

Organizational Behaviour Canadian 8th Edition

Perfect for instructors who take a practical, skill-building approach to teaching leadership, the seventh edition of LEADERSHIP provides an ideal balance of essential theory and real-world applications. Andrew DuBrin, a highly respected author and consultant, incorporates the latest research on leadership and current business practices from academic journals and popular periodicals. The text provides students with a strong practical foundation by introducing leaders they can relate to and reinforcing their knowledge with frequent skill-building activities. Key updates include new opening vignettes and end-of-chapter cases, numerous additional skill-building exercises, and video discussion questions at the end of each chapter. An all-new CourseMate interactive study tool site features additional video content, premium quizzing, and links to both the Career Transitions job search tool and Cengage's KnowNOW blog, which is constantly updated and provides an intuitive view of current events. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Organizational Behavior, 8e by McShane / Von Glinow helps everyone make sense of Organizational Behavior, and provides the conceptual tools to work more effectively in the workplace. This author duo continue the trailblazing innovations that made the previous editions of Organizational Behavior recognized and adopted by the new generation organizational behavior instructor. The McShane and Von Glinow product is acclaimed for: Readability, presentation of current knowledge Linking OB concepts and theories with reality Strong International / Global orientation Contemporary Theory Foundation (without the jargon) Active Learning and Critical Thinking Support Textbook's philosophy OB knowledge is for everyone, not just traditional managers. Organizational Behavior, 8e is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

Note : You are purchasing a standalone product; MyLab Management does not come packaged with this content. Students, if interested in purchasing this title with MyLab Management, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. Organizational Behaviour, Eighth Canadian edition, is truly a Canadian product. While it draws upon the strongest aspects of its American cousin, it expresses its own vision and voice. It provides the context for understanding organizational behaviour (OB) in the Canadian workplace and highlights the many Canadian contributions to the field. Subject matter reflects the broad multicultural flavour of Canada and also highlights the roles of women and visible minorities in the workplace. Examples reflect the broad range of organizations in Canada: large, small, public and private sector, unionized and non-unionized. If you would like to purchase both the physical text and MyLab Management, search for: 0134860802 / 9780134860800 Organizational Behaviour: Concepts, Controversies, Applications, Eighth Canadian Edition Plus NEW MyManagementLab with Pearson eText -- Access Card Package, 8/e Package consists of: 0134645855 / 9780134645858 Organizational Behaviour: Concepts, Controversies, Applications, Eighth Canadian Edition, 8/e 0134882458 / 9780134882451 MyManagement with Pearson eText -- Standalone Access Card -- for Organizational Behaviour: Concepts, Controversies, Applications, Eighth Canadian Edition, 8/e

The most comprehensive, reality-based review of organizational behavior of its kind, this volume prepares readers to explain and predict behavior in organizations at three levels: the individual, the group, and the organization system. Values, Attitudes, and Job Satisfaction. Personality and Emotions. Perception and Individual Decision Making. Basic Motivation Concepts. Motivation: From Concepts to Applications. Understanding Work Teams. Communication. Basic Approaches to Leadership. Contemporary Issues in Leadership. Power and Politics. Conflict and Negotiation. Technology and Work Design. Human Resource Policies and Practices. Organizational Culture. Organizational Change and Stress Management. For anyone interested in organizational behavior, organizational psychology, or human relations.

The science and practice of training and development is continually advancing. This 5th edition of Managing Performance Through Training and Development reflects many of these advances, such as the increasing use of technology, blended approaches to training delivery, training-on-demand and just-in-time learning, new models of training evaluation, and techniques to improve transfer of training. This text maintains a perfect balance between theory and research and practice and application, while providing relevant examples (many of them Canadian), to illustrate the text's concepts and principles.

The landmark project management reference, now in a new edition Now in a Tenth Edition, this industry-leading project management "bible" aligns its streamlined approach to the latest release of the Project Management Institute's Project Management Body of Knowledge (PMI®'s PMBOK® Guide), the new mandatory source of training for the Project Management Professional (PMP®) Certification Exam. This outstanding edition gives students and professionals a profound understanding of project management with insights from one of the best-known and respected authorities on the subject. From the intricate framework of organizational behavior and structure that can determine project success to the planning, scheduling, and controlling processes vital to effective project management, the new edition thoroughly covers every key component of the subject. This Tenth Edition features: New sections on scope changes, exiting a project, collective belief, and managing virtual teams More than twenty-five case studies, including a new case on the Iridium Project covering all aspects of project management 400 discussion questions More than 125 multiple-choice questions (PMI, PMBOK, PMP, and Project Management Professional are registered marks of the Project Management Institute, Inc.)

