

One Of The Guys Kindle Edition Lisa Aldin

A sexy, swoony falling-for-the-neighbor standalone romance from #1 New York Times bestselling author Lauren Blakely! Just my luck - my new next door neighbor is a unicorn. Yep, the British hottie is clearly a mythical man because - get this - he's a sexy, witty, charming, big-hearted single dad. Who, wait for it, wants to find Mrs. Right and get hitched. He's a once-in-a-blue-moon kind of man, and it's a darn shame I'm not on the market. If I were, his accent alone would melt me. Add in the fact that he's a veterinarian, and my animal-loving heart would be flip flopping. But my heart's on the mend. I'm a single parent like him, and raising my teenage daughter is my top priority. Plus, falling for a guy who shares your property line is a line you shouldn't cross. Still, I'm an outgoing gal, so I do the neighborly thing and offer to be his dating insider. Surely, I can help this small town's most eligible bachelor ever navigate his way through all the fantastic single ladies eager to make his acquaintance. What could possibly go wrong in helping the dream guy next door find his one true love? So I set him up on one date, two dates, three dates -- and I'm about to find out exactly how dangerous my offer is. The Dream Guy Next Door is a sexy standalone you can escape into! The other standalone romances in The Guys Who Got Away series include The What If Guy, Thanks For Last Night, Dear Sexy Ex Boyfriend, and the MM romance A Guy Walks Into My Bar!

NICE GUYS CAN PLAY DIRTY TOO . . . 'Give me a week. Seven days and seven nights. I'll show you what it's like to be with a nice guy.' Chelsea's housemate Tom is tired of her complaining about her boyfriends. Arrogant, sexy, irresistible—bad boys are basically Chelsea's M.O. Pretty much everything that Tom is not. He's dependable and sweet. He's also kind of hot in a cute, unthreatening way. His offer surprises Chelsea. He's right . . . she's never really given a nice guy a chance before. And now she's curious. Hell, it might even be fun. There's just one rule: this isn't a friends with benefits arrangement. Except Chelsea never imagined nice guys could play so dirty . . . Mr. Nice Guy is the first book in the Pierce Brothers series featuring four brothers who are equally as nice as they are naughty.

After Charlotte's father died, her mother changed. She became cold and distant, and Charlotte slowly withdrew into herself. She spent years feeling lonely and insignificant, and rarely spoke more than a few words to anyone. One night, after a traumatic incident instigated by her mother, Charlotte is arrested and taken to juvie. A year later, Charlotte's being released from juvie for the second time. Instead of an awful group home, her social worker brings a welcome surprise: Charlotte's long-forgotten uncle, Arthur, who is all too eager to help her after everything she's been through. When Charlotte learns that Arthur has a step-son her age, she's even more apprehensive. How could he not resent having a stranger thrust into his home and family? To her surprise and relief, Sebastian is kind and friendly. He and his four best

friends-Grayson, Remy, Liam, and Elliot-make Charlotte feel welcome. They never make Charlotte feel badly about her past or her anxiety. They make her feel seen. As she gets to know the boys, she realizes they each have their own issues and demons they're fighting, and she forms a unique bond with their group. It doesn't help that they're ridiculously attractive. How could Charlotte not fall in love with all five of them?

Alice Bell has one goal: to play for the elite junior hockey team the Chicago Falcons. But when she's passed over at tryouts for being a girl, she'll do anything to make her dream a reality...even disguising herself as her twin brother. With her amazing skills on the ice, Alice is sure she'll fit in easily. That is, until she starts falling for one of her teammates... Hayden Tremblay, star of the Falcons, can't keep himself out of the penalty box. Constantly living in the shadow of his older brother, Hayden's losing his passion for hockey. But when he gets shown up on the ice by the Falcons' new rookie, Hayden's determined to teach the kid a thing or two. Little does he guess that "Al's" surprises on the ice are just the beginning... Disclaimer: This Entangled Teen Crush title proves that wonderful things can happen when you're brave enough to go after your dream. Dream hockey player, that is! Warning--a few locker room scenes are included. Each book in the Chicago Falcons series is STANDALONE: * Just One of the Boys * Just One of the Royals * Just Pretending A sexy new friends-to-lovers standalone! Let me list the reasons why dating a sexy, charming, pro hockey star is a bad idea: 1. He's one of my closest friends 2. All our friends are friends 3. The wounds I've got from past relationships go deep. And so do his. We're both devoutly single -- it's just safer for the heart that way. But there's no reason not to bid on the gorgeous, clever athlete at the charity auction this weekend. If I win, it'll be a friendsdate. And I do win. I win him big. And hard. And all night long. The trouble is . . . what happens in the morning?

