

## O J Is Innocent And I Can Prove It

"Provocative and entertaining. ... A powerful and damning diatribe on Simpson's acquittal."—People Here is the account of the O. J. Simpson case that no one dared to write, that no one else could write. In this #1 New York Times bestseller, Vincent Bugliosi, the famed prosecutor of Charles Manson and best-selling author of *Helter Skelter*, goes to the heart of the trial that divided the country and made a mockery of justice. He lays out the mountains of evidence; rebuts the defense; offers a thrilling summation; condemns the monumental blunders of the judge, the "Dream Team," and the media; and exposes, for the first time anywhere, the shocking incompetence of the prosecution.

The esteemed Harvard lawyer and best-selling author of *Chutzpah* describes his career and the cases that have changed American jurisprudence throughout the past half century, providing coverage of such topics as his early academic struggles, his clerking work for Supreme Court Justice Arthur Goldberg and his role in such cases as the O.J. Simpson trial and the Leona Helmsley defense.

O.J. Simpson, the Killer By Cheryl Kane, co-author Detective James M. Pembroke On June 12, 1994, the most heinous of murders was committed. Two innocent victims, Nicole Brown Simpson and Ronald Goldman, were viciously killed in Los Angeles, California. Yet, despite the overwhelming physical evidence and a clear motive, the killer was never convicted of these crimes. Relive the terrifying last moments of Ms. Simpson and Mr. Goldman as the truth finally comes out. Learn about key moments in the trial that all leaned toward justice being served and explore the evidence that clearly points a finger at one individual: O.J. Simpson.

The inside story of the world's most famous board game—a buried piece of American history with an epic scandal that continues today.

The riveting account of the O.J. Simpson murder trial is told in the uncensored words of Simpson's closest confidants and attorneys. *American Tragedy* reveals the answers to many of the case's unexplained questions for the first time. What happened to the missing Louis Vuitton bag? How did Simpson's team stage a deception during the jury's visit to his mansion? You've heard the speculation's and rumors; now read what really happened.

An updated edition of the Edgar Award-winning true crime classic describes the brutal murders of three young people near Lake Waco, Texas, describes the lengthy police investigation into the killings, and covers the trials and convictions of the murderers. Reissue.

On November 8, 1985, 18-year-old Tom Odle brutally murdered his parents and three siblings in the small southern Illinois town of Mount Vernon, sending shockwaves throughout the nation. The murder of the Odle family remains one of the most horrific family mass murders in U.S. history. Odle was sentenced to death and, after seventeen years on death row, expected a lethal injection to end his life. However, Illinois governor George Ryan's moratorium on the death penalty in 2000, and later commutation of all death sentences in 2003, changed Odle's sentence to natural life. The commutation of his death sentence was an epiphany for Odle. Prior to the commutation of his death sentence, Odle lived in denial, repressing any feelings about his family and his horrible crime. Following the commutation and the removal of the weight of eventual execution associated with his death sentence, he was confronted with an unfamiliar reality. A future. As a result, he realized that he needed to understand why he murdered his family. He reached out to Dr. Robert Hanlon, a neuropsychologist who had examined him in the past. Dr. Hanlon engaged Odle in a therapeutic process of introspection and self-reflection, which became the basis of their collaboration on this book. Hanlon tells a gripping story of Odle's life as an abused child, the life experiences that formed his personality, and his tragic homicidal escalation to mass murder, seamlessly weaving into the narrative Odle's unadorned reflections of his childhood, finding a new family on death row, and his belief in the powers of redemption. As our nation attempts to understand the continual mass murders occurring in the U.S., *Survived by One* sheds some light on the psychological aspects of why and how such acts of extreme carnage may occur. However, *Survived by One* offers a never-been-told perspective from the mass murderer himself, as he searches for the answers concurrently being asked by the nation and the world.

A provocative, fictional account of the sensational O. J. Simpson case speculates on what would happen if O. J. Simpson decided to accept Fred Goldman's challenge by confessing to the murders of Nicole Brown Simpson and Ronald Goldman in exchange for the civil settlement. \$300,000 ad/promo.