"Welcome to the eleventh edition of Organizational Behaviour: Understanding and Managing Life at Work! This edition marks the 33rd anniversary of the text, which has been rigorously updated over the years to present students with the latest knowledge and research on both the science and practice of organizational behaviour. First published in 1983, Organizational Behaviour is the longest-running, continuously published, and regularly revised organizational behaviour textbook authored in Canada."

'Organizational Behavior' contains material on responding to global and cultural diversity with discussions of globalization, workforce diversity and ethics. There is an additional chapter on leadership and expanded coverage of interpersonal and behavioral skills.

For undergraduate and graduate courses in organizational behavior. Help students better understand their behavioral and interpersonal skills. Long considered the standard for all organizational behavior textbooks, Organizational Behavior provides the research you want, in the language your students understand. This text continues its tradition of making current, relevant research come alive for readers. The Updated 18th Edition has been thoroughly revised to reflect the most recent research and business events within the field of organizational behavior worldwide, while maintaining its hallmark features — a clear writing style, cutting-edge content, and intuitive pedagogy. There's a reason why Robbins' textbooks have educated millions of students and have been translated into twenty languages — and it's because of a commitment that provides the kind of engaging, cutting-edge material that helps students understand and connect with organizational behavior.

The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

Guide today's students as they learn not only the concepts and theories that enhance the management of human behavior at work but also how to practice these skills with Quick/Nelson's PRINCIPLES OF ORGANIZATIONAL BEHAVIOR, 8E, International Edition. The latest edition of this leading text clearly demonstrates how organizational behavior theories and research apply to companies today with engaging cases, meaningful exercises, and examples that include six new focus companies students will instantly recognize. The authors present foundational organizational behavior topics, such as motivation, leadership, teamwork, and communication. Readers also examine emerging issues, such as the theme of change as well as globalization, diversity, and ethics. The authors anchor the book's multifaceted approach in both classic research and leading-edge scholarship. Timely examples from all types of organizations reflect today's most current trends. Self-assessments and other interactive learning opportunities encourage each reader to grow and develop—both as an individual and as an important contributor to an organization.

Make better decisions – every day, everywhere! Decide and Conquer, Second Edition brings together all the practical skills you need to do just that. This quick, concise book identifies every key obstacle to quality decision-making and shows exactly how to overcome them. You'll discover how your personality impacts your decision-making, why instincts and experience can lead you astray, how to simplify complex decisions without oversimplifying them and much more. Renowned management author Dr. Stephen P. Robbins translates cutting-edge research findings about human behavior and decision-making into language anyone can understand – and act upon. In this Second Edition, he provides many new and updated examples, updated research, and new coverage, including these crucial new topics: Are you a Maximizer or a Satisficer – and what it means for your decision-making Overcoming the familiarity bias, adaptation bias, and fear-of-loss bias How to stop throwing good money after bad Knowing when doing nothing is your best option Accounting for gendered decision-making styles Decide and Conquer, Second Edition covers everything from goal-setting and risk-taking to overconfidence to procrastination, and offers indispensable insights for overcoming the multiple biases that are built into all human decision-makers. You'll use Robbins' powerful techniques to improve every decision you make – about your relationships, career, finances, everything!

Bridging current theory with practical applications, the 'toolkit' combines conceptual models with concrete examples and useful exercises to dramatically improve the knowledge, skills, and abilities of students in creating effective change. The Second Edition: - Takes a pragmatic, action-oriented approach - Emphasizes the measurement of change - Demonstrates principles and applications using real-world examples, exercises and cases. - Offers an integrated organizational change model so students can see the connections between topics and chapters.

Building on the success of the previous edition and the running theme that OB is for Everyone, this new edition presents all the essential topics in Organizational Behavior in a concise and readable format. Fundamentals of Organizational Behaviour, Fourth Canadian Edition, helps students make the connections between the subject, the world of research that supports OB, and students' everyday lives, both now and in their future careers.

This book introduces the reader to terms and concepts that are necessary to understand OB and their application to modern organizations. It also offers sufficient grounding in the field that enables the reader to read scholarly publications such as HR, CMR, and AMJ. This edition features new material on emotional intelligence, knowledge management, group dynamics, virtual teams, organizational change, and organizational structure.

