

One Bad Move

In the too-quiet town of Oakwood, only the lucky die of boredom . . . and new homeowner Zack Walker isn't feeling lucky. Whoever said the burbs were boring will think twice after reading Linwood Barclay's hilarious debut mystery, in which Dad learns the hard way that he doesn't always know best. Zack wouldn't blame you for thinking he's safety-obsessed. True, he masterminded a plot to trade his family's exciting city lifestyle for one of suburban tranquillity. True, even after this strategic move, Zack still has issues with family members who forget their keys in the front door, leave their cars unlocked, or park their backpacks at the top of the stairs—where you could kill yourself tripping over them. Just ask his wife, Sarah, or his teenage kids, Paul and Angie, who endure their share of lectures. Zack knows that he needs to chill out and assume the best for once—but we know what happens to those who assume. When Zack realizes their two-faced developer sent a petty thief to fix their leaky shower, he starts fighting hard to ignore the fact that Oakwood isn't the crime-free paradise he was hoping for. But his brief state of denial comes to an abrupt end when, during a walk by the creek, he stumbles across a dead body. Even more shocking, Zack actually knows who the victim is—and who might want him dead. With a killer roaming around their neighborhood and Zack's overactive imagination in overdrive, he's sure things can't get any worse. But then another local is murdered—and Zack's paranoid tendencies get him implicated in the crime. While his wife is trying to remember why she married him in the first place, and his kids are considering whether it's time to have him committed, Zack decides there's only one thing he can do. To protect his family—and avoid being busted for a crime he didn't commit—he's going to have to override his safety-first instincts, tap into his delusions of machismo, and track down the killer himself.

Emanuel Lasker was the longest-reigning world champion (1894-1921) and remained one of the world's top 10 players for nearly four decades. He competed against top players such as Capablanca, Rubinstein and Alekhine at the height of their game, and was consistently successful, yet almost no one studies his games today. Lasker is often overlooked by the modern chess player, and the secrets of his success remain a mystery. Chess journalist Andy Soltis reveals for the first time the winning formula behind Lasker's phenomenal achievements. With over 100 annotated games, Soltis analyses the tricks, traps and techniques behind the winning moves, and makes Lasker's methods accessible to today's players.

This carefully crafted ebook: "British Mystery Classics - Complete Collection (Including Martin Hewitt Series, The Dorrington Deed Box & The Green Eye of Goona) - Illustrated" is formatted for your eReader with a functional and detailed table of contents. Arthur Morrison (1863-1945) was an English writer and journalist known for his detective stories, featuring the detective Martin Hewitt, low-key, realistic, lower class answer to Sherlock Holmes. Martin Hewitt stories are similar in style to those of Conan Doyle, cleverly plotted and very amusing. Morrison is also known for his realistic novels and stories about working-class life in London's East End, A Child of the Jago being the best known. Table of Contents: Martin Hewitt Series: Martin Hewitt, Investigator The Lenton Croft Robberies The Loss of Sammy Crockett The Case of Mr. Foggatt The Case of the Dixon Torpedo The Quinton Jewel Affair The Stanway Cameo Mystery The Affair of the Tortoise Chronicles of Martin Hewitt The Ivy Cottage Mystery The Nicobar Bullion Case The Holford Will Case The Case of the Missing Hand The Case of Laker, Absconded The Case of the Lost Foreigner Adventures of Martin Hewitt The Affair of Mrs. Seton's Child The Case of Mr. Geldard's Elopement The Case of the Dead Skipper The Case of the "Flitterbat Lancers" The Case of the Late Mr. Rewse The Case of the Ward Lane Tabernacle The Red Triangle The Affair of Samuel's Diamonds The Case of Mr. Jacob Mason The Case of the Lever Key The Case of the Burnt Barn The Case of the Admiralty Code The Adventure of Channel Marsh Other Detective Stories: The Dorrington Deed Box The Narrative of Mr. James Rigby The Case of Janissary The Case of "The Mirror of Portugal" The Affair of the "Avalanche Bicycle & Tyre Co., Ltd." The Case of Mr. Loftus Deacon Old Cater's Money The Green Eye of Goona The First Magnum Mr. Norie's Magnum Mr. Clifton's Magnum The Steward's Magnum—and Another Mr. Pooley's Magnum A Box of Oddments Mr. Smith's Magnums The Green Eye

On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too.