For audiences of the popular FX television series *The People v. O.J. Simpson: American Crime Story*, based on Jeffrey Toobin's *The Run of His Life* and starring Cuba Gooding, Jr., John Travolta, David Schwimmer, and Courtney B. Vance. Named on *Vogue Magazine's* "American Crime Story Reading List" as one of the "eight definitive books on the trial of the century." Twenty years ago, America was captivated by the awful drama of the O.J. Simpson trial. The Simpson "Dream Team" legal defense had a seemingly impossible task: convincing a jury that their client was innocent of the murders of Nicole Brown Simpson and Ron Goldman. In order for O.J. Simpson to get away with murder, the defense attorneys had to destroy the reputation of Mark Fuhrman, a brilliant Los Angeles detective who was the lead on the murder scene and had collected overwhelming physical evidence against Simpson. Now Fuhrman tells his side of the story in the #1 New York Times bestseller *Murder in Brentwood*, a damning exposé that reveals why and how Simpson's prosecution was bungled. Fuhrman offers a sincere mea culpa for allowing his personal mistakes to become a focal point of the defense's strategy but also stands by the evidence he collected, writing: "One thing I will not apologize for is my policework on the O.J. Simpson case." With Fuhrman's own hand-drawn maps of the crime scene, his reconstruction of the murders, and interrogation transcripts, *Murder in Brentwood* is the book that sets the record straight about what really happened on June 12, 1994—and reveals why the O.J. Simpson trial was such a catastrophe.

Offers a detailed analysis of the evidence in the O.J. Simpson case, including the DNA evidence, and discusses the jury, the impact of the media, and other famous trials

"The Only Living Witness" towers over the rest of the Ted Bundy bookshelf . . . (as) a monument to book-length journalism" (Jack Olsen, author of "The Misbegotten Son"). "A shining example of excellent reporting, fine writing, and a story of enduring value."--Carlton Stowers, author of "Careless Whispers."

When James Dallas Egbert III disappeared from the Michigan State University campus in 1979, he was no ordinary

college dropout. Egbert was a computer genius at sixteen, a boy with an I.Q. of 180-plus and an extravagant imagination. He was a fanatic Dungeons & Dragons player—before the game was widely known—and he and his friends played a live version in a weird labyrinth of tunnels and rooms beneath the university. These secret passages even ran within the walls of the buildings themselves. After Egbert disappeared, there were rumors of witch cults, drug rings, and homosexuality to try to explain the mystery. When the police search came to a dead end, the Egbert family called in one of the most colorful private investigators of our era, William Dear, of Dallas, who is a kind of real-life James Bond. Dear's search for the boy reads like a sensational novel—but every detail is true. Dear crawled through baking-hot tunnels, flew over the campus in a helicopter, and called into play every intuition he could muster. He realized that he must out-play and "out-psych" the brilliant, game-playing mind of Dallas Egbert. In the end, he did. The story of the tortuous search, the discovery of the boy, his return to his parents—and the final tragedy—is told here for the first time. This is the story of a generation, not just the story of Dallas Egbert alone; and anybody who has known a game-playing, computer-age adolescent will recognize some of the possibilities for genius, and for danger.

The former girlfriend of O.J. Simpson reveals the "real" O.J., describing what happened during the explosive days before the trial and her daily visits with him during the criminal trial, in this honest and compelling memoir. Tour.

"An international private investigative report into the murders of Nicole Simpson and Ron Goldman."--Jacket.

A biography of the choreographer Frederick Ashton which traces his progress from Peruvian childhood and unhappy schooldays, through initiation into a homosexual artistic coterie, to a varied career in dance, culminating in public and royal acclaim.

Presents eight teleplays selected from the third and fourth seasons of "The West Wing."

You Don't Know the Full Truth About O.J. Simpson and the Murders that Grippled a Nation. But Mike Gilbert does, and after nearly two decades of being O.J. Simpson's sports agent, business advisor, and trusted confidant, Gilbert is breaking his silence and telling the full story of the man he idolized, but now despises. Gilbert's shocking tale is unlike anything you've read before; it isn't his "version" of what happened--it's the unvarnished truth. The truth about O.J., the murders, and the infamous trial. Not as Gilbert imagined or would like it to be, but how it actually was. Gilbert doesn't spare anyone, not even himself--he helped deceive the jury and feels deeply responsible for the "Not Guilty" verdict.