Organizational Behavior in Sport Management provides numerous real-life examples from organizations and immerses students in the key behavioral issues that those in sport organizations face today. The text comes with an instructor guide that offers many useful tools to help instructors enhance students' learning.

"Management Is for Everyone" The world of business affects our lives every day, and "management" will affect the lives of all of us who work for a living. Fundamentals of Management, Eighth Canadian Edition delivers a text, supplemental materials, and online learning package that will engage students in a positive and direct manner as they build their fundamental knowledge of business in general and management in particular. In addition to viewing the material from the student perspective, our authors strove to facilitate the instructor's use and application of the rich subject material and resources to provide a dynamic, interactive, and enjoyable classroom experience. Note: You are purchasing a standalone product; MyManagementLab does not come packaged with this content. Students, if interested in purchasing this title with MyManagementLab, ask your instructor for the correct package ISBN and Course ID. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For one-semester undergraduate and graduate level courses in Organizational Behavior. Concise fundamentals for students. Ultimate flexibility for instructors. This bestselling, brief alternative for the OB course covers all the key concepts needed to understand, predict, and respond to the behavior of people in real-world organizations. This text also includes cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course. The eleventh edition contains expanded and updated coverage on international issues, as well as new sections on the management of information, safety and emotions at work, risk aversion, self-determination theory, managing information, and downsizing. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion—be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources. Visit mymanagementlab.com for more information.

Help your students learn not only the concepts and theories that enhance the management of human behavior at work but also how to practice these skills with Nelson/Quick's ORGANIZATIONAL BEHAVIOR. The latest edition of this book clearly demonstrates how organizational behavior theories and research apply to companies today with engaging cases, meaningful exercises, and examples that include six new focus companies students will instantly recognize. The authors present foundational organizational behavior topics, such as motivation, leadership, teamwork, and communication. Students also examine emerging issues reshaping the field today, such as the theme of change. They study how change affects attitudes and behaviors in an organization as well as what new opportunities and experiences change presents. Students further explore growing themes of globalization, diversity, and ethics. The authors anchor the book's multifaceted approach in both classic research and leading-edge scholarship. Timely examples from all types of organizations throughout this edition reflect today's most current trends, including six new focus companies--NetFlix, Ford, Groupon, and more. Self-assessments and other interactive learning opportunities allow your students to grow and develop, both as individuals and as important contributors to an organization, as they progress throughout your course. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Robbins: Leading the way in OB Written as an alternative to Robbins' larger Organisational Behaviour text, OB: The Essentials is an applied and focused text that will help your students to quickly grasp the essential elements of OB. In an engaging 13 chapter format, this book retains the fluid writing style, academic rigour and extensive use of examples that are trademark features of the Robbins texts. While there are less chapters, the book continues to provide cutting-edge content that is often missing in other OB books – this is not merely a subset of material from Robbin's Organisational Behaviour text; it was written from the ground up to present all the essential content in a shorter format. This new text will have broad appeal; particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts. New co-author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation, commitment and business operations to the new text. Reviewers and users of the Robbins texts regularly report that they are 'conversational', 'interesting', 'student-friendly' and 'very clear and understandable'. Packed full of pedagogical features that will engage and stimulate your students, OB: The Essentials will ensure that they are getting a sound understanding of OB. Features such as the 'Applying Knowledge' and 'Student Challenge' boxes prompt students to apply and think strategically about what they have just learnt.

Organisational Behavior, 7e by McShane/Von Glinow helps everyone make sense of Organizational Behavior, and provides the conceptual tools to work more effectively in the workplace. This author duo continue the trailblazing innovations that made previous editions of Organizational Behavior recognised and adopted by the new generation organisational behavior (OB) instructor. The McShane and Von Glinow product is acclaimed for: Readability, presentation of current knowledge Linking OB concepts and theories with reality Strong International/Global orientation Contemporary Theory Foundation (without the jargon) Active Learning and Critical Thinking Support Textbook's philosophy OB knowledge is for everyone, not just traditional managers. Organizational Behavior, 7e is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