After the death of my mother and her Bonded, I was relieved to find my own Bonds. I was sure everything would be okay if I had them. It wasn't. The fate of our people is in my hands and I know we're better off if I'm alone. After five years on the run, I'm caught and dragged back to face the men I ran away from. I thought I was doing the right thing. Now, I'm not so sure. North, Nox, Gryphon, Atlas, and Gabe may never forgive me but one thing is for sure. I won't ever forgive myself. *Broken Bonds is a full length reverse harem PNR novel with material that may be difficult for some readers. This book will end on a cliffhanger. It's recommended for 18+ due to language and sexual situations.

Rylee Everett has spent her entire life as a tomboy. One of the guys to the rest of the world. With that comes constant fights with her mom when it comes to wearing dresses and makeup. To her, it's a waste of time. Time she would rather use at the skate park and hanging out with her best friend Spencer. Well, that was her outlook until she bumps into her longtime crush at a wedding. Now she's made it her mission to get him to notice her before he graduates and moves out of state. No matter the cost. Even if it comes with dresses. Spencer Hendricks has spent the better part of his teenage

years trying to ignore the growing crush on his best friend, Rylee. He can't go there--won't jeopardize their friendship. Everything seems to be going according to plan until his parents drop the bombshell of a divorce and Rylee asks him to help score the attention of one of the most popular seniors at school. Now he's faced with the possibility of moving to another state mid-year and his best friend ditching him all at the same time. With their lives seemingly headed in different directions, will they lose what they have always known, or find something neither of them expected?

Roca Springs might be a small, boring Texas town. But it's my town. I'm about to graduate high school and I plan on spending every second of my summer break at the local motocross track. I need the low key vibes of a dirt bike track because my best friend is too stuck on her boyfriend to hang out anymore, and after royally humiliating myself in front of my crush, I have no desire to date any time soon. Dirt bikes are my passion. Not guys. The last thing I need is for disgraced motocross star Liam Mosely to show up. He was kicked off his professional race team for being a stuck up, cocky, arrogant jerk, and after spending one day with him, I can't say I disagree. The guy is trouble. But he's also super hot. Something tells me this summer won't go according to plan. *Bella and the New Guy* is the first book in the Love on the Track Series, a clean, sweet young adult romance with NO cliffhanger!

High school was a nightmare. I spent the majority of my time dodging the three bullies who delighted in giving me hell. Austin, Gavin, and Vaughn were so awful that just seeing them could ruin my day. It was a relief when I finally graduated and I knew I wouldn't have to deal with them ever again. That is until I got talked into going to our ten year reunion. I had fantasies of seeing what had karma done to my high school enemies. I couldn't wait to see bald spots, beer guts, and delicious failure. But I didn't get that. Instead, I got their attention - all of their attentions - in a way I didn't expect. Now I'm caught in an unfamiliar relationship with all three of them and am unsure exactly where it will go.

A ruined life. A broken heart. He thought it was the end, and his gun sat ready to make sure. But an oddball offer from his only friend comes at the literal last second. Curiosity gets the best of him, and he finds himself sucked into *iNcarn8*, a game claiming to be a whole new life. Now as Montana, the larger-than-life tank warrior, he has one more last time to get his life right. *One More Last time* is the first book in *The Good Guys*, a LitRPG GameLit series. If you like fast-paced adventure, RPG mechanics, and sweet level progression with a deep magic and game system, this book is for you. It has notes of *The Land* and classic *Dungeons & Dragons* campaigns, and stars a lovable idiot of a main character who can't seem to shake his dark past and find the quiet life he so wants.