Michael Eric Dyson took America by storm with this provocative expose of the class and generational divide that is tearing black America apart. Nothing exposed the class and generational divide in black America more starkly than Bill Cosby's now-infamous assault on the black poor when he received an NAACP award in the spring of 2004. The comedian-cum-social critic lamented the lack of parenting, poor academic performance, sexual promiscuity, and criminal behavior among what he called the "knuckleheads" of the African-American community. Even more surprising than his comments, however, was the fact that his audience laughed and applauded. Best-selling writer, preacher, and scholar Michael Eric Dyson uses the Cosby brouhaha as a window on a growing cultural divide within the African-American community. According to Dyson, the "Afristocracy"—lawyers, physicians, intellectuals, bankers, civil rights leaders, entertainers, and other professionals—looks with disdain upon the black poor who make up the "Ghettocracy"—single mothers on welfare, the married, single, and working poor, the incarcerated, and a battalion of impoverished children. Dyson explains why the black middle class has joined mainstream America to blame the poor for their troubles, rather than tackling the systemic injustices that shape their lives. He exposes the flawed logic of Cosby's diatribe and offers a principled defense of the wrongly maligned black citizens at the bottom of the social totem pole. Displaying the critical prowess that has made him the nation's preeminent spokesman for the hip-hop generation, Dyson challenges us all—black and white—to confront the social problems that the civil rights movement failed to solve.

The True Story Behind the Murders of Nicole Brown Simpson and Ron Goldman, from O.J. Simpson's Closest Confidante It's the greatest crime story ever to play out on national television—the murders of Nicole Brown Simpson, the 35-year-old wife of famed pro football star O.J. Simpson, and Ron Goldman, a 25-year-old restaurant worker and friend of Nicole, who were brutally murdered by an unknown assailant outside Nicole's home in Brentwood, California, on the evening of Sunday, June 12, 1994. Charged with the murders, O.J. Simpson underwent in October 1995 a nationally televised murder trial that lasted nearly nine months, ending in a dramatic acquittal that was watched live by over one-hundred-million people – one of the largest audiences to ever witness anything in the history of television. It was called the "trial of the century." But people still want to know what really happened that summer night when Nicole Brown Simpson's and Ron Goldman's lives were literally cut short, and now, Norman Pardo—O.J.'s closest confidante and business manager for twenty years—offers readers the true story behind these murders. With revelatory never-before-seen evidence and previously undisclosed interviews with people who knew Simpson and Goldman, Pardo makes the case that the real killer was not O.J., whose only aim was to protect his children from Simpson's lifestyle. Rather, Pardo argues, the true murderer was notorious serial killer Glen Rogers, whose testimony in this book just may hold the key to unlocking the case once and for all. Equal parts eye-opening, shocking, and entertaining, Who Really Killed Nicole? is essential reading for everyone interested in the O.J. Simpson trial and the murders of Nicole Brown Simpson and Ron Goldman, anyone interested in the case of Glen Rogers, and all those who still want to know the truth of what happened that fateful June evening in 1994.

#1 New York Times Bestseller. For more than a year, Christopher Darden argued tirelessly for the prosecution, giving voice to the victims in the O.J. Simpson murder trial. In Contempt is an unflinching look at what the television cameras could not show: behind-the-scenes meetings, the deteriorating relationships between the defense and prosecution teams, the taunting, baiting, and pushing matches between Darden and Simpson, the intimate relationship between Darden and Marcia Clark, and the candid factors behind Darden's controversial decision for Simpson to try on the infamous glove, and much more. Out of the sensational frenzy of "the trial of the century" comes this haunting memoir of duty, justice, and the powerful undertow of American racism. A stunning masterpiece told with brutal honesty and courage.

"With a new foreword by the author" -- Cover.

Dr. Johnson debunks the hype surrounding the persecution of O. J. Simpson with such clarity that it is frightening. His conclusions demonstrate how the "American Dream" gets sabotaged, when the protection we take for granted as citizens are annihilated, while sanctioned by a racially distorted media. This book is not just about O. J., it is about the rights of all Americans, whose rights can

be trampled and unprotected, whether they be Black, White, rich, poor, man or woman. You the reader and every American should have the opportunity to have available unvarnished truth about the "Trial of the Century."

