The occasion of forty years of teaching at Amherst by William H. Pritchard, the renowned critic of Frost, Jarrell, and many others, has generated a remarkable collection of essays by former students, colleagues, and friends. The essays themselves are a spectrum of contemporary, criticism, ranging from classroom memoirs to analytic essay-in-criticism to assessment of the state of academic letters today. These contributions, a tribute, by reason of their very range, are a salute to the breadth of William Pritchard's circle of literary acquaintance. Under Criticism demonstrates the fine persistence in certain manners of approach and habits of focus that go, among that circle, under the name of criticism. Drawing foremost on their engagement with the literature before them, Christopher Ricks, Helen Vendler, Patricia Meyer Spacks, Neil Hertz, David Ferry, Paul Alpers, Joseph Epstein, and Frank Lentricchia -- as well as fifteen other critics and men and women of letters -- reinforce Professor Pritchard's prescription that in order to have a hearing, the critic needs to keep listening.

A strikingly illustrated retelling of Homer's classic from the team who brought us *The Odyssey*—Carnegie Medalist Gillian Cross and illustrator Neil Packer. After nine years of war between the Greeks and Trojans, tensions are heating up among men of the same faction as well as those on opposing sides. Two proud and powerful Greeks, King Agamemnon and legendary warrior Achilles, quarrel over a beautiful maiden, causing Achilles and his myrmidons to drop out of the fight. Meanwhile, fueled by rage and pride, honor and greed, soldiers on both sides—Odysseus and Patroclus for the Greeks, Paris and Hector for the

The Bible Literacy Project curriculum will be unique in eight distinctive ways: (1) It was created to fulfill the standards of The Bible & Public Schools: A First Amendment Guide, co-published by the Bible Literacy Project and the First Amendment Center. The Guide provides a consensus statement about how the Bible can be taught in public schools, and was endorsed by 21 national educational and religious organizations, including the National Education Association, the American Federation of Teachers, the National School Boards Association, the National Association of Evangelicals and the American Jewish Congress, among many others. \*\* (2) It has been examined by 40 reviewers, with

their feedback incorporated into the editing of the text. The reviewers include prominent literature academics as well as high school teachers and scholars from the Roman Catholic, Protestant Evangelical, Mainline Protestant, Eastern Orthodox and Jewish traditions. \*\* (3) It is uniquely a student textbook. While some curricula offer only a teacher's guide, the Bible Literacy Project textbook will be the only student textbook produced in nearly 30 years. The 40 chapters of the textbook are encompassed in 14 units, seven units for Hebrew Scriptures and seven units for the New Testament. It presents a straightforward explanation of the narratives, themes, and characters of the Bible, written to respect, but not promote various faith perspectives. The course includes direct reading from the Bible. Students will use the translation of the Bible with which they are most comfortable. \*\* (4) It broadly covers the cultural contexts and influences of the Bible, with examples of art, literature, rhetoric and music. The textbook contains engaging features entitled Historical Connections, The Bible in Literature, Cultural Connections (music, art, rhetoric), and Into Everyday Language. Special one or two-page features include "Abraham Lincoln and the Bible," "Handel's Messiah," "The Bible and Emancipation," Shakespeare and the Bible," among many others. \*\* (5) It preserves the ability of parents to teach their view of the Bible's religious significance. The text presents a fair and academic presentation

of the Bible, without prejudice to a particular view of canon and doctrine. \*\* (6) It has been pilot tested both in public high schools and in a university training course for English teachers. \*\* (7) There is an accompanying teacher's manual in development (scheduled for Summer 2006). \*\* (8) There will be a university-based, online teacher training program available.

Georgia's past has diverged from the nation's and given the state and its people a distinctive culture and character. Some of the best, and the worst, aspects of American and Southern history can be found in the story of what is arguably the most important state in the South. Yet just as clearly Georgia has not always followed the road traveled by the rest of the nation and the region. Explaining the common and divergent paths that make us who we are is one reason the Georgia Historical Society has collaborated with Buddy Sullivan and Arcadia Publishing to produce *Georgia: A State History*, the first full-length history of the state produced in nearly a generation. Sullivan's lively account draws upon the vast archival and photographic collections of the Georgia Historical Society to trace the development of Georgia's politics, economy, and society and relates the stories of the people, both great and small, who shaped our destiny. This book opens a window on our rich and sometimes tragic past and reveals to all of us the fascinating complexity of what it means to be a Georgian.