Some say sex is an addiction, but to Waverland Smith, wild play is a lifestyle. The revolving door of women flowing in and out of his life faster than a panty drop crosses out a want for commitment. The emotionally unavailable man they call "Wavy" seeks the thrill of the chase until he meets his match whose brain is just as strong as the curves that attracts.

While Wavy fights off the temptation of falling for a target that's elusive as him, he dreams his way out of a job into the world of stardom through the books he writes. *Thick Girls and the Guys Who Love Them* is the story of a man who enjoys adding notches to his belt until the tables are turned. Feel the blaze, a Nah'Sun blaze.

The fact that men and women continue to receive unequal treatment at work is a point of contention among politicians, the media, and scholars. Common explanations for this disparity range from biological differences between the sexes to the conscious and unconscious biases that guide hiring and promotion decisions. *Just One of the Guys?* sheds new light on this phenomenon by analyzing the unique experiences of transgender men—people designated female at birth whose gender identity is male—on the job. Kristen Schilt draws on in-depth interviews and observational data to show that while individual transmen have varied experiences, overall their stories are a testament to systemic gender inequality. The reactions of coworkers and employers to transmen, Schilt demonstrates, reveal the ways assumptions about innate differences between men and women serve as justification for discrimination. She finds that some transmen gain acceptance—and even privileges—by becoming “just one of the guys,” that some are coerced into working as women or marginalized for being openly transgender, and that other forms of appearance-based discrimination also influence their opportunities. Showcasing the voices of a frequently overlooked group, *Just One of the Guys?* lays bare the social processes that foster forms of inequality that affect us all.

From New York Times bestseller Lexi Ryan comes a sexy new standalone romance in the bestselling *Boys of Jackson Harbor* series. Meet single dad Easton Connor as he leaves the NFL and returns to Jackson Harbor to fight for another chance with the love of his life. *** I don't regret much. Not my decision to enter the NFL draft before finishing college. Not fighting for custody of my daughter—even if, biologically speaking, it turns out she's not mine. And certainly not seducing my buddy's little sister ten years ago. But when it comes to Shayleigh Jackson, my no-regrets attitude stops there. I screwed up royally where she's concerned. Then I made another mistake when I let her shut me out of her life. Now after more than a decade living in different time zones, I'm coming home to Jackson Harbor. My first priority is keeping my daughter away from the media circus in Los Angeles, but the moment I see Shay, I know something else brought me back here. Now I'll stop at nothing to win her back. So what if she won't speak to me? So what if she's changed? So what if she's fallen for some douchebag professor? I've never gotten over her, and I know she feels the same about me. I've let her go twice. I won't make that mistake again. If *It's Only Love* and all other books in this series can be read as standalones, but you'll enjoy reading them together. The *Boys of Jackson Harbor* 1 - *The Wrong Kind of Love* (Ethan's story) 2 - *Straight Up Love* (Jake's story) 3 - *Dirty, Reckless Love* (Levi's story) 4 - *Wrapped in Love* (Brayden's story) 5 - *Crazy for Your Love* (Carter's story) 6 - *If It's Only Love* (Shay's story)

To The Rude Guy in Apartment Five, I'm glad you're happy to have moved into a new apartment, but no: I do not want to have a beer with you. I do not want to have a nude sleepover. I do not want to make you breakfast, lunch or dinner, no matter how many lap dances you promise to give me. I do not need you to serenade me through the walls at 1am. And no, I have no interest in letting you take me on a date. Sincerely, Magnolia Allen P.S. And no, I do not want to know how many accents you can growl in during intimate moments. How is that even a thing? P. P. S. Also, you will never find me standing naked in your living room ever again, so please stop leaving lingerie packages on my welcome mat.