Americans today are working harder, working longer and yet for most of us, in this time of ruthless downsizing and political cronyism, job security, a decent standard of living and a comfortable retirement are becoming harder and harder to find. In this brilliantly funny and right-on-target diatribe, irreverent everyman Michael Moore gives his own bold views on who's behind the fading of the American dream. Whether issuing Corporate Crook trading cards, organizing a Rodney King Commemorative Riot, sending a donation to Pat Buchanan from the John Wayne Gacy fan club (which was accepted) or trying to commit former right-wing congressman Bob Dornan to a mental hospital, the in-your-face host of TV Nation and director/star of *Roger & Me* combines an expansive wit with biting social commentary to make you think and laugh at the same time. In hardcover, *Downsize This!* stormed the bestseller lists of the *New York Times*, *Wall Street Journal*, *Washington Post*, *San Francisco Chronicle* and others. Given Michael Moore's enormous -- and growing -- constituency, this trade paperback edition brings his unique perspective on the nation to an even greater audience.

*The Definitive Account of the O.J. Simpson Trial*, by Legendary Defense Attorney F. Lee Bailey It was called "The Trial of the Century." Beloved football sensation, O.J. Simpson was famous for his prowess on the field, his good looks, and his charm. But all that changed the night his ex-wife Nicole Brown Simpson and her friend Ron Goldman were brutally slaughtered in her front yard late at night on June 12, 1994. The media circus that consumed the news cycle for the next eighteen months would forever change the world's opinion of O.J. Simpson, despite the fact that the jury, after nearly a year of sequestration, came to their decision in just a few hours: Not Guilty. Although at least a dozen books have been written about the O.J. Simpson trial, from every possible perspective from provocative to sensationalistic, *The Truth About the O.J. Simpson Trial* is the most revealing because the writer was the Architect of the Defense. Bailey, shows definitively why the jury was correct in finding that the timeline of the evening made Simpson's presence at the murder scene impossible, which eclipses the question "Did he do it?" and establishes that he simply could not have done it. This book reveals shocking evidence of police corruption, mishandling of blood samples and other materials that formed the basis of the prosecution's case. Bailey includes convincing evidence that was not presented at the trial—including interviews, forensic results, and revelations about the case that have since come to light. Scathing, controversial, and, yes, entertaining, *The Truth About the O.J. Simpson Trial* will be read and studied by anyone interested in defending the innocent, the history of law enforcement in America, students of the Law, and all those who are still obsessed with "The Trial of the Century."

O.J. is Innocent and I Can Prove ItSkyhorse

**NEW YORK TIMES BESTSELLER** • The inspiration for *American Crime Story: The People v. O. J. Simpson* on FX, starring Cuba Gooding, Jr., John Travolta, David Schwimmer, and Connie Britton The definitive account of the O. J. Simpson trial, *The Run of His Life* is a prodigious feat of reporting that could have been written only by the foremost legal journalist of our time. First published less than a year after the infamous verdict, Jeffrey Toobin's nonfiction masterpiece tells the whole story, from the murders of Nicole Brown Simpson and Ronald Goldman to the ruthless gamesmanship behind the scenes of "the trial of the century." Rich in character, as propulsive as a legal thriller, this enduring narrative continues to shock and fascinate with its candid depiction of the human drama that upended American life. Praise for *The Run of His Life* "This is the book to read."—Michiko Kakutani, *The New York Times* "This book stands out as a gripping and colorful account of the crime and trial that captured the world's attention."—*Boston Sunday Globe* "A real page-turner . . . strips away the months of circuslike televised proceedings and the sordid tell-all books and lays out a simple, but devastating, synopsis of the case."—*Entertainment Weekly* "A well-written, profoundly rational analysis of the trial and, more specifically, the lawyers who conducted it."—*USA Today* "Engrossing . . . Toobin's insight into the motives and mind-set of key players sets this Simpson book apart from the pack."—*People* (one of the top ten books of the year) Nicole Simpson and Ron Goldman were brutally murdered at Nicole's home on Bundy Drive in Brentwood, California, on the night of June 12, 1994. The weeks and months that followed were full of spectacle, including a much-watched car chase and the eventual arrest of O. J. Simpson for the murders. The televised trial that followed was unlike any that the nation had ever seen. Long convinced of O. J.'s guilt, the world was shocked when the jury of the "trial of the century" read the verdict of not guilty. To this day, the LAPD, Los Angeles District Attorney's office, mainstream media, and much of the world at large remain firmly convinced that O. J. Simpson literally got away with murder. According to private investigator William Dear, it is precisely this assuredness that has led both the police and public to overlook a far more likely suspect. Dear now compiles more than sixteen years of investigation by his team of forensic experts and presents evidence that O. J. was not the killer. In *O. J. is Innocent and I Can Prove It*, Dear makes the controversial but compelling case that it was, in fact, the "overlooked suspect," O. J.'s eldest son Jason, who committed the grisly murders. Sure to stir the pot and raise some eyebrows, this book is a must-read.

