

Ode To Joy Cello And Piano Bakeway

This nicely filled-out arrangement of the famous theme from Beethoven's 9th Symphony is especially appropriate as a performance piece for an intermediate level pianist, featuring elements of the symphonic work intertwined with the theme. It is presented in D major, has a wide keyboard range, and nice extremes in dynamics.

A beginning note-reading book designed for Suzuki-trained violoncello students who have learned to play using an aural approach, or for traditionally taught students who need extra note reading practice.

A wonderful new edition of our Cello Method book which teaches the beginning cello student everything they need to know. The book starts with Seating and Bow Hold, then covers all the details of the Language of Music, reading, writing and playing. Cello Method follows with Extensive Bowing Exercises and Stretch Position with Thorough Instruction and Material all the way through Shifting to 4th Position. Enchanting New Songs and Old Classics follow and are mixed with Detailed Explanations and Many Bowing Exercises to Create a Beautiful Sound with the Bow. Cello Method has three different levels of bow instruction with bowing variations, exclusive to this method book only. Includes access to online audio

The It Girl meets The Exorcist in this chilling, haunted boarding school tale New-girl Lindsay discovers all is not right at the prestigious Marlwood Academy for Girls. Ethereal, popular Mandy and her clique are plotting something dangerous. Lindsay overhears them performing strange rituals, and sees their eyes turn black. It doesn't help that the school itself is totally eerie, with ancient, dilapidated buildings tucked into the Northern California woods, a thick white fog swirling through campus. There are hidden passageways, odd reflections in the windows

at night, and scariest of all is the vast lake rumored to have captured the ghost of a girl who drowned many years ago. What Lindsay doesn't yet realize is that Mandy and her cohorts are becoming possessed by spirits who have haunted the school for two hundred years. Spirits who want someone dead... And that someone is Lindsay.

Cello Playing for Music Lovers provides beginners and intermediate students with an authoritative, step-by-step guide to learning to play the cello. Dilianna Momtchilova, a graduate of Julliard, provides technical explanations and many photos. Gifted cellist Erik Friedlander plays the 116 musical figures discussed in the book on the accompanying play along CD. The book includes musical examples from folk, Broadway and classical traditions. Written from the student's viewpoint, it teaches all the required skills, including reading music, using the bow effectively, analyzing musical structures, The book starts from scratch with songs transcribed for beginners and advances gradually to 4th position Included are folk songs, hymns, Broadway standards like "Some Enchanted Evening," and classical selections like a Bach Prelude and Sarabande. Later sections explore some music theory and how to play in chamber music groups The author, a Ph.D. and experienced teacher, presents this fascinating material in small, logical steps. As cellist Aaron Minsky said, "Your idea that the cello can be enjoyed on a simple level even within a few weeks of study is very true. . . This book will bring the joys of cello playing to many people who would not have believed it possible." Playing the cello will give any music lover unparalleled satisfaction. If you always wished you could do it "in your next life," do it now.

Experiencing Beethoven, music historian Geoffrey Block explores in layman's terms a highly representative body of about two dozen Beethoven instrumental and vocal works, offering listeners who know him well, or are just discovering him, an opportunity to grasp the breadth and depth of his musical genius. Experiencing Beethoven places the composer's works within the evolving context of his personal and professional life and social and cultural milieu. Block sheds light on the public and private audiences of Beethoven's music, from the concerts for the composer's own financial benefit to the debut of the "Eroica" Symphony at the palace of Prince Lobkowitz to the historic public premiere of his Ninth Symphony. Experiencing Beethoven paints a portrait of the composer's youth in Bonn, his early triumphs and artistic maturation in Vienna, and—despite the challenges his music posed to his contemporaries—the recognition he received during his lifetime as the most acclaimed composer of the era. Block conveys the range and scope of Beethoven's achievement, from his heroic style to his lyricism, grappling throughout with the composer's power to communicate his idealistic musical vision to listeners in both his time and ours. Finally, Experiencing Beethoven explores why Beethoven's music continues to enjoy an unwavering appeal in an age saturated with a range of musical styles.

The quintessential primer for the budding classical music lover. Millions of people adore classical music. Millions of other people want to, but simply don't know how or where to start—so many composers, so many pieces, so many versions, so much music! In either case, this book is for you. In this informal and informative guide, Rudel leads listeners through the forty most essential and popular compositions from the Four Seasons to Rhapsody in Blue, explaining the musical structure of each passage and highlighting special themes or elements to listen for as the music continues. By the time you're through with his guidance, the music is no longer just a jumbled mass of sound, but instead a stunning piece of music that's as understandable and enjoyable as any rock 'n' roll song.

With free mp3 audio for the pieces and accompaniments. This book belongs to a series of duos for violins, violas and cellos. The books have the same pieces and can be used together. Cello students can play the duets with violin or viola students that have these books: "Easy Duets for Violins" or "Easy Duets for Violas." This book includes 18 easy and gradual duets for cellos. The pieces can be played always in First Position. There are only cello 1 and cello 2 parts for the pieces that are written in more than two pages. The scores include some finger numbers and the book starts with an introduction to the different parts of the cello and terms and abbreviations that we find in music for the cello. There is a page that introduces the open strings of the cello and how they are written in the bass clef. This book also includes a fingering chart for the notes in first position. You can find the mp3 files for the songs in the book in the folder with the name of this book, at the <http://www.arts2science.com> website. The numbers of the mp3 files appear in each score. The same folder also includes a virtual cello that you can play.

Compiled here are reviews, reports, notes, and essays found in German-language periodicals published between 1783 and 1830. The documents are translated into English with copious notes and annotations, an introductory essay, and indexes of names, subjects, and works. This volume contains a general section and documents on specific opus numbers up to opus 54, with musical examples redrawn from the original publications. ø The collection brings to light contemporary perceptions of Beethoven's music, including matters such as audience, setting, facilities, orchestra, instruments, and performers as well as the relationship of Beethoven's music to theoretical and critical ideas of the eighteenth and nineteenth centuries. These documents, most of which appear in English for the first time, present a wide spectrum of insights into the perceptions that Beethoven's contemporaries had of his monumental music.

The purpose of this cellist songbook is to provide the beginning cellist with a repertoire of 24 of the most familiar and beloved tunes ever written. There are several great folk songs of America and other lands. They continue to bring pleasure and knowledge as a link to the past. All the songs are written specifically for cello utilizing dynamics, expression markings, and articulations. Key signatures for the songs are in a comfortable range suitable for the beginning cellist. Guitar chord symbols appear above each melody; however, the chords may be played by banjo, ukulele, autoharp, and chord organ. Included are: Irish Songs, Folk Songs, American Hymns, Spirituals, and Classics. This song book is an ideal supplement to Cello Method (MB96459) published by Mel Bay Publications, Inc. All the songs are appropriate for performance at concerts, recitals, and contests.