Unapologetically f*cked up. Heartlessly cruel. Broken beyond repair. Corvus, Rook, and Grey - The Crows. Bred in a world of gang wars, violence, and secrets, they rule the bloody town of Thorn Valley and all the people in it...too bad for me I've never been good at kissing ass or keeping quiet. Even if their savage spirits awaken something inside of me I thought was long dead, I can't break. I won't. They think they scare me, that I'll run and hide, but the joke's on them. The Crows aren't the first monsters I've faced, and they won't be the last. There are worse evils out there waiting to take their stab at Ava Jade Mason. I say let them try. I'm tired of running. Tired of holding back my darkness. Thorn Valley isn't ready for a new boogie man. Too bad I'm already here. Crooked Crows is a dark enemies-to-lovers reverse harem romance, meaning the main character will have more than one love interest. Warning: This series contains foul language, explicit sexual content, graphic depictions of gang violence, and jealous/possessive themes. Recommended for readers aged eighteen and up. Please read responsibly.

New York Times Bestselling Author, J. Sterling is back with a fresh new baseball romance series you won't want to miss! No one writes baseball like Sterling, Cole Anders is in his last season at Fullton State. If he doesn't get drafted this year, he'll be forced to hang up his cleats for good. It's not something he's ready to do. To prove he's serious about his final season, he's given up girls. No more casual hookups, dates or one-night stands. But there's one girl who has always refused to give up on him. One girl who has been there since the start of Freshman year. One girl he stupidly assumed would always be waiting for him when he got off the field, no matter how long it took. Christina Traver's has had enough of Cole pushing her aside for baseball. She's grown tired of waiting for him to see what she's known since they were freshmen... that they belong together. She's finally moved on. Cole has other ideas, but she refuses to cave. It's not her problem if he wants her now. Too little too late. There comes a point in your life when you have to stop the incessant merry-go-round and just get off the ride, right? Try telling that to Col

Connor just left his small town in Kansas to take an internship at a major publication in a big new city - where he meets the handsome and confident Alan, who makes him hunger for something he didn't know he wanted. "Girls like you aren't exactly welcomed at a place like this, so keep your head down and look the other way." Those were the exact words of my social worker when she dropped me in my newest hellhole, a place for "troubled teens". I didn't listen, and now I'm on their radar. They expect me to play along in their games of hierarchy, to fall in line in the social order they've deemed me fit. Too bad for them, I don't follow rules. Too bad for me, they're determined to make sure I do. Inconceivably attractive and treated like kings...these are the boys of Brayshaw High. And I'm the girl who got in their way.----This is book one in a three book series.

Sierra never knew where her dangerous powers came from. What she did know was that they were completely out of control and, if her Father didn't keep her weak, they would destroy everything around her. But when the Crean brothers stroll into town and take a keen interest in Sierra, she begins to question if her Father's cruel ways are the only option she has- or if she really could live a more normal life away from his rule. With her Father threatening to lock her away, her Mother no longer wanting to save her, and the new knowledge that she owes a voodoo witch her very life, Sierra has to make a choice; trust the brothers who seem to know more about her than they are letting on, or wait for the witch to find her and take her life. What would you choose? Find out in Book 1 of The Cursed Ones Trilogy Please note- This is a reverse harem series (1 girl and 5 guys in this case!) that also deals with scenes of abuse from a parental figure. As such, readers discretion is advised and this series is recommended for ages 18+

"Honesty is a one way ticket to Hell, Kitten." Sinclair Blackwell Declan Carter Giovanni Martinelli Kings of campus. Walking Greek statues of sin and lust. Influence beyond belief. Their obsession? Me. After a brutal attack, these powerful empire heirs take me in. They saved me from potential death. They protect me. Provide for me. They all become my... lovers? Slowly but surely, we all enter into a relationship with each other. Lines of love and hate blur as walls are broken down. But happiness is only a pipe dream in my world. Threats start. Unknown forces living right under our noses have other plans for us. I become a pawn in a game I'm not even aware of. So do they. Corruption collides with greed. So how do we fight a battle we aren't even aware of? It's simple. We lose.

He was my best friend before he was my enemy. I'm a nobody at Black Falls High. When the school's mean queen forces me to my knees in front of the student body, everything changes. Now, I'm back on my former best friend's radar. And this time, he has his new crew and "no" isn't part of their vocabulary. When a night out puts me in a compromising position, I'm at their mercy. If they don't keep my secret, it could destroy more than my friendship. They own me. And my former best friend is making it his mission to ruin me. But not if I ruin them first. In Ruins is a #whychoose romance with four hot-as-fire guys. Due to dark content, this book is recommended for eighteen and older.