Documents the story of the famous courtesan who was a muse and mistress to such figures as Alexandre Dumas and Franz Liszt, tracing her upbringing in Normandy and her reinvention in Paris before becoming one of the most adored women in 1840s France.

\*\*\*With an exclusive behind-the-scenes conversation between Billy Jensen and retired detective Paul Holes on the Golden State Killer, their favorite cold cases, and more\*\*\* Have you ever wanted to solve a murder? Gather the clues the police overlooked? Put together the pieces? Identify the suspect? Journalist Billy Jensen spent fifteen years investigating unsolved murders, fighting for the families of victims. Every story he wrote had one thing in common—they didn't have an ending. The killer was still out there. But after the sudden death of a friend, crime writer and author of *I'll Be Gone in the Dark*, Michelle McNamara, Billy became fed up. Following a dark night, he came up with a plan. A plan to investigate past the point when the cops had given up. A plan to solve the murders himself. You'll ride shotgun as Billy identifies the Halloween Mask Murderer, finds a missing girl in the California Redwoods, and investigates the only other murder in New York City on 9/11. You'll hear intimate details of the hunts for two of the most terrifying serial killers in history: his friend Michelle McNamara's pursuit of the Golden State Killer and his own quest to find the murderer of the Allentown Four.

And Billy gives you the tools—and the rules—to help solve murders yourself. Gripping, complex, unforgettable, *Chase Darkness with Me* is an examination of the evil forces that walk among us, illustrating a novel way to catch those killers, and a true-crime narrative unlike any you've read before.

In 2006, HarperCollins announced the publication of a book in which O.J. Simpson told how he hypothetically would have committed the murders of Ron Goldman and Nicole Brown Simpson, a crime for which he was found not guilty. In response to public outrage, the book was never published. Here is the original manuscript of the book.

The author shares his thoughts on his life with Nicole Brown Simpson, his children, the media, the judicial system, spouse abuse, religion, racism, and his innocence of the murder of his wife

An intimate account of Nicole Brown Simpson's marriage, her husband's abuse, and events leading up to her death, as told by her best friend

Nicole Brown Simpson and Ron Goldman were brutally murdered at her home on Bundy Drive in Brentwood, California, on the night of June 12, 1994. The days and weeks that followed were full of spectacle, including a much-watched car chase and the eventual arrest of O. J. Simpson for the murders. The televised trial that followed was unlike any that the nation had ever seen. Long since convinced of O. J.'s guilt, the world was shocked when the jury of the "trial of the century" read the verdict of not guilty. To this day, the LAPD, Los Angeles District Attorney's office, mainstream media, and much of the world at large remain firmly convinced that O. J. Simpson got away with murder. According to private investigator William Dear, it is precisely this assuredness that has led both the police and public to overlook a far more likely suspect. Dear now compiles more than seventeen years of investigation by his team of forensic experts and presents evidence that O. J. was not the killer. In *O. J. Is Innocent and I Can Prove It*, Dear makes the controversial, but compelling, case that it may have been the "overlooked suspect," O. J.'s eldest son, Jason, who committed the grisly murders. Sure to stir the pot and raise some eyebrows, this book is a must-read.

After the white Bronco, after the bloody glove, after the media frenzy and the verdict that set O.J. Simpson free, Daniel Petrocelli came to pick up the pieces. Outraged by the disastrous miscarriage of justice, the family of murder victim Ronald Goldman sought justice in civil court—their last chance to go after Simpson. To represent them, they hired Petrocelli, a respected attorney who had never before tried a criminal case. In order to win the case, Petrocelli would have to prove that O.J. Simpson was a killer. The physical evidence connecting Simpson to the murders was rock solid, but in the criminal trial, evidence was not enough. To bring the families justice, Petrocelli would have to do something that the District Attorney had not been able to do: confront O.J. Simpson face-to-face. Called "the best book on the subject" by the *San Francisco Chronicle*, *Triumph of Justice* is the definitive account of the Simpson murders and their aftermath. In the long, twisted history of the trial of the century, Daniel Petrocelli has the final word.