The Linebacker is an action-packed modern-day thriller with real heroes and even more real villains. As a star NFL linebacker, Mike Johnson seems to have it all: money, fame, friends, and great teammates. But when he gets a concussion and is forced to sit out the last few games of the season, his life begins to change in ways he never would have expected. His doctor, a beautiful neurologist specializing in head and neck trauma, becomes not only his doctor but a new love in his life. The romance is interrupted, however, when Mike's team is bombed on their way to the final game of the season in London, England. The authorities are seemingly locked in red tape, and the hunt for the "perps" drags on. The linebacker flies to London and decides to pursue the criminals and terrorists behind the tragedy. He soon discovers that there is a lot more evil in the world than he ever realized. Is he in over his head? Will he be able to find the people who did this? Will he even make it back home to Kate? Mike is determined evil will not win this one. They will be brought to justice if it's the last thing he does.

From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

With 1 Corinthians 13:11 as a starting point, this book establishes a standard process within a biblical context for helping the transition from youth to adulthood. It is especially designed to help parents and

young men who are struggling and need to see and face the reality of growing up. It encourages young men to step up, put away childish things, take responsibility for their lives, and understand God's definition of manhood.

Joe Ledger Fans Rejoice! Everyone's favorite snarky, dangerous, idealistic, relentless covert operative is back, and this time he's brought friends. Joe Ledger: Unstoppable presents original short stories about Joe Ledger and the Department of Military Sciences by some of New York Times bestseller Jonathan Maberry's "friends in the industry." Buckle up for powerful, exciting, and nail-biting adventures by Seanan McGuire, Scott Sigler, Larry Correia, Weston Ochse, Steve Alten, David Farland, Aaron Rosenberg, James A. Moore, James Ray Tuck, Javier Grillo Marxuach, Jennifer Campbell-Hicks, Jeremy Robinson, Joe McKinney, Jon McGoran, Keith R.A. DeCandido, Nicholas Seven, Bryan Thomas Schmidt, P.G. Charles, and Dana Fredsti! Joe Ledger is a former Baltimore cop who was recruited into a secret government agency tasked with stopping terrorists who are using bleeding-edge science weapons. The stakes are always high. If you have to call Joe Ledger, it's already hit the fan!

Meet the twelve people that can accelerate your success – in business and in life It's Who You Know is the long-awaited handbook to effective, productive and influential networking. Having the right relationships is more important than ever before, but digital connectivity and social media has changed the landscape. Social media has made networking easy, but has it made it better? In an age of digital disconnect, having the right relationships is more important than ever before with more and more of us reporting we feel disconnected from social media. Networking is no longer about collecting business cards and meeting thousands of people online or offline; it's about knowing the right people, and nurturing those relationships. You only need 12 – or even just four. Approached strategically, this comparatively small network will provide the strength, diversity and opportunities to help you achieve your personal and professional goals. This book shows you who you need to know, how to get to know them and how to make value a two-way street. Action plans, checklists and an online diagnostic tool help you start taking steps right away, and the emphasis on "doing" over endless planning gives you the motivation you need to get up and go. The old adage "It's not what you know; it's who you know" has never been more applicable than it is today. The problem is that many of us "know" thousands of people across social networks, but how many of those people truly know you and how many of them are truly connected to you? It's time to clear out the network clutter and identify those who actually add value to your professional and personal development. Master the art of real and influential strategic networking in a noisy and disconnected online world Learn who you need in your circle, and how to find them Nurture and maintain your professional relationships Leverage your power network to accelerate your career Today, jobs are filled before they're advertised and previously unthought-of collaborations appear out of nowhere. Networking has become a critical factor for success. It's Who You Know brings networking into the modern era, and shows you a strategic approach to making it work for you.