The one unbreakable rule in the Man Code is this: no matter how beautiful, smart, and clever she is, do not fall in love with your

best friend's woman. Yeah, so I screwed up big time when I fell for her. I might have let my sin of unrequited love slide, given everything that went down in the last few years, but Lulu just walked back into my life as vibrant as ever. And the cards are stacked against me once again. We're working together, and the last thing I want to do is mess up her life with a forbidden office romance now that she's finally got the fresh start she deserves. Trouble is, she's even more irresistible than ever, and this time around I'm not sure any code can hold me back. Even if I stand to lose everything...

A collection of five erotic stories with mixed themes including m/f, menage, BDSM, spanking and sex in public. Just One of the Boys by Tony Haynes When George is appointed Senior Sales Rep for the UK branch of Regal Lingerie, her first real challenge is a business trip to Amsterdam to meet her three European counterparts – Max, Robbie and Stefan. As the four arrange the meeting, the other three mistakenly take George for a man and, subsequently, arrange to visit a VIP strip club the first night of the trip. When she arrives and declares that she is up for a visit to the club, the boys are delighted; however, not as delighted as George, who ensures that it is a night they will all remember... The New Girl by Garland Meet Constance, the new girl. It's her first day as a secretary at one of the biggest publishing houses in New York City and her coworkers are like characters out of a real life erotic novel. First there's Claudia and Adam, two senior editors who have a big feud and even bigger sexual tension and let's not forget Mr Fletcher, Claudia's new boss and owner of the company. A spoiled rich boy who inherited the company from his father and who, according to everyone, "likes skirt". Will the new girl be able to survive her first day on the job? Or is she in over her head? The Game by Jeanette Grey Everybody needs a diversion to help pass the time at work. Together with her fellow administrative assistant (and secret boyfriend) Andy, Mel enjoys playing a game they call 'fucking or not fucking'. In it, they try to guess which of their supervisors are sleeping together to advance their careers. All that speculation leads to other games, though. Games wherein the two of them pretend that Andy is the supervisor – and Mel is the underling who is desperate to get ahead. Negotiating Pleasure by Blair Erotica Alia has an ambitious business plan that she needs to implement soon. The problem is money. She tries to negotiate to have a large corporation acquire her company on her terms, but they aren't interested. With time slipping away, she meets one of the negotiators who suggests private negotiations might lead to a more interesting conclusion. He teaches her about the give and take of negotiating, and how pleasurable giving and taking can be. Happy Birthday, Mr Vice-President by Alice Candy It's the boss's birthday and his PA and her assistant decide he deserves a birthday cake to celebrate. He's secretly delighted but, of course, buying birthday cake on company time when they should be working means they must be properly reprimanded. The two women are given a proper dressing-down in front of their colleagues that none of them will forget. These stories have also been published in Corporate Affairs

Tomboy to the core, Toni Valentine understands guys. She'll take horror movies, monster hunts and burping contests over manicures. So Toni is horrified when she's sent to the Winston Academy for Girls, where she has to wear a skirt and learn to be a "lady" while the guys move on without her. Then Toni meets Emma Elizabeth, a girl at school with boy troubles, and she volunteers one of her friends as a pretend date. Word spreads of Toni's connections with boys, and she discovers that her new

wealthy female classmates will pay big money for fake dates. Looking for a way to connect her old best friends with her new life at school, Toni and Emma start up Toni Valentine's Rent-A-Gent Service. But the business meets a scandal when Toni falls for one of her friends--the same guy who happens to be the most sought-after date. With everything she's built on the line, Toni has to decide if she wants to save the business and her old life, or let go of being one of the guys for a chance at love.