"I don't care who you hire, or what the company has to pay him ... so long as he's the best there is." This anguished cry from the wife of murder victim Dean Milo would draw private investigator Bill Dear into one of the most frustrating and ultimately triumphant cases of his career. Dean Milo was a phenomenally successful businessman who had built a tiny family business into a \$50 million-a-year corporation. Along the way he had established a lengthy list of enemies that began with his immediate family and stretched throughout the social and business community. His fast-track ride to the top came to a violent halt on August 11, 1980, when Milo was found dead in his luxurious Ohio home, shot twice in the head. A blank telegram form lay nearby. Four months after his death, the investigation remained a confusing collection of non sequiturs. Clues pointed toward Milo's involvement with the Mafia, the drug world, and the gay community. His own family refused to cooperate with the author-ities. And time was ticking by ... In desperation, Maggie Milo turned to Texas private eye Bill Dear. This is the gripping story of the remarkable collaboration between Dear and the police detectives of Akron, Ohio, that led to eleven convictions, an Ohio record. It is also a tale of the human weakness, desperation, and overwhelming greed that led to a sudden death.

Cole is a boy in high school. He runs cross country, he sketches, he jokes around with friends. But none of this quite matters next to the allure of sex. "Let me put it this way," he says. "Draw a number line, with zero is you never think about sex and ten is, it's all you think about, and while you are drawing the line, I am thinking about sex." Cole fantasizes about whomever he's looking at. He consumes and shares pornography. And he sleeps with a lot of girls, which is beginning to earn him a not-quite-savory reputation around school. This leaves him adrift with only his best friend for company, and then something startling starts to happen between them that might be what he's been after all this time and then he meets Grisaille. *All The Dirty Parts* is an unblinking take on teenage desire in a culture of unrelenting explicitness and shunted communication, where sex feels like love, but no one knows what love feels like. With short chapters in the style of Jenny Offill or Mary Robison, Daniel Handler gives us a tender, brutal, funny, intoxicating portrait of an age when the lens of sex tilts the world.

*Raging Heart* is so revealing that the book itself became part of the actual O.J. Simpson murder trial. It is the only book to trace the path of O.J. and Nicole's fatal love story through the eyes of the people who really knew them. Acclaimed journalist Sheila Weller gained the unprecedented cooperation of Nicole Brown Simpson's family, and had exclusive access to O.J. and Nicole's friends who reveal private information here for the first time. Though the story that unfolds in *Raging Heart* was never fully explored in court, the revelations from its incisive reporting sent shock waves through the trial. *Raging Heart* is full of explosive information from people who knew, but couldn't—or wouldn't—tell their stories on the witness stand. As vivid as a home movie, *Raging Heart* is an explicit, heartrending look behind the verdict of the century—and the one book the O.J. Simpson jurors would be astonished to read.

A stunning firsthand account of the creation of a modern cult and the costs paid by its young victims: a group of college roommates "Chilling . . . eloquent . . . a powerful portrayal of a young man's ability to emerge whole from an experience intended to break him."—*Publishers Weekly* In September 2010, at the beginning of the academic year at Sarah Lawrence College, a sophomore named Talia Ray asked her roommates if her father could stay with them for a while. No one objected. Her father, Larry Ray, was just released from prison, having spent three years behind bars after a conviction during a bitter custody dispute. Larry Ray arrived at the dorm, a communal house called Slonim Woods 9, and stayed for the whole year. Over the course of innumerable counseling sessions and "family meetings," the intense and forceful Ray convinced his daughter's friends that he alone could help them "achieve clarity." Eventually, Ray and the students moved into a small Manhattan apartment, beginning years of manipulation and abuse, as Ray tightened his control over his young charges through blackmail, extortion, and ritualized humiliation. After a decade of secrecy, in 2020, Larry Ray was finally indicted on charges of extortion, sex trafficking, forced labor, and money laundering. Daniel Barban Levin was one of the original residents of Slonim Woods 9. Beginning the moment Daniel set foot on Sarah Lawrence's idyllic campus and spanning the two years he spent in the grip of a megalomaniac, this brave, lyrical, and redemptive memoir reveals how a group of friends were led from college to a cult without the world even noticing.