First Published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

The emotions have long been an interest for those studying ancient Greece and Rome. But while the last few decades have produced excellent studies of individual emotions and the different approaches to them by the major philosophical schools, the focus has been almost entirely on negative emotions. This might give the impression that the Greeks and Romans had little to say about positive emotion, something that would be misguided. As the chapters in this collection indicate, there are representations of positive emotions extending from archaic Greek poetry to Augustine, and in both philosophical works and literary genres as wide-ranging as lyric poetry, forensic oratory, comedy, didactic poetry, and the novel. Nor is the evidence uniform: while many of the literary representations give expression to positive emotion but also describe its loss, the philosophers offer a more optimistic assessment of the possibilities of attaining joy or contentment in this life. The positive emotions show some of the same features that all emotions do. But unlike the negative emotions, which we are able to describe and analyze in great detail because of our preoccupation with them, positive emotions tend to be harder to articulate. Hence the interest of the present study, which considers how positive emotions are described, their relationship to other emotions, the ways in which they are provoked or upset by circumstances, how they complicate and enrich our relationships with other people, and which kinds of positive emotion we should seek to integrate. The ancient works have a great deal to say about all of these topics, and for that reason deserve more study, both for our understanding of antiquity and for our understanding of the positive emotions in general.

"One Bad Move Nullifies Forty Good Ones." - Bernhard Horwitz Quote Notebook for Chess Enthusiast. A 120 pages Wide ruled Notebook with a Glossy Cover finish.

Now celebrating the 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! "Douglas Adams is a terrific satirist."—The Washington Post Book World Facing annihilation at the hands of the warlike Vogons? Time for a cup of tea! Join the cosmically displaced Arthur Dent and his uncommon comrades in arms in their desperate search for a place to eat, as they hurtle across space powered by pure improbability. Among Arthur's motley shipmates are Ford Prefect, a longtime friend and expert contributor to The Hitchhiker's Guide to the Galaxy; Zaphod Beeblebrox, the three-armed, two-headed ex-president of the galaxy; Tricia McMillan, a fellow Earth refugee who's gone native (her name is Trillian now); and Marvin, the moody android. Their destination? The ultimate hot spot for an evening of apocalyptic entertainment and fine dining, where the food speaks for itself (literally). Will they make it? The answer: hard to say. But bear in mind that The Hitchhiker's Guide deleted the term "Future Perfect" from its pages, since it was discovered not to be! "What's such fun is how amusing the galaxy looks through Adams's sardonically silly eyes."—Detroit Free Press

Following on the heels of the successful New Testament for Everyone commentaries by acclaimed scholar and author N. T. Wright, Westminster John Knox is pleased to announce the first volumes in the all new Old Testament for Everyone Bible commentary series. John Goldingay, an internationally respected Old Testament scholar, authors this ambitious series, treating every passage of Scripture from Genesis to Malachi, addressing the texts in such a way that even the most challenging passages are explained simply and concisely. Perfect for daily devotions, Sunday school prep, or brief visits with the Bible, the Old Testament for Everyone series is an excellent resource for the modern lay reader. The book of Genesis is a lively read featuring familiar biblical tales such as the creation of the world, Adam and Eve and the forbidden fruit, Noah and the flood, Abraham and Isaac, Jacob and Joseph, the Tower of Babel, and Sodom and Gomorrah. While readers may know the facts of these stories, Goldingay's work will instill in them a deeper understanding of their spiritual and theological significance. True to the For Everyone series' goal, Goldingay writes in a thoroughly accessible and engaging style with chapter