Up and coming football hero, Colt Michaels, makes a Hail Mary pass one night in the college locker room that results in the hottest, sexiest five days of his young life. However, interference after the play has him hiding his past and burying his future in the bottom of a bottle. While Colt seems to have it all, looks can be deceiving especially when you're trapped so far in a closet that you can't see your way out. When ten years of living his expected fast-lane lifestyle lands him engaged to his manipulative Russian supermodel girlfriend, he decides it's time to call a new play. Jace Montgomery single-handily built the largest all-star cheerleading gym in the world, driven by a need to forget a life-altering encounter with a handsome quarterback a decade ago. His reputation as an excellent coach, hard-nosed business man, and savvy entrepreneur earned him respect in the sometimes catty world of competitive cheerleading. When Jace learns of his ex-lover's plans to marry, his heart executes a barrel roll and his carefully placed resolve tumbles down without a mat to absorb the shock. Can his island escape help him to finally let go of the past and move his life forward?

From New York Times bestselling author Kristan Higgins comes a beloved tales about fresh starts! Journalist Chastity O'Neill is tired of being just one of the guys. When returns to her hometown, she decides it's time to get in touch with her feminine side. While doing a story on local heroes, she meets a hunky doctor who is the perfect candidate to test her newfound womanly wiles. There's only one problem: Trevor Meade, her first love and the one man she's never quite gotten over—although he seems to have gotten over her just fine. Yet the more time she spends with Dr. Perfect, the better Trevor looks. But with the in-your-face competition, the irresistible Trevor starts to see Chastity as more than a friend.... It should be an easy rule to follow - don't bang your boss... But I didn't know who he was when I met him. And the first time I saw him, our connection sounded like the stuff of romantic legends -- that whole "their eyes locked across a crowded room" moment that turned into more. I didn't believe it. . . . until it happened to me. Fine, the charming, clever, sexy-as-sin guy in the tailored suit was only trying to buy the same Snoopy lunchbox (as a gift!), but still, our eyes totally locked, and my lady parts definitely tingled as we vied for the prize. Naturally, I did what any badass business woman would do. Negotiated for the lunchbox, then found my what-if guy online and made plans to see him the next night. One night only -- that was the deal we made. But one fantastic night had us both changing our minds in the morning. And making plans for another. Until I walked into the office to learn he just bought my company. And here's the biggest rule of romantic legends -- no matter what, don't bang your boss. Especially if you're already falling for him. THE WHAT IF GUY is a sexy standalone you can escape into! The other standalone romances in The Guys

Who Got Away series include Dear Sexy Ex Boyfriend and Thanks For Last Night, with A Guy Walks Into My Bar as an MM standalone spin-off!

He makes her feel like a woman... Mechanic Ronnie Taylor spends most of her time with men. As such, she's always been tough, but Diego Molina makes her feel the opposite of tough. The big Cuban is brash, bold, and gets under her skin. She finally has to admit the reason he annoys her isn't because she dislikes him. It's because she likes him a little too much. When Diego turns the tables on Ronnie, he uncovers the sensual woman hiding underneath. But past regrets threaten to derail their new relationship. Before they can get to forever, they must trust that they've found what they've been looking for all along.

Let me just say -- none of this was supposed to happen. I didn't expect the letter to go viral. I didn't think anyone would figure out who Dear Sexy Ex was. And I especially never thought he would find out about it. Yeah, bit of a miscalculation there. But see, I need the money to fund my brand new venture. And Dear Sexy Ex, well, it turns out he needs me to save his business. By becoming his fake fiancée. Yup, that's the pickle I find myself in -- pretending to be madly in love with the charming, brilliant, and utterly infuriating man known as Dear Sexy Ex. Only, it's not an act. And he can never know.

Waking up in hospital with no recollection of why I'm there. I'm met with faces I don't recognise, and a black hole where my memory should be. After recovering and spending time with these five amazing guys, I realise I have everything I need, even without my memories. Rocky is full of energy but can be a handful. Mercer thinks he is tough, but I can see through his act. Rory is generous but has an attitude. Maximus doesn't talk but he doesn't need to. Levi may be cautious, but he is clearly the protector of the group. JD is what my boys decided to call me after they found me washed up, naked on a beach in the middle of winter. Who am I? Where did I come from? I should want the answers to those questions, except being with them feels like home. Finding out who I am is low on my priority list when I feel like I can breathe for the first time in my life, a life I can no longer remember.