This text encourages participate teaching and active learning through a structured style and format, with each chapter containing a list of key concepts and objectives. In their substantially revised Third Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors. Acclaimed for its readability and presentation of current knowledge, this textbook's philosophy is that OB knowledge is for everyone, not just traditional managers. The new reality is that everyone -- sales representatives, production employees, physicians -- needs OB knowledge to successfully work in and around organizations. Organizational Behavior, 3rd Edition, is unparalleled in its ability to engage students by bringing cutting edge OB concepts closer to reality through the 'theory-practice link' approach. McShane and Von Glinow help readers connect OB theories to emerging workplace realities through hundreds of fascinating real-life stories from across the United States and around the world. McShane/Von Glinow's Organizational Behavior 3rd Edition also continues to be the source of the hottest topics, such as: workaholism, virtual teams, corporate social responsibility, Schwartz's values model, innate drives theory, workplace emotions, executive coaching, guanxi, appreciative inquiry, social identity theory, workplace bullying, workplace justice, and much, much, more.

This Value Pack consists of Organisational Behaviour: Individuals, Groups and Organisation, 3/e by Brooks plus Organisational Behaviour: Individuals, Groups and Organisation/Management, 1/e; 1/e (ISBN: 9781405883443)

Organizations exist to succeed, however that may be defined. And they achieve what they need to achieve through the energy, creativity and commitment of those who come to work with them and what they achieve together. THINGS HAPPEN AND THINGS HAPPEN AT WORK. SOME GOOD, SOME NOT SO. When Things Happen at Work is about those things. When something happens that requires further inquiry, it may lead to the initiation of a formal investigation. The context, people, circumstances, and results of this investigation are all pieces of a puzzle of sorts, and only when you have assembled all the pieces and organized them in the right order do you see the complete picture. It's not until that happens that you can make a reasoned, informed decision. A practical balance between theory and practice, When Things Happen at Work is a comprehensive resource on key employment matters. A mix of personal experience, pragmatism, and theory make this an invaluable primer for managers, human resource practitioners, and those investigating matters at work. Beginning with a focus on employment preliminaries, including the nature of work and how organizations really function, a solid foundation is set for the next sections. To complete this resource employment theories and practices relevant to HR practitioners, managers, and leaders are examined — including those central to addressing workplace conflict (nature, origin, and approaches), the investigation and management of workplace incidents (processes, practices, and frameworks), disputes and the collective agreement for unionized workplaces, and workplace interactions with purpose (skills, techniques, and considerations). When Things Happen at Work concludes with a challenge: let's figure out how to make wise choices.

Emerging from what was a somewhat staid sub-discipline, there is currently a battle for the soul of Management and Organizational History (MOH), at the centre of which is a widespread concern that much recent work has been more about how one should or might do history rather than actually doing historical work. If ever there was a time for a new volume on MOH, this is certainly it.

For one-semester, undergraduate/graduate level courses in Organizational Behavior. This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Vivid examples, thought-provoking activities—get students engaged in OB. George/Jones uses real-world examples, thought- and discussion-provoking learning activities to help students become more engaged in what they are learning. This text also provides the most contemporary and up-to-date account of the changing issues involved in managing people in organizations. The sixth edition features new cases, material addressing the economic crisis, and expanded coverage of ethics and workplace diversity. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion—be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources. Visit mymanagementlab.com for more information.

Appropriate for undergraduate and graduate-level courses in Leadership or Managerial Effectiveness. The most comprehensive survey of the major theories and research on leadership and managerial effectiveness in formal organizations with practical suggestions for improving leadership skills.

Distinct from any other text of its kind, Industrial and Organizational Psychology: Research and Practice, 7th Edition provides a thorough and clear overview of the field, without overwhelming today's I/O Psychology student. Newly updated for its seventh edition, author Paul Spector provides readers with (1) cutting edge content and includes new and emerging topics, such as occupational health and safety, and (2) a global perspective of the field.

Compiled by three of the most influential authors in the field, CLASSICS OF ORGANIZATION THEORY, Eighth Edition is a collection of the most enduring works in organization theory. To help students grasp important themes, perspectives, and theories, the authors describe what organization theory is, how it has developed, and how its development has coincided with events and changes in other fields. This highly acclaimed reader is not simply a retelling of the history of organization theory; its evolution is told through the words of the distinguished theorists themselves. The readings in this edition have been thoroughly reviewed and updated. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Toolkit for Organizational Change is a text designed to assist educators in advancing the knowledge, skills and abilities of students in creating effective change. It is an applied book which bridges current organizational change theory with practical applications through exercises and cases in the belief that students learn better when they can anchor conceptual materials in concrete examples and situations.
