise," which is a laptop sculpture garden, a romp through cubism and futurism, and a lesson in early--20th-century modernist formalism. Each spread, designed to make crackly, crinkly, creaky, tinkling or snapping noises as the pages are turned, evokes children's construction-paper cutouts. As sophisticated as the mechanics are, the primary colors and seemingly random tangles of "bits and pieces," as one page describes them, combine in such imperfect forms that they give the illusion that anyone could make this book"--Web site <http://www.nytimes.com/2009/11/08/books/review/Heller-t.html> (viewed 4 May, 2011)

"Email English' contains a wealth of practice activities, all of which can be used for self-study or with a teacher in class. It also has a phrase bank providing over 500 key expressions for reference while you are writing."--Publisher.

Using a content-based, student-centered approach, Mundo 21 emphasizes communication, pair and group work, learning in context, and critical-thinking skills. Except for the grammar explanations, the text is written entirely in Spanish, exposing students on a consistent basis to natural language. Offering a grammar manual written entirely in Spanish, Mundo 21, Edicion alternativa, is suitable for heritage learner courses as well as for courses conducted in Spanish. Intended to broaden students' cultural competency, Mundo 21, 2/e, is organized around eight geographically oriented units covering the world's 21 Spanish-speaking countries and diverse Hispanic populations. In addition, each lesson (three per unit) contains a cultural vignette followed by a short exercise. Vivid photographs of people, places, and art work illustrate each lesson to enrich students' experience with Hispanic culture. Images accompanying each Lectura provide important clues and context to heighten comprehension. The Gente del Mundo 21 section at the beginning of the lessons profiles three noteworthy personalities in the arts, literature, sports, and the entertainment industry of the country featured. Each Del pasado al presente reading provides a brief historical and cultural overview of the country under study, accompanied by an A ver si comprendiste! activity. Each unit contains a literary reading in Y ahora, a leer!, accompanied by an extensive pre-reading apparatus, Anticipando la lectura; post-reading support, Comprendiste la lectura? which checks comprehension and encourages analysis and discussion; a new feature, Introduccion al analisis literario; and an additional creativewriting activity. Cultura en vivo sections provide a cultural context for the thematic, interactive vocabulary sections, Mejoremos la comunicacion. A conversar! sections reinforce the new vocabulary through pair and group activities. Palabras claves sections focus on a key word from the Cultura en vivo reading and prompt student interaction with the vocabulary. Escribamos ahora sections, appearing at the end of Lesson 2 in each unit, provide an innovative process approach to developing writing skills and organizational techniques that helps students produce a well-developed composition. An end-of-text Manual de gramatica, cross-referenced to the text and designed for independent study, offers review and practice of the grammatical structures in meaningful contexts. Supported by Luz! Camara! Accion! sections in the text, the 60-minute Mundo 21 Video offers authentic footage, documentaries, travelogues, music, and other cultural features from various regions of the Hispanic world. Exploremos el ciberespacio sections at the end of each lesson direct students to the Mundo 21 Web Site, which features web-search activities, auto-correcting self-tests, and a resources section for additional research.

This edition of our successful series to support the Cambridge IGCSE Biology syllabus (0610) is fully updated for the revised syllabus for first examination from 2016.