Cruel. Heartless. Quarantined. The ruthless boys of Everlake Prep never saw lockdown coming. But the virus isn't their number one enemy. I am. And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a

silver lining. I'm cosying up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their knees, it might just be the end of theirs. This is a high school bully reverse harem series which means the main character will end up with multiple love interests. It may have triggers for some as it has off the charts angst, dark love-hate themes, scenes of intense bullying, sexual scenes and some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine with the Night Keepers. And everything you own now belongs to them.

Strike One-My mother named me Theodore after her favorite chipmunk. Not cool, Mom. I've spent most of my life answering to Teddy, because I couldn't make Theo work. Except for here. College. The place where all bets are off, and I've managed to redeem myself. There's only one problem, my new roommate, Troy, is football royalty and looks like he stepped off the set of an Abercrombie shoot. Doesn't matter, I cook a mean breakfast for his panty parade, and we get along well. And anyway, this year I got the girl. And she's perfect. That's right. Theodore Houseman, former band geek, now marching band rock star has finally landed the girl of his dreams. Everything is perfect. That is, until Troy takes a good look at her. I'm not going down without a fight. As a matter of fact, I'm not going down at all. As glorious as these days may be for my all-star roommate, Laney is my end game. I may not know much about play strategy, but I've been the good guy my whole life. I've been listening and I know exactly what women want. Framed in a picture standing next to me, Troy may seem like Mr. Perfect, but he's underestimating the guy on the right. Spoiler alert: In this story, the underdog is going to win.

My hot neighbor is my new boss. What could possibly go wrong? How about a baby... Getting dumped is the pits. At least I still have my job. Until the hot guy next door becomes my new boss and lays me off. Thankfully, he gives me a new job as a favor and only asks one thing in return... A date. Only the fake date leads to something very real happening... in bed. Zack Noble is every bit as confident between the sheets as he is in the boardroom. I'm helpless to resist him. I know office relationships are forbidden. Yet sneaking around makes what's happening between us even hotter. Until our secret is discovered... But I have one of my own - a little munchkin with the same blue eyes as his dad. When the truth finally comes out, will I lose Zack forever, or will we have our second chance at love?

Miles Derby, a desperate alcoholic barely keeping up with his child-support demands, transforms his life when he assumes the identity of a dead Navy chaplain, taking his place at sea and finding himself in the process. A first novel.

Once dubbed America's teenage "Wild Child" with her own reality show, Monica Appleby returns to her home town to pen the juicy follow-up to her tell-all biography, and political hottie Mayor Jackson Davies says he wants her out before she ruins the town's reputation—but his the burning desire in his eyes says something different. Original.

What do a heartless Dragon Shifter, a cold-blooded Basilisk, an arrogant Lion Shifter and a brooding, tattooed Harpy have in common...? Me. Elise Callisto. Vampire. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet. When I kicked the ass of a Werewolf who was high on a new and dangerous drug called Killblaze, his final words painted a dark reality for me. The King of Aurora Academy killed my brother. The trouble is, there's four kings at that school and each of them have motive and cutthroat natures. Aurora Academy isn't a place for the faint of heart. To put it lightly, my town is the asshole of Solaria where the dodgiest Fae in the kingdom reside. The school itself is divided by the two gangs who run this town. The Lunar Brotherhood and the Oscura Clan. And guess what? Two of the kings run the gangs at the school, their hatred for each other so fierce I hear a day doesn't go by without blood being spilled in the halls. I might be a petite, lilac-haired girl who looks like a fragile doll, but they haven't been introduced to my fangs yet. And they don't know why I'm really here. Or that I'll do whatever it takes to bring down the Fae who took my flesh and blood from me. I don't believe in fate, but I do know this... the King who killed my brother is a dead man walking. And I'm prepared to sacrifice my heart, body and soul to ensure I get my revenge. This is a reverse harem series set in the world of Zodiac Academy four years before the Vega Twins were Awakened. Expect some character cross-over, dark and hot romance, and a twisted murder mystery which will leave your head spinning.
